**SERVICE MANUAL**

Please send in your order forms by the due date

**15<sup>TH</sup> NOVEMBER 2015**

## **PICO INTERNATIONAL LLC (JLT Branch)**

**Official Stand Contractor for HIMSS ME 2015**

**This manual contains essential information – please read it carefully and follow the instructions closely for a successful event.**

This section includes a wide range of information about the services we provide, to assist you in you're planning and participation at HIMSS 2015, Mohammed Bin Rashid Academic Medical Center. All services which you require can be ordered using the appropriate order form and returned to Pico International LLC. Kindly ensure you read through the entire manual as it requires necessary actions that have specific deadlines.

***All order forms and payments must be made as per the deadlines mentioned to avoid a surcharge.***

### **SHELL SCHEME EXHIBITORS**

Pico International LLC has a complete range of furnishings, stand fittings, graphics and lighting to decorate and make your stand exclusive. **Please ensure that any standard items hired by you for the exhibition are supplied by the official contractor- Pico International LLC. All standard items supplied by other contractors are not authorized and may be removed from your stand.** All standard items are supplied by the official contractor – PICO and are on a rental basis.

### **SPACE ONLY EXHIBITORS**

Complete stand fitting design and construction are at your service and we would be pleased to discuss your requirements with you. Please contact Mr. Anush Rao

At [anush.rao@ae.pico.com](mailto:anush.rao@ae.pico.com) or Mr. Jude Romualdez at [jude.andrei@ae.pico.com](mailto:jude.andrei@ae.pico.com)

### **GRAPHICS AND SIGNAGE**

Pico International LLC can provide you with graphics and signage's should you require any. Please do advise your requirements so that a quote can be provided for the same. Once the graphics are confirmed, the artwork needs to be sent to us on a WETRANSFER in Hi resolution format in order to print. Payment made prior to the buildup of the exhibition will ensure your stand is ready on your arrival. Our onsite offices will be pleased to provide you with any assistance which you may require, as well as accepting additional orders and outstanding payments.

### **ELECTRICALS**

'Shell Scheme' stands are provided with 1 x 13 amp 250W square pin standard socket and 3 x 100W spotlights mounted on 1 track per 9 sqm. Lights will be fitted behind the fascia or to the roof support beam and a 13 amp socket outlet at floor level on the rear wall. Additional lighting or power points may be ordered using the Shell Scheme Electrical Order. If you require your lighting or power points to be positioned in specific locations on your stand please mark on the Grid Plan. If you do not indicate positions, the fitments will be fixed in positions thought appropriate by our staff and any changes will incur charges.

All electrical work on Shell Scheme stands must be done by Pico International LLC electricians. Items not supplied and fitted may be removed from your stand. Please contact us in advance if you require any assistance. During build up our site office is open to offer any help which you may need. Pico International LLC electricians are available throughout the exhibition to assist in solving any problems on your stand. Any issues need to be addressed to the onsite office for quick and immediate assistance.

## **SHELL SCHEME**

### **PERIMETER STANDS**

Constructed from the Octanorm modular aluminum system with off white polykem infill panels. 70mm deep off white aluminum beams form the ceiling grid. Height 2.5m (2.43m to underside of ceiling beams).

### **ISLAND STANDS**

Constructed from Octanorm modular aluminum system and consist of perimeter fascias only, supported by Octanorm pole sections.

Wall panels are not normally provided for Island stands. If wall panels are required:

- The allowance is 1 panel per 3sqm of stand space and these panels are supplied at no additional cost. The position of any panels required must be clearly marked on the grid plan and submitted to Pico International LLC at least 14 days prior to the show date.
- Any further panels requested over and above the allocation allowed, or ordered on site will be charged at the specified rate.
- No panels will be installed without a duly completed grid plan showing position and orientation of stand.

These panels must be located as centrally as possible within the stand and must be positioned at least two meters away from the perimeter. When submitting your grid plan, please ensure you observe the regulations as specified within the Exhibitors Manual regarding perimeter walls.

### **FASCIA**

The fascia height with aluminum frame is on foam board as shown in the design. The exhibitors name & stand number in English will be in Arial Bold upper case of 50mmH applied to the left side. However if any changes is required by the exhibitor there will be an additional charge payable by the exhibitor.

### **FLOOR COVERING**

All stands will have roll carpet with fire prevention treatment covering the entire floor area of the shell scheme booths.

**Terms & Conditions:**

1. The price quoted is based on the duration of not more than seven (7) days, which include build-up and teardown periods. For rental exceeding seven (7) days, charges will be on daily basis.
2. Manpower and equipment cost will be charged for special installations deemed at the sole discretion of Pico International LLC such as mounting of TV, data monitor, plasma screen or video wall set on high rise stands, and suspension of scanners/Moving Heads and other lighting systems on the Trade Centre ceiling. Prices will be based on a case-by-case basis. Approval is required for such installation.
3. Pico International LLC reserves the right to revise the equipment rental rates for any orders received less than one (1) week before the build-up commences.
4. Equipment not specified in the list can still be requested at least four (4) weeks before the build-up commences.
5. The total value of the equipment will be billed upon loss or damage of equipment provided the client takes up the insurance package. Insurance is 20% of the total rental price quoted.
6. Hundred percent (100%) of the rental price of the equipment will be charged for cancellation once the equipment is delivered on-site.
