EXCHANGE

WHY PAIES ?

Protocol on Pre-Arrival Information Exchange System signed by State Customs Service of Ukraine and Customs Service of Moldova in Brussels on 21 November 2006

built upon the norms, standards and recommendations of the United Nations, World Customs Organization and world practice on information exchange

to create conditions for gradual implementation of the WCO SAFE Framework Standards to Secure and Facilitate Global Trade

aims at ensuring customs cooperation, economic interests protection, supporting and facilitating trade of both countries.

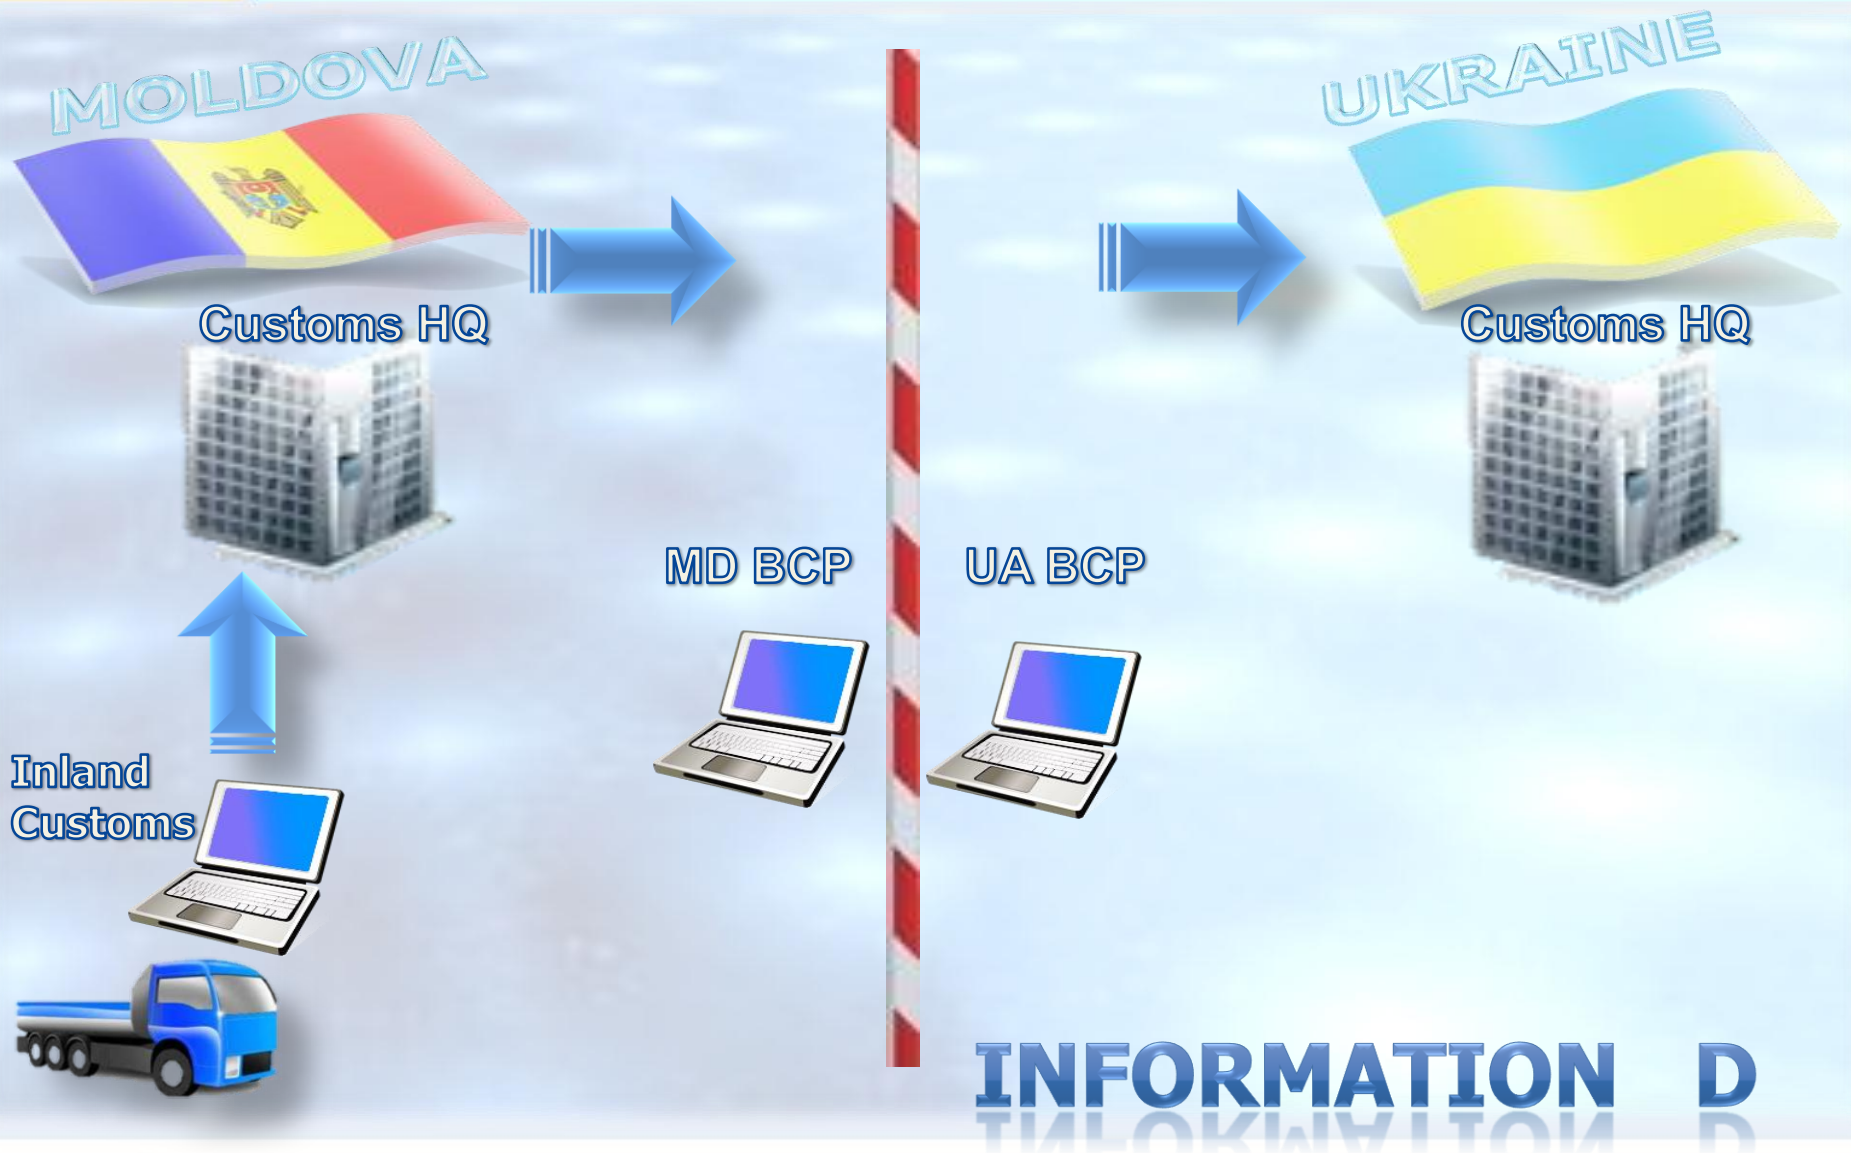

HOW HAS PAIES DEVELOPED?

CONFIRMATION A

WHAT ARE THE BENEFITS OF PAIES?

■ discrepancies in weight or values

■ number of exchanged customs declarations

WHAT WE LEARNT?

A team of dedicated and enthusiastic experts is needed

All technical requirements should be addressed

Explicit regulations and training for customs staff are required

Continuous two-way communication of system users boosts operative efficiency

Borders divide

Customs connects

EUBAM facilitates!
