Registration

Ghan Foyer

4:00 pm - 4:10 pm

Transfers

Outside Ghan Foyer

4:30 pm - 7:30 pm

Welcome Reception - Return Transfers Provided

Telegraph Station

15/09/2014

7:30 am - 8:30 am

Registration

Ghan Foyer

8:30 am - 10:40 am

Opening Ceremony and Plenary A

MacDonnel Room A and B

Chairperson: Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Chairperson: Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

8:30 am - 8:40 am

Welcome To Country

MacDonnel Room A and B

8:40 am - 9:00 am

Introduction to the Conference

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

9:00 am - 9:25 am

Opening Keynote Address: First Peoples of Australia and Viral Hepatitis - Our Story

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

9:25 am - 9:50 am

Keynote Address: Viral Hepatitis Among the World's Indigenous Peoples

MacDonnel Room A and B

Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

9:50 am - 10:15 am	Management of Chronic Hepatitis B and C in Indigenous Populations living in Remote Areas: The Alaska Native Hepatitis Program Experience MacDonnel Room A and B Dr Brian McMahon, Clinical and Research Director of the Liver Disease and Hepatitis Program, Alaska Native Tribal Health Consortium, USA	
10:15 am - 10:40 am	Viral Hepatitis in The First Nations Peoples of North America MacDonnel Room A and B Dr John Ward, Director of the Division of Viral Hepatitis , Centers for Disease Control and Prevention (CDC), USA	
10:40 am - 11:10 am	Morning Tea Ghan Foyer	
11:10 am - 12:30 pm	Plenary B MacDonnel Room A and B Chairperson: Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia Chairperson: Dr Brian McMahon, Clinical and Research Director of the Liver Disease and Hepatitis Program, Alaska Native Tribal Health Consortium, USA	
11:10 am - 11:30 am	Hepatitis B and D in Brazilian Amazon Region Indigenous Populations – Prevalence, Clinical and Molecular Aspects MacDonnel Room A and B Wornei Braga, Md/PhD. Medical Researcher, Tropical Medicine Foundation of Amazonas, Brazil	
11:30 am - 12:10 pm	Viral Hepatitis, Health and Perspective of Indigenous People of Brazil (with translation) MacDonnel Room A and B Ana Salestino (Nara), Technical Nurse, Indigenous Health Team, Australia	
12:10 pm - 12:30 pm	Strategies of the Brazilian Government to Reach the Indigenous People and Provide Diagnosis, Prevention and Care No location Marcelo Naveira, Project Manager at Fiotec and National Coordinator , Viral Hepatitis for the Ministry of Health Brazil	
12:30 pm - 1:30 pm	Lunch Ghan Foyer	
1:30 pm - 2:45 pm	Proffered Paper Session A: Hepatitis B - Epidemiology, Audit and Biology MacDonnel Room A and B Chairperson: Henrik Krarup, Head of Section of Molecular Diagnostics , Aalborg University Hospital, Denmark Chairperson: Donna AhChee	Proffered Paper Session B: Hepatitis C - Yarning & Living with Hepatitis C Ellery Room A and D Chairperson: Bonny Briggs, Aboriginal Health and Medical Research Council, Australia Chairperson: Jessica Leston, HIV/STD/Hepatitis Clinical Programs Manager, Northwest Portland Area Indian Health Board, USA
	1.30pm - 1.45pm The outcome of a Hepatitis B clinical audit at the Central Australian Aboriginal Congress Aboriginal Corporation MacDonnel Room A and B John Boffa, Chief Medical Officer Public Health , Central Australian Aboriginal Congress , Australia Warwick Beever, Sexual Health Program Coordinator , Central Australian Aboriginal Congress, Australia	1.30pm - 1.45pm Deadly Liver Mob Project~ Yarning up hepatitis C Ellery Room A and D Kerri-Anne Smith, Aboriginal Hep C Health Promotion officer, Australia David Webb, Aboriginal Sexual Health Promotion Officer, Nepean Blue Mountains local Health Districts, Australia
	1.45pm - 2.00pm The beachcomber trail of HBV-C subgenotypes along the route followed by the first wave of Homo sapiens out	1.45pm - 2.00pm Client experiences of undertaking HCV treatment through an Aboriginal Community Controlled Health

of Africa

MacDonnel Room A and B

Lilly Yuen, Senior Medical Scientist , Research and Molecular Development Department at the Victorian Infectious Diseases Reference Laboratory, Australia

2.00pm - 2.15pm Phylogeography of Hepatitis B Virus, sub-genotype C4 in Indigenous Australians.

MacDonnel Room A and B

Margaret Littlejohn, Molecular Virologist and Senior Medical Scientist , Molecular Research and Development laboratory at VIDRL, Australia

Service: Insights from a qualitative evaluation

Ellery Room A and D

Julie Mooney-Somers, Senior lecture, Centre for Values, Ethics and the Law in Medicine, University of Sydney, Australia
Belinda Hammond

2.00pm - 2.15pm Yarning about Hep C; Aboriginal Victorians telling our stories about living with Hep C

Ellery Room A and D

Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia
Andrew Bamblett, Australia

2:15 pm - 2:45 pm

Afternoon Tea

Ghan Foyer

2:45 pm - 3:30 pm

Plenary C

MacDonnel Room A and B

Chairperson: Prof. Stephen Locarnini, Victorian Infectious Diseases Reference Laboratory, CEVHAP, Australia

2:45 pm - 3:00 pm

“Only Your Blood Can Tell the True Story”: A New iPad-based Educational Resource on HBV

MacDonnel Room A and B

Dr Jane Davies, Clinical Fellow , Royal Darwin Hospital, Australia

Sarah Bukilatjpi, Aboriginal Health Worker, Ngalkanbuy clinic in East Arnhem Land, Australia

3:00 pm - 3:30 pm

Viral Hepatitis in the Circumpolar Region of Russia

MacDonnel Room A and B

Dr Vladimir Chulanov, Head of Reference Centre for Viral Hepatitis , Central Research Institute of Epidemiology, Reference Centre for Viral Hepatitis, Moscow, Russia

3:30 pm - 3:50 pm

Transition between rooms

No location

3:50 pm - 4:50 pm

Proffered Paper Session C: Hepatitis B - Surveillance, Education and Communities

MacDonnel Room A and B

Chairperson: Dr Vladimir Chulanov, Head of Reference Centre for Viral Hepatitis , Central Research Institute of Epidemiology, Reference Centre for Viral Hepatitis, Moscow, Russia

Chairperson: Tony Coburn, Queensland Aboriginal & Islander Health Council, Australia

Proffered Paper Session D: Hepatitis C - Assessment & Analysis

Ellery Room A and D

Chairperson: Jennifer MacLachlan, Epidemiologist, Victorian Infectious Diseases Reference Laboratory, Australia

Chairperson: Dr Brian McMahon, Clinical and Research Director of the Liver Disease and Hepatitis Program, Alaska Native Tribal Health Consortium, USA

3.50pm - 4.05pm Yarning about hep B: an awareness and educational program for Victorian Aboriginal communities

MacDonnel Room A and B

Garry Irving, Programs and Operations Manager , Hepatitis Victoria, Australia

Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia

3.50pm - 4.05pm Prevalence and incidence of chronic hepatitis C among indigenous people who inject drugs in Melbourne, Australia

Ellery Room A and D

Mark Stooze, Head of the HIV Research and Justice Health Research Programs, Burnet Institute in Melbourne, Australia

4.05pm - 4.20pm The establishment of a culturally sensitive**4.05pm - 4.20pm A descriptive analysis of routine HCV testing**

hepatitis B surveillance program in an semiurban indigenous community in Yarrabah Far North Queensland

MacDonnel Room A and B

Rhonda Lewis, GP, Hep b program in Yarrabah, Australia

Milton Mossman, Indigenous Sexual Health Worker, Gurriny

Yealamucka Health Service, Australia

Katrina Connolly, Sexual Health worker , Gurriny Yealamucka Health Service, Australia

4.20pm - 4.35pm A New Zealand Community-Based Model for Follow-up of People with Chronic Hepatitis B: Does it make a difference?

MacDonnel Room A and B

John Hornell, Chief Executive Officer, Hepatitis Foundation of New Zealand

4.35pm - 4.50pm “It really is in a pretty competitive space to get a profile”: Facilitators and barriers to providing hepatitis B clinical care to Aboriginal people in South Australia

MacDonnel Room A and B

Dr Anna Olsen, NHMRC post-doctoral fellow , Kirby Institute, UNSW, Australia

data from four Aboriginal Community Controlled Health services: testing, positivity, follow up and context of testing

Ellery Room A and D

Mary Ellen Harrod, Clinical Project Leader/Research Fellow , Kirby Institute, Australia

4.20pm - 4.35pm Assessing the knowledge, care and treatment of Aboriginal people living with hepatitis C in NSW

Ellery Room A and D

Loren Brener, Senior Research Fellow , Centre for Social Research in Health, UNSW, Australia

4.35pm - 4.50pm Assessing the Knowledge, Care and Treatment of Aboriginal People Living with Hepatitis C in New South Wales: Information, Stigma and Resilience

Ellery Room A and D

Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

4:50 pm - 5:00 pm

Transition between rooms

No location

5:00 pm - 5:30 pm

Plenary D

MacDonnel Room A and B

Chairperson: Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Chairperson: Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

5:00 pm - 5:25 pm

Introduction to Consensus Statement

MacDonnel Room A and B

Charles Gore, President, World Hepatitis Alliance, Geneva, Switzerland

5:00 pm - 5:25 pm

End of day one Remarks

MacDonnel Room A and B

5:30 pm - 5:30 pm

End of Conference

MacDonnel Room A and B

6:00 pm - 10:00 pm

Conference Dinner – Return Transfers Provided from Convention Centre to Desert Park

Desert Park

16/09/2014

7:30 am - 9:00 am

Registration

Ghan Foyer

9:00 am - 11:00 am

Plenary E

MacDonnel Room A and B

Chairperson: Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Chairperson: Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

9:00 am - 9:20 am

Introduction

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

9:20 am - 9:45 am

Spring Breakup: Indigenous Women in Canada and Hep C

MacDonnel Room A and B

Alexandra King, BC Women's Hospital and Health Clinic, Canada

9:45 am - 10:10 am

Alcohol Intake and Liver Biochemistry in Inuit with Frequent Hepatitis B Virus Infection: A Population-based Comparative Epidemiological Survey in Grenland and Denmark

MacDonnel Room A and B

Karstan Rex, Department of Internal Medicine, Queen Ingrid's Hospital, Greenland

10:10 am - 10:35 am

Increasing Primary Care Capacity for Hepatitis C Screening, Care and Treatment for American Indian/Alaska Native People

MacDonnel C

Jessica Leston, HIV/STD/Hepatitis Clinical Programs Manager, Northwest Portland Area Indian Health Board, USA

10:35 am - 11:00 am

Hepatitis among Indigenous People of Taiwan

MacDonnel Room A and B

Dr Hans Hsienhong Lin, Attending Physician, Department of Hepato-Gastroenterology, Taipei Tzu Chi Hospital, Taiwan

11:00 am - 11:30 am

Morning Tea

Ghan Foyer

11:30 am - 12:30 pm

Proffered Paper Session E: Hepatitis B - Vaccines and Therapy

MacDonnel Room A and B

Chairperson: Dr Dieter Glebe, Head, National Reference Centre for Hepatitis B and D Viruses, Institute of Medical Virology, Germany

Chairperson: Helen Tyrell, CEO, Hepatitis Australia

Proffered Paper Session F: Hepatitis C - Leadership, Support and Education

Ellery Room A and D

Chairperson: Brett Mooney

Chairperson: Alexandra King, BC Women's Hospital and Health Clinic, Canada

11.30am - 11.45am Use of Antiviral therapy in Pregnant Women with Hepatitis B in the Top End of the Northern Territory, Australia

MacDonnel Room A and B

Catherine Marshall, Infectious Diseases Physician, Royal Darwin Hospital, Australia

11.45am - 12.00pm Can the current Hepatitis B vaccine mark the end of the Australia antigen in the Northern Territory of Australia or is the Territory just different?

MacDonnel Room A and B

Dr Jane Davies, Clinical Fellow, Royal Darwin Hospital, Australia

12.00pm - 12.15pm Mapping the HBsAg phenotype to identify vaccine escape

MacDonnel Room A and B

Dr Renae Walsh, Senior Medical Scientist, VIDRL, Australia

12.15pm - 12.30pm Promoting Art and Story for Indigenous

11.30am - 11.45am The Connection's "Young, Strong & Smart" Leadership Program- Working Together as Peers to Educate on Viral Hepatitis within the Aboriginal Community.

Ellery Room A and D

Aimee Capper, Aboriginal Peer Support Worker, The Connection, Australia

11.45am - 12.00pm Aboriginal Hepatitis C Peer Education in Inner West Sydney

Ellery Room A and D

Damian House, Hepatitis Peer Educator/Aboriginal HEO, Sydney Local Health District, Australia

12.00pm - 12.15pm Resources to Support Hepatitis C Decision-Making in Canadian Aboriginal Populations

MacDonnel Room A and B

Sandi Mitchell

12.15pm - 12.30pm Living with Hepatitis C – is there hope?

Health

MacDonnel Room A and B
Nicky Guivarra

Ellery Room A and D

Leona Quewezance, Program Director, All Nations Hope Network,
Regina, Sask, Canada

12:30 pm - 2:00 pm

Lunch

Ghan Foyer

1:00 pm - 2:00 pm

Indigenous Caucus - Discussion and Confirmation of Consensus Statement

Ellery Room A and D

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

2:00 pm - 3:20 pm

Plenary F

MacDonnel Room A and B

Chairperson: Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

Chairperson: Marcelo Naveira, Project Manager at Fiotec and National Coordinator , Viral Hepatitis for the Ministry of Health Brazil

2:00 pm - 2:25 pm

Viral Hepatitis: Biogeography and Pathogenesis

MacDonnel Room A and B

Prof. Stephen Locarnini, Victorian Infectious Diseases Reference Laboratory, CEVHAP, Australia

2:25 pm - 2:55 pm

Hepatitis B Genotypes in Greenland and Denmark – Importance?

MacDonnel Room A and B

Henrik Krarup, Head of Section of Molecular Diagnostics , Aalborg University Hospital, Denmark

2:55 pm - 3:20 pm

Relevance of Hepatitis B Virus Genotypes in HBV/HIV Coinfected Patients from Sudan

MacDonnel Room A and B

Dr Dieter Glebe, Head, National Reference Centre for Hepatitis B and D Viruses, Institute of Medical Virology, Germany

3:20 pm - 3:45 pm

Afternoon Tea

Ghan Foyer

3:45 pm - 5:15 pm

Plenary G: Report Back on Consensus Statement and Closing Plenary

MacDonnel Room A and B

Chairperson: Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Chairperson: Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

3:45 pm - 4:15 pm

Epidemiology of Hepatitis in Peru and Loreto Region (with translation)

MacDonnel Room A and B

Dra. Gladys Ramirez Prada, Medical Epidemiologist, Member of Advisory Committee of ACLCH, Peru

4:15 pm - 4:45 pm

Tomasa's Journey and Kandozi-Shapra Peoples in their Struggle Against Hepatitis B: A Story of Love and Power from Peru

MacDonnel Room A and B

Pillar Collantes, Vice-President , Citizen's Association for the Struggle Against Hepatitis, Peru

4:45 pm - 5:00 pm

Report Back to the Conference on the Results of the Indigenous Forum

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

5:00 pm - 5:15 pm

Closing Address and Conference Handover

MacDonnel Room A and B

5:15 pm - 6:45 pm

End of Conference - Network Reception

Ghan Foyer

17/09/2014

10:30 am - 1:45 pm

Registration

Ghan Foyer

1:45 pm - 4:00 pm

Opening Ceremony Plenary

MacDonnel Room A and B

Chairperson: Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Chairperson: Dr Josh Davis, Diseases physician , John Hunter Hospital, Australia

Chairperson: Annie Madden, Executive Officer , Australian Injecting & Illicit Drug Users League (AIVL), Australia

1:50 pm - 1:55 pm

Welcome To Country

MacDonnel Room A and B

1:55 pm - 2:00 pm

Dignitary Presentation

MacDonnel Room A and B

2:00 pm - 2:05 pm

Dignitary Presentation

MacDonnel Room A and B

2:05 pm - 2:10 pm

Introduction by Representative of the 2014 Viral Hepatitis Conference Collaborating Organisations

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

2:10 pm - 2:20 pm

Auckland Statement - Report Card

MacDonnel Room A and B

Helen Tyrell, CEO, Hepatitis Australia

John Hornell, Chief Executive Officer, Hepatitis Foundation of New Zealand

2:20 pm - 2:30 pm

The importance of the principle of meaningful affected community engagement and the practical implications for a partnership approach

MacDonnel Room A and B

Annie Madden, Executive Officer , Australian Injecting & Illicit Drug Users League (AIVL), Australia

Yvonne Drazic, Australia

2:30 pm - 2:50 pm

Overview of the World Indigenous People's Conference on Viral Hepatitis and Consensus Statement

MacDonnel Room A and B

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Professor Chris Cunningham, Hepatitis Foundation of NZ, New Zealand

2:50 pm - 3:20 pm

From Data to Policy: Hepatitis B and Hepatitis C Prevention Policies in the United States

MacDonnel Room A and B

Dr John Ward, Director of the Division of Viral Hepatitis , Centers for Disease Control and Prevention (CDC), USA

3:20 pm - 3:40 pm

State of the Art – Interferon-free therapy for hepatitis C

MacDonnel Room A and B

Alex Thompson, Research Fellow , University of Melbourne (St Vincent's Hospital Melbourne), Australia

3:40 pm - 4:00 pm

Addressing Hepatitis B through Community Action

MacDonnel Room A and B

Alison Coelho, Manager of Multicultural Health and Support Service, Center for Culture, Ethnicity and Health, Melbourne, Australia

4:00 pm - 4:30 pm

Afternoon Tea

4:30 pm - 6:00 pm

Cross-Track Symposium -Viral Hepatitis and Substance Use

MacDonnel Room A and B

Chairperson: Dr Angella Duvnjak, Team Leader for the Hepatitis and other BBVs program , Australian Injecting and Illicit Drug Users League (AIVL), Australia

Chairperson: Professor Greg Dore, Head, Viral Hepatitis Clinical Research Program, Kirby Institute, UNSW, Australia

4.30pm - 4.45pm Treatment for Hepatitis C virus infection among people who inject drugs in the opioid substitution setting: The ETHOS Study

MacDonnel Room A and B

Michelle Micallef, Clinical Project Coordinator for the Healthy Liver Campaign , Kirby Institute, Australia

4.45pm - 5.00pm Evaluation of Two Community-Controlled Peer Support Programs for Assessment and Treatment of Hepatitis C Virus Infection in Opioid Substitution Treatment Clinics: The Ethos Study, Australia

MacDonnel Room A and B

Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

5.00pm - 5.15pm Liverlife: A Healthy Liver Campaign among People Who Inject Drugs in the Drug and Alcohol Setting

MacDonnel Room A and B

Michelle Micallef, Clinical Project Coordinator for the Healthy Liver Campaign , Kirby Institute, Australia

5.15pm - 5.30pm Liver Mates: Why must the affected community be supported to lead on the development and delivery of hepatitis C treatment and healthy liver interventions?

MacDonnel Room A and B

Nicky Bath, CEO, NSW South Wales Users and AIDS Association, Australia

Cross-Track Symposium - The challenges and possible solutions for addressing hepatitis B across key priority populations

Ellery Room A and D

Chairperson: Bob Batey

4.30pm - 4.50pm Epidemiology of chronic hepatitis B in key priority populations - similarities and differences

Ellery Room A and D

Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

4.50pm - 5.40pm Panel Session - Commonalities and differences between the issues faced by Aboriginal and Torres Strait Islander peoples and people from culturally and linguistically diverse backgrounds

Ellery Room A and D

Dr David Scrimgeour, Public Health Medical Officer, Aboriginal Health Council of SA, Australia

Professor Gracelyn Smallwood, James Cook University, Townsville, Australia

Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Jacqui Richmond, Research Fellow , Australian Research Centre in Sex, Health and Society, La Trobe University, Melbourne, Australia

Marina Suarez, Health Promotion Officer, Multicultural HIV and Hepatitis, Australia

Jack Wallace, Research Fellow, Australian Research Centre in Sex, Health and Society, Melbourne, Australia

Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

5.40pm - 6.00pm Recommendations for action for addressing chronic hepatitis B across key priority populations

Ellery Room A and D

Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

Dr David Scrimgeour, Public Health Medical Officer, Aboriginal Health

5.30pm - 6.00pm Panel Discussion

MacDonnel Room A and B

Dr Angella Duvnjak, Team Leader for the Hepatitis and other BBVs program , Australian Injecting and Illicit Drug Users League (AIVL), Australia

Professor Greg Dore, Head, Viral Hepatitis Clinical Research Program, Kirby Institute, UNSW, Australia

Michelle Micallef, Clinical Project Coordinator for the Healthy Liver Campaign , Kirby Institute, Australia

Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

Nicky Bath, CEO, NSW South Wales Users and AIDS Association, Australia

Conjoint Associate P Adrian Dunlop, University of Newcastle, Australia

Hope Everingham, Peer Support Worker , NSW Users and AIDS

Association (NUAA), Australia

Council of SA, Australia

Professor Gracelyn Smallwood, James Cook University, Townsville, Australia

Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Jacqui Richmond, Research Fellow, Australian Research Centre in Sex, Health and Society, La Trobe University, Melbourne, Australia

Marina Suarez, Health Promotion Officer, Multicultural HIV and Hepatitis, Australia

Jack Wallace, Research Fellow, Australian Research Centre in Sex, Health and Society, Melbourne, Australia

6:00 pm - 7:30 pm

Welcome Reception & Poster Viewing Evening, Transport will be provided back to hotels

MacDonnel C

18/09/2014

7:30 am - 8:30 am

Registration

Ghan Foyer

8:30 am - 9:30 am

Conference Plenary 2: Central issues in Global access for Hepatitis C treatment

MacDonnel Room A and B

Chairperson: Professor Greg Dore, Head, Viral Hepatitis Clinical Research Program, Kirby Institute, UNSW, Australia

Chairperson: Helen Tyrell, CEO, Hepatitis Australia

8:30 am - 9:00 am

Brave New World for Hepatitis C - How do we ensure resource limited countries aren't left behind

MacDonnel Room A and B

Professor Margaret Hellard, Head of the Centre for Population Health and Head of Hepatitis Services Infectious Diseases Unit, , Burnet Institute in Melbourne and The Alfred Hospital, Melbourne, Australia

9:00 am - 9:30 am

Advocating for access to HCV treatment: Community experiences from Asia

MacDonnel Room A and B

Giten Khwairakpam, Community and Policy Project Manager, amfAR's TREAT Asia program, Bangkok, Thailand

9:30 am - 10:20 am

Morning Tea in Exhibition and Poster Area

MacDonnel C

9:40 am - 10:10 am

Launch of Kirby and CSRH Stats

Ellery Room A and D

10:20 am - 11:50 am

Proffered Paper Session: Epi, PH & Prevention - Trends and Trajectories

Proffered Paper Session: Clinical Care - HBV
Ellery Room A and D

Proffered Paper Session: Community & Social Research - Preventing Viral Hepatitis

Proffered Paper Session: Community & Social Research - Engaging Community

HBV Reactivation: Playing with fire

MacDonnel Room A and B

Professor Maggie Bassendine, Clinician Scientist, Visiting Professor at Imperial College, London and Emeritus Professor at Newcastle University, UK

1:50 pm - 2:00 pm

Movement to Concurrent Sessions

No location

2:00 pm - 3:30 pm

Cross-Track Symposium -Human Rights, The Law and Discrimination

MacDonnel Room A and B

Chairperson: Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

Chairperson: Anna Roberts, Australasian Society for HIV Medicine, Australia

2.00pm - 2.10pm Introduction and overview: why are human rights, the law and discrimination important in viral hepatitis

MacDonnel Room A and B

Annie Madden, Executive Officer , Australian Injecting & Illicit Drug Users League (AIVL), Australia

2.10pm - 2.25pm Vignette 1 – Prevention of viral hepatitis within prisons

MacDonnel Room A and B

Dr Helen Watchirs, ACT Human Rights Commissioner, Australia

2.25pm - 2.40pm Vignette 2 – Australia's role in country of origin for hepatitis B

MacDonnel Room A and B

Nafisa Yussf, Community Development Officer, Centre for Culture, Ethnicity and Health Australia

2.40pm - 2.55pm Vignette 3 – Workplace discrimination

MacDonnel Room A and B

Bridget Akers

2.55pm - 3.10pm Vignette 4 – The future of hepatitis C treatment

MacDonnel Room A and B

Helen Tyrell, CEO, Hepatitis Australia

Cross-Track Symposium - Hepatitis and Liver Cancer

Ellery Room A and D

Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

Prof. Stephen Locarnini, Victorian Infectious Diseases Reference Laboratory, CEVHAP, Australia

2.00pm - 2.15pm How does hepatitis cause liver cancer?

Ellery Room A and D

Dr Nadia Warner, Virologist and Principal Investigator , Victorian Infectious Diseases Reference Laboratory, Australia

2.15pm - 2.30pm Novel diagnostics in viral hepatitis – how can they address the liver cancer burden?

Ellery Room A and D

Scott Bowden, Head of the Molecular Microbiology Laboratory, Australia, Victorian Infectious Diseases Reference Laboratory, Australia

2.30pm - 2.45pm Liver cancer in the Northern Territory – recent data and how it can guide diagnosis and management

Ellery Room A and D

Dr Josh Davis, Diseases physician , John Hunter Hospital, Australia

2.45pm - 3.00pm The National Liver Cancer Prevention Policy and future policy directions for Australian Cancer Councils

Ellery Room A and D

Monica Robotin, Chief Investigator of the B Positive program, Australia

3.00pm - 3.25pm Panel Discussion

Ellery Room A and D

Scott Bowden, Head of the Molecular Microbiology Laboratory, Australia, Victorian Infectious Diseases Reference Laboratory, Australia
Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia

3:10 pm - 3:30 pm

Panel Discussion

MacDonnel Room A and B

Annie Madden, Executive Officer , Australian Injecting & Illicit Drug Users League (AIVL), Australia

Dr Helen Watchirs, ACT Human Rights Commissioner, Australia

Nafisa Yussf, Community Development Officer, Centre for Culture, Ethnicity and Health Australia

Helen Tyrell, CEO, Hepatitis Australia

Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

Anna Roberts, Australasian Society for HIV Medicine, Australia

3:30 pm - 4:00 pm

Afternoon Tea in Exhibition & Poster Viewing Area

MacDonnel C

4:00 pm - 5:30 pm

Symposia Session 1: Epi, PH & Prevention - Cascade of Care (Access to care)

MacDonnel Room A and B

Mark Stooze, Head of the HIV Research and Justice Health Research Programs, Burnet Institute in Melbourne, Australia
Vanessa Towell, viral hepatitis program manager , National Policy and Education Division at ASHM, Australia

Symposia Session 2: Clinical Care - AHA Nursing Session

Ellery Room A and D

Chairperson: Eleanor Hooke, Clinical Nurse Consultant, Department of Health, Australia
Chairperson: Megan Phelps, Clinical Practice Consultant - Research – Hepatology, Royal Adelaide Hospital, Australia

Symposia Session 3: Community & Social Research - Connecting to Care Workshop

Ellery B

Chairperson: Helen Tyrell, CEO, Hepatitis Australia
Chairperson: Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

Symposia Session 4: Basic Science - HCV1 - Curing HCV: What will the virus try next?

Ellery C

Chairperson: Tanya Applegate, Molecular Virologist and Senior Lecturer , Kirby Institute at the University of New South Wales in Sydney, Australia
Chairperson: Scott Bowden, Head of the Molecular Microbiology Laboratory, Australia, Victorian Infectious Diseases Reference Laboratory, Australia

4.00pm - 4.20pm The cascade of care for people living with chronic hepatitis B: access to treatment and monitoring in Australia.

MacDonnel Room A and B

Dr Nicole Allard, General Practitioner , Joslin Clinic, Cohealth in West Footscray, Melbourne, Australia

4.00pm - 4.25pm Successes and challenges of delivering hepatitis C nursing care in the Top End

Ellery Room A and D

Rebecca Katiforis, Clinical Nurse Consultant, Royal Darwin Hospital's Viral Hepatitis Clinic

4.00pm - 4.05pm Chronic Hepatitis Primary Care Pathway

Ellery B

Judith Bevan, Senior Policy and Planning Officer, Sexual Health and Blood-borne Virus Program, Communicable Disease Control Directorate, Department of Health, Western Australia.

4.00pm - 4.15pm Genetic determinants of HCV treatment outcome

Ellery C

Alex Thompson, Research Fellow , University of Melbourne (St Vincent's Hospital Melbourne), Australia

Dr Josh Davis, Diseases physician , John Hunter Hospital, Australia
Prof. Stephen Locarnini, Victorian Infectious Diseases Reference Laboratory, CEVHAP, Australia

Dr Nadia Warner, Virologist and Principal Investigator , Victorian Infectious Diseases Reference Laboratory, Australia

3.25pm - 3.30pm Launch - Liver cancer resource for people affected by primary liver cancer in four languages

Ellery Room A and D

Monica Robotin, Chief Investigator of the B Positive program, Australia

<p>4.20pm - 4.40pm The HCV Care Cascade: Mapping the HCV clinical care pathway in Australia MacDonnel Room A and B Jason Grebely, Epidemiologist and Senior Lecturer in the Viral Hepatitis , Kirby Institute, UNSW, Australia</p>	<p>4.25pm - 4.50pm From Treatment to Peer Worker MacDonnel Room A and B Frances Tenison, CNC, A W Morrow Gastro and Liver Centre Damian House, Hepatitis Peer Educator/Aboriginal HEO , Sydney Local Health District, Australia</p>	<p>4.05pm - 4.10pm Livermates Ellery B Nicky Bath, CEO, NSW South Wales Users and AIDS Association, Australia</p>	<p>4.15pm - 4.30pm QUAC: Q80K mUtation prevalence in an Australian hepatitis C population. Ellery C Dr Adrian Teck Leng Ong, Staff Specialist at Blacktown Hospital and PhD candidate at the Storr Liver Centre, Westmead Millennium Institute, Australia</p>
<p>4.40pm - 4.50pm Cascade of care for Aboriginal and Torres Strait Islander people MacDonnel Room A and B Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia</p>		<p>4.10pm - 4.15pm B Positive Program Ellery B Monica Robotin, Chief Investigator of the B Positive program, Australia</p>	<p>4.30pm - 4.45pm Hepatitis C virus can accumulate mutations that confer resistance to a novel broadly neutralizing antibody MAb24 Ellery C Jun Gu, PhD student in the Viral Fusion Laboratory , Burnet Institute, Australia</p>
<p>4.50pm - 5.00pm Cultural lenses – Pathways to care from prevention to treatment MacDonnel Room A and B Enaam Oudih, Manager, PEACE Multicultural Services, Relationships Australia</p>	<p>4.50pm - 5.05pm Hepatology Nursing in the Era of Expanding Hepatitis C Evidence Ellery Room A and D Jacqui Richmond, Research Fellow, Australian Research Centre in Sex, Health and Society, La Trobe University, Melbourne, Australia</p>	<p>4.15pm - 4.20pm Indigenous hepatitis B App Ellery B Dr Josh Davis, Diseases physician , John Hunter Hopsital, Australia Dr Jane Davies, Clinical Fellow , Royal Darwin Hospital, Australia</p>	<p>4.45pm - 5.00pm Preclinical development of a prophylactic vaccine for Hepatitis C virus using a novel E2 core domain. Ellery C Heidi Drummer, Co-Head of the Viral Fusion Laboratory, Burnet Institute, Melbourne, Australia</p>
<p>5.00pm - 5.10pm A trickle not a cascade - caring for people who inject drugs MacDonnel Room A and B Jude Byrne, Senior Project Worker, Australian Injecting & Illicit Drug, ACT, Australia</p>	<p>5.05pm - 5.30pm Hepatitis C in SA from Tertiary to Primary Care Ellery Room A and D Rosalie Altus, Clinical Practice Consultant Viral Hepatitis Liaison Nurse, Australia</p>	<p>4.20pm - 4.40pm Breakout 1 - Hep B Ellery B</p>	<p>5.00pm - 5.15pm Naturally occurring dominant drug resistance mutations occur infrequently in the setting of recently acquired hepatitis C Ellery C Associate Professor Silvana Gaudieri, Leads Research Teams , School of Anatomy, Physiology and Human Biology , The University of Western Australia and Institute for Immunology and Infectious Diseases, Murdoch University, Australia</p>

5:00 pm - 5:15 pm

5.10pm - 5.30pm Panel**Discussion**

MacDonnel Room A and B

Jude Byrne, Senior Project Worker,
Australian Injecting & Illicit Drug,
ACT, Australia

Jason Grebely, Epidemiologist and
Senior Lecturer in the Viral
Hepatitis , Kirby Institute, UNSW,
Australia

Enaam Oudih, Manager, PEACE
Multicultural Services,
Relationships Australia

Mark Stooze, Head of the HIV
Research and Justice Health

Research Programs, Burnet
Institute in Melbourne, Australia

Vanessa Towell, viral hepatitis
program manager , National Policy
and Education Division at ASHM,
Australia

Associate Professor James Ward,
Deputy Program Head, Baker IDI,
Australia

Dr Nadia Warner, Virologist and
Principal Investigator , Victorian
Infectious Diseases Reference
Laboratory, Australia

**4.40pm - 5.00pm Breakout 2 -
Hep C**

Ellery B

5.00pm - 5.30pm Discussion

Ellery B

**5.15pm - 5.30pm Cytolytic DNA
vaccines enhance immunity to
hepatitis C virus.**

Ellery C

Eric Gowans, NHMRC Senior
Research Fellow, Australia

5:30 pm - 5:45 pm

Transfers to Conference Dinner, The Quarry

Outside Ghan Foyer

6:00 pm - 10:00 pm

Conference Dinner, The Quarry

Outback Quarry

19/09/2014

6:30 am

Registration

Ghan Foyer

7:00 am - 8:50 am

Satellite Session - ALA Symposium sponsored by BMS

MacDonnel C

Chairperson: Associate Professor Amany Zekry, St George's Hospital Sydney, Australia

7:00 am - 7:20 am

Breakfast Served

MacDonnel C

7:20 am - 7:30 am

Welcome and Introductions

MacDonnel C
Associate Professor Amany Zekry, St George's Hospital Sydney, Australia

7:30 am - 7:50 am
Stratifying risk of liver diseases progression in HCV cirrhosis
MacDonnel C
Associate Professor Amany Zekry, St George's Hospital Sydney, Australia

7:50 am - 8:10 am
HCC burden- ongoing screening in cirrhotics who clear the virus
MacDonnel C
Associate Professor Simone Strasser, Royal Prince Alfred Hospital, Sydney, Australia

8:10 am - 8:30 am
The impact of DAA on the burden of HCV related liver cirrhosis
MacDonnel C
Stuart Roberts

8:30 am - 8:45 am
Panel Discussion
MacDonnel C
Associate Professor Amany Zekry, St George's Hospital Sydney, Australia
Associate Professor Simone Strasser, Royal Prince Alfred Hospital, Sydney, Australia
Stuart Roberts

8:45 am - 8:50 am
Closing remarks and thanks
MacDonnel C
Associate Professor Amany Zekry, St George's Hospital Sydney, Australia

8:50 am - 9:00 am
Movement to next concurrent sessions
No location

<p>9:00 am - 10:30 am Symposia Session: Clinical Care - New challenges in the management of hepatitis C in the DAA era MacDonnel Room A and B Chairperson: Dr Josh Davis, Diseases physician , John Hunter Hospital, Australia Chairperson: Associate Professor Amany Zekry, St George's Hospital Sydney, Australia</p>	<p>Symposia Session : Epi, PH & Prevention - Approaches to hepatitis B and hepatitis C prevention in rural & regional settings Ellery Room A and D Chairperson: Lisa Maher Chairperson: Mark Stooze, Head of the HIV Research and Justice Health Research Programs, Burnet Institute in Melbourne, Australia</p>	<p>Symposia Session: Community & Social Research - Working with CALD communities in Viral Hepatitis Ellery B Chairperson: Zhihong Gu, Ethnic Communities Council of Queensland, Australia Chairperson: Alison Coelho, Manager of Multicultural Health and Support Service, Center for Culture, Ethnicity and Health, Melbourne, Australia</p>	<p>Symposia Session: Basic Science - HBV 1: Chronic HBV infection: factors influencing disease progression Ellery C Chairperson: Peter Revill, Senior Medical Scientist, Victorian Infectious Diseases Reference Laboratory, Australia Chairperson: Eric Gowans, NHMRC Senior Research Fellow, Australia</p>
--	---	--	---

Newcastle University, UK

William Mude, PhD candidate ,
Australian Research Centre in Sex,
Health and Society at La Trobe
University, Australia

Honorary Senior Fellow, Faculty of
Medicine, Dentistry and Health
Sciences University of Melbourne.,
Walter and Eliza Hall Institute,
Australia

**9.10am - 9.20am Providing OST
in rural/regional settings – what
are the opportunities to
enhance viral hepatitis
prevention and care**

MacDonnel Room A and B
Conjoint Associate P Adrian
Dunlop, University of Newcastle,
Australia

**9.15am - 9.30am No vaccination
against discrimination: Chinese
Viral Hepatitis Needs
Assessment.**

Ellery B
Jack Wallace, Research Fellow,
Australian Research Centre in Sex,
Health and Society, Melbourne,
Australia

**9.30am - 10.00am Treating
hepatitis C patients with
advanced liver disease and post
liver transplantation in the DAA
era**

MacDonnel Room A and B
Associate Professor Simone
Strasser, Royal Prince Alfred
Hospital, Sydney, Australia

**9.20am - 9.35am Integrated viral
hepatitis primary care models in
rural and regional settings –
Insights from the Kirketon Road
Centre**

Ellery Room A and D
Symposia Speaker: Dr Phillip Read,
Sexual Health Physician, Staff
Specialist and Manager , Kirketon
Road Centre, Australia

**9.30am - 9.45am Tradition and
Innovation Working Hand in
Hand: Engaging Communities
Affected by Chronic Hepatitis B**

Ellery B
Marina Suarez, Health Promotion
Officer, Multicultural HIV and
Hepatitis, Australia

**9.30am - 10.00am Novel
therapeutic that kills HBV
infected cells**

Ellery C
Dr Marc Pellegrini, Laboratory
Head, Infection and Immunity
Division, Walter and Eliza Hall
Institute of Medical Research and
Honorary Senior Fellow, Faculty of
Medicine, Dentistry and Health
Sciences University of Melbourne.,
Walter and Eliza Hall Institute,
Australia

**9.35am - 9.50am BBV prevention
in Aboriginal communities: the
perspectives of Aboriginal
PWID from the RISE Project**

Ellery Room A and D
Nicky Bath, CEO, NSW South
Wales Users and AIDS Association,
Australia

**9.45am - 10.00am Know Your
Hepatitis B Status (with African
communities)**

Ellery B
Sharna Ciotti

**10.00am - 10.30am Expanding
access to hepatitis C treatment
through primary care:
challenges and opportunities**

MacDonnel Room A and B
Professor Greg Dore, Head, Viral
Hepatitis Clinical Research
Program, Kirby Institute, UNSW,
Australia

**9.50am - 10.05am Promoting or
preventing harm?: integrating
viral hepatitis prevention in
Aboriginal Community
Controlled Health Organisation
services**

Ellery Room A and D
Peter Waples-Crowe, Victorian
Aboriginal Community Controlled
Health Organisation, Australia

**10.00am - 10.15am Chronic
Hepatitis B Education in the
North Queensland Hmong
Community: Positive Change
through Process and
Perseverance**

Ellery B
Yvonne Drazic, Australia

**10.00am - 10.15am Spliced HBV
genomes and truncated surface
proteins are associated with
ground glass hepatocytes, the
neoplastic precursors to HBV
associated hepatocellular
carcinoma**

Ellery C
Dr Nadia Warner, Virologist and
Principal Investigator , Victorian
Infectious Diseases Reference

	10.05am - 10.30am Facilitated panel discussion with presenters Ellery Room A and D Conjoint Associate P Adrian Dunlop, University of Newcastle, Australia Dr Jenny Iversen, Lecturer, Kirby Institute, Australia Lisa Maher Dr Phillip Read, Sexual Health Physician, Staff Specialist and Manager , Kirketon Road Centre, Australia Mark Stoove, Head of the HIV Research and Justice Health Research Programs, Burnet Institute in Melbourne, Australia Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia	10.15am - 10.30am Discussion Ellery B	Laboratory, Australia 10.15am - 10.30am Prevalence and Molecular Virology of Hepatitis Delta Virus in the Western Pacific Region Ellery C Margaret Littlejohn, Molecular Virologist and Senior Medical Scientist , Molecular Research and Development laboratory at VIDRL, Australia	
10:30 am - 11:00 am	Morning Tea in Exhibition and Poster Area MacDonnel C			
11:00 am - 12:30 pm	Proffered Paper Session: Epi, PH & Prevention - Prevention and Care programs MacDonnel Room A and B Chairperson: Tracey Hutt Chairperson: Annie Balcomb	Proffered Paper Session: Clinical Care - HCV Ellery Room A and D Chairperson: Dr Jane Davies, Clinical Fellow , Royal Darwin Hospital, Australia Chairperson: Sushena Krishnaswamy, Alice Springs Hospital, Australia	Proffered Paper Session: Community & Social Research - Living with Viral Hepatitis Ellery B Chairperson: Annie Madden, Executive Officer , Australian Injecting & Illicit Drug Users League (AIVL), Australia Chairperson: Jake Rance, Research Associate, Centre for Social Research, Australia	Proffered Paper Session: Basic Science -HBV 2: The HBV journey: Virus entry to viral variants Ellery C Chairperson: Heidi Drummer, Co-Head of the Viral Fusion Laboratory, Burnet Institute, Melbourne, Australia Chairperson: Professor Margaret Hellard, Head of the Centre for Population Health and Head of Hepatitis Services Infectious Diseases Unit, , Burnet Institute in Melbourne and The Alfred Hospital, Melbourne, Australia
	11.00am - 11.15am Trends of hepatitis B surface antigen	11.00am - 11.15am Factors Associated with Hepatitis C	11.00am - 11.15am Psychosocial Health among People with	11.00am - 11.30am Bile acids and hepatitis B virus compete

<p>carriage in central Nepal: a reality check from a mass screening after nationwide HBV vaccination</p> <p>MacDonnel Room A and B</p> <p>Dhruba Acharya, Lecturer/Immunologist, Kathmandu University School of Medical School, Nepal</p>	<p>Virus Rna Levels in Early Acute and Early Chronic Infection: The Inc3 Study</p> <p>Ellery Room A and D</p> <p>Behzad Hajarizadeh, PhD student, The Kirby institute, Australia</p>	<p>Chronic Hepatitis B in Australia</p> <p>Ellery B</p> <p>Jacqui Richmond, Research Fellow, Australian Research Centre in Sex, Health and Society, La Trobe University, Melbourne, Australia</p>	<p>for the Na⁺-dependent taurocholate cotransporting polypeptide (NTCP)</p> <p>Ellery C</p> <p>Dr Dieter Glebe, Head, National Reference Centre for Hepatitis B and D Viruses, Institute of Medical Virology, Germany</p>

<p>11.30am - 11.45am Evaluation of New South Wales Hepatitis B Prescriber Program – Challenges and Succeses</p> <p>MacDonnel Room A and B</p> <p>Vanessa Towell, viral hepatitis program manager , National Policy and Education Division at ASHM, Australia</p>	<p>11.30am - 11.45am Regression of advanced fibrosis following virological response to anti-HCV therapy</p> <p>Ellery Room A and D</p> <p>Marianne Martinello, Viral Hepatitis Fellow , St Vincent's Hospital, Sydney, Australia</p>	<p>11.30am - 11.45am Hepatitis C and Ageing: Perspectives from the Clinical, Comuunity and Government Sectors</p> <p>Ellery B</p> <p>Jacqui Richmond, Research Fellow , Australian Research Centre in Sex, Health and Society, La Trobe University, Melbourne, Australia</p>	<p>11.30am - 11.45am The role of genotype in HBV replication and natural history.</p> <p>Ellery C</p> <p>Peter Revill, Senior Medical Scientist, Victorian Infectious Diseases Reference Laboratory, Australia</p>
<p>11.45am - 12.00pm Characteristics of chronic hepatitis B infection in SW Sydney: clinical correlates and policy implications</p> <p>MacDonnel Room A and B</p> <p>Monica Robotin, Chief Investigator of the B Positive program, Australia</p>	<p>11.45am - 12.00pm Efficacy and Safety of Daclatasvir in Combination with Asunaprevir (Dcv+Asv) in Cirrhotic and Non-Cirrhotic Patients with Hcv Genotype 1b: Results of the Hallmark Dual Study</p> <p>Ellery Room A and D</p> <p>Stuart Roberts</p>	<p>11.45am - 12.00pm Yarning about Hep C; Aboriginal Victorians telling our stories about living with Hep C</p> <p>Ellery B</p> <p>Andrew Bamblett</p> <p>Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia</p>	<p>11.45am - 12.00pm Hepatitis B Virus in African immigrants living in Australia.</p> <p>Ellery C</p> <p>Rosalind Edwards, Medical Scientist , Victorian Infectious Diseases Reference Laboratory in Melbourne, Australia</p>
<p>12.00pm - 12.15pm Champions and challenges in Australia's response to Blood Borne Viruses</p>	<p>12.00pm - 12.15pm Treating hepatitis C: Does gender matter?</p> <p>Ellery Room A and D</p>	<p>12.00pm - 12.15pm Your Mob, My Mob, Our Mob (YMMMOM) Peer Education Project</p> <p>Ellery B</p>	<p>12.00pm - 12.15pm Directly Cytopathic Drug Resistant HBV Strains</p> <p>Ellery C</p>

MacDonnel Room A and B Kevin Marriott, Policy and Advocacy Officer, Australia	Anna Olsen, NHMRC post-doctoral fellow , Kirby Institute, UNSW, Australia	Kerry Walker, Aboriginal Project Officer - Education and Development , Hepatitis NSW	Danni Colledge
12.15pm - 12.30pm - Discussion MacDonnel Room A and B	12.15pm - 12.30pm - Discussion Ellery Room A and D	12.15pm - 12.30pm - Discussion Ellery B	12.15pm - 12.30pm Use of Biomarkers to Monitor HBV Therapy Ellery C Scott Bowden, Head of the Molecular Microbiology Laboratory, Australia, Victorian Infectious Diseases Reference Laboratory, Australia

12:30 pm - 1:30 pm

Lunch in Exhibition and Poster Area
MacDonnel C

1:30 pm - 3:00 pm

Proffered Paper Session: Epi, PH & Prevention - Priority Populations MacDonnel Room A and B Chairperson: Dr Benjamin Cowie, Epidemiologist and Physician, Epidemiology Unit VIDRL, Doherty Institute, Melbourne, Australia Chairperson: Steven Tong	Proffered Paper Session: Clinical Care - Non-tertiary sites and models of care for HCV Ellery Room A and D Chairperson: Suresh Sharma, Clinical Nurse Consultant- Liver Clinic, Royal Darwin Hospital- Top End Health Service, Australia Chairperson: Stuart Roberts	Proffered Paper Session: Community & Social Research - Facilitating access to treatment Ellery B Chairperson: Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia Chairperson: Jack Wallace, Research Fellow, Australian Research Centre in Sex, Health and Society, Melbourne, Australia	Proffered Paper Session: Basic Science - HCV 2 : Molecular and social networks: informing HCV treatment Ellery C Chairperson: Associate Professor Silvana Gaudieri, Leads Research Teams , School of Anatomy, Physiology and Human Biology , The University of Western Australia and Institute for Immunology and Infectious Diseases, Murdoch University, Australia Chairperson: Mark Douglas, Senior Lecturer, University of Sydney, Australia
1.30pm - 1.45pm Hepatitis B Knowledge among People with Chronic Hepatitis B in Australia MacDonnel Room A and B Behzad Hajarizadeh, PhD student, The Kirby institute, Australia	1.30pm - 1.45pm Trends in Health Services Utilization Attributable to Hepatocellular Carcinoma: A Population-Based Cohort Study Ellery Room A and D Hla-Hla (Rosie) Thein, Canada	1.30pm - 1.45pm Psychosocial Factors Influencing Successful Interferon-Based Hepatitis C Treatment Outcomes Ellery B Victoria Sublette, PhD candidate , University of Sydney, Australia	1.30pm - 2.00pm Hepatitis C treatment as prevention in people who inject drugs – what is the role of the injecting network? Ellery C Professor Margaret Hellard, Head of the Centre for Population Health and Head of Hepatitis Services Infectious Diseases Unit, , Burnet Institute in Melbourne and The Alfred Hospital, Melbourne,

1.45pm - 1.53pm Automatic Dispensing Machines: No Evidence of a Honey-Pot Effect MacDonnel Room A and B Bethany White, Associate Lecturer, Sydney Medical School's Discipline of Addiction Medicine, University of Sydney, Australia	1.45pm - 2.00pm Pilot for a community-based assessment and support programme for hepatitis C in New Zealand Ellery Room A and D John Hornell, Chief Executive Officer, Hepatitis Foundation of New Zealand	1.45pm - 2.00pm Fibroscan Testing as a Community Engagement Strategy Ellery B Erin Devine, HIV and Related Programs Health Promotion Officer , Sydney Local Health District, Australia	Australia
1.53pm - 2.01pm Increasing the Victorian ACCHO response to injecting drugs and hepatitis c prevention MacDonnel Room A and B Peter Waples-Crowe, Victorian Aboriginal Community Controlled Health Organisation, Australia	2.00pm - 2.15pm No prejudice! Being a prisoner, indigenous or having a psychiatric illness should not limit access to treatment for chronic hepatitis c infection. Ellery Room A and D James Elliott, Final Year Medical Student , University of Queensland, Australia	2.00pm - 2.15pm Evaluation of "The hepatitis B story" – an educational resource to use in discussion with people who have low health literacy Ellery B Gabrielle Bennett, Victorian Viral Hepatitis Educator, St Vincent's Hospital, Australia	
2.01pm - 2.09pm The impact of overseas hepatitis B vaccination programs on the future burden of hepatitis B in Australia MacDonnel Room A and B Zoe Stephens, Undergraduate Student, RMIT University, Australia		2.15pm - 2.30pm Looking Beyond the Bars – The first hepatitis C treatment program in Qld for women in custody Ellery B Jodie Walton, Educator, Hepatitis Queensland, Australia	2.00pm - 2.15pm Phylogenetic clustering of Hepatitis C among street-involved youth in Vancouver, Canada Ellery C Evan Cunningham, PhD Student , University of New South Wales, Australia
2.09pm - 2.24pm Incident hepatitis B infection and immunisation uptake in Australian prison inmates MacDonnel Room A and B Luke McCredie, Research Nurse, Justice Health NSW, Australia	2.15pm - 2.30pm What makes a community-based HCV treatment program acceptable to clients? Insights from health care providers and clients Ellery Room A and D Julie Mooney-Somers	2.30pm - 2.45pm Discussion Ellery B	2.15pm - 2.30pm Molecular epidemiology of hepatitis C virus infections among people who inject drugs in Vancouver, Canada Ellery C Brendan Jacka, PhD candidate , Kirby Institute, UNSW, Australia
2.24pm - 2.39pm Can Primary Health Care Identify the Diverse Population Living with Chronic Hepatitis B? MacDonnel Room A and B Professor Margaret Hellard, Head of the Centre for Population Health and Head of Hepatitis Services Infectious Diseases Unit, , Burnet	2.30pm - 2.45pm Treating Hepatitis C in Primary Care: Results from a Pilot Program Ellery Room A and D David Baker, Senior Lecturer , University of Notre Dame, Australia		2.30pm - 2.45pm Factors associated with phylogenetic clustering of acute hepatitis C virus infection in Australia Ellery C Tanya Applegate, Molecular Virologist and Senior Lecturer , Kirby Institute at the University of New South Wales in Sydney,

Institute in Melbourne and The
Alfred Hospital, Melbourne,
Australia

Australia

2.39pm - 3.00pm Discussion
MacDonnel Room A and B

2.45pm - 3.00pm Discussion
Ellery Room A and D

**2.45pm - 3.00pm Patterns of
Hepatitis C Virus RNA Levels
during Acute Infection: The InC3
Study**
Ellery C
Behzad Hajarizadeh, PhD student,
The Kirby institute, Australia

3:00 pm - 3:30 pm

Afternoon Tea in Exhibition and Poster Area

MacDonnel C

3:30 pm - 5:00 pm

Closing Plenary 4 - Eradication of hepatitis debates

MacDonnel Room A and B

Chairperson: Scott Bowden, Head of the Molecular Microbiology Laboratory, Australia, Victorian Infectious Diseases Reference Laboratory, Australia

Chairperson: Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

3:30pm - 4:10 pm

Debate - Hepatitis C vaccine development is still required in the era of vastly improved treatment

MacDonnel Room A and B

Professor Carla Treloar, Deputy Director and Head of the Hepatitis Research Group, Centre for Social Research at UNSW, Australia

Dr John Ward, Director of the Division of Viral Hepatitis, Centers for Disease Control and Prevention (CDC), USA

Helen Tyrell, CEO, Hepatitis Australia

Professor Kimberly Page, University of New Mexico Health Sciences Center, USA

Associate Professor James Ward, Deputy Program Head, Baker IDI, Australia

Charles Henderson, NZ Needle Exchange Program, New Zealand

Professor Greg Dore, Head, Viral Hepatitis Clinical Research Program, Kirby Institute, UNSW, Australia

4:10 pm - 4:50 pm

Debate - Despite the availability of effective treatments and vaccination for hepatitis B, we should prioritise funding for research to find a cure
