

Dan Maloney

Dan is CEO and Co-founder of Tailwind (<http://tailwindapp.com>) (formerly PinLeague).

Tailwind is the industry standard Pinterest marketing and analytics platform, helping over 3,000 leadings of brands and agencies attract and engage fans. They offer the leading free Pinterest analytics tool and nifty marketing tools focused on reaching a highly-targeted audience.

Previously, Dan incubated some seriously cool products as head of the New Initiatives team at YouTube and Google Maps/Local, served as GM of AOL's Video business as they rebuilt it from #13 to #2 in US online video, and built a couple other awesome startups.

He is an alum of the University of Pennsylvania's Jerome Fisher Program for Management & Technology, with degrees from Wharton and the School of Engineering and Applied Sciences.
