

**Scott Barry Kaufman**  
**Scientific Director**  
**Imagination Institute**

Psychologist Scott Barry Kaufman is the Scientific Director of The Imagination Institute and a researcher at the Positive Psychology Center at the University of Pennsylvania. He's the author of *Ungifted: Intelligence Redefined* and co-edited *The Philosophy of Creativity: New Essays*. Co-founder of the non-profit online hub for creativity research *The Creativity Post*, he also writes the "Beautiful Minds" blog for *Scientific American Mind*. He holds a doctorate in cognitive psychology from Yale University and a master's degree in experimental psychology from Cambridge University, where he was a Gates Cambridge Scholar. His next book on creativity and imagination, *Messy Minds*, is due to be released in October 2015.
