LEARNER NOTIFICATION

Gait & Clinical Movement Analysis Society
2018 Annual Conference
May 22-25, 2018
Indianapolis, IN

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Gait & Clinical Movement Analysis Society (GCMAS). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco LLC designates this live activity for a maximum of 10.5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

California Physical Therapy Board

This course is approved for 10.5 CE hours. Approval number CERS #18-30482-1.

Texas Physical Therapy Board

This conference has been submitted to the board for review.

Objectives - After attending this program you should be able to:

1. Explain the effects of two surgical treatments on the gait of children with cerebral palsy
2. Describe methods of treatment for spinal cord and brain injury that would improve gait biomechanics
3. Describe applications of gait analysis of pathological foot/ankle motion for three movement disorders
4. Describe and discuss at least 2 methods for assessment of sports injuries
5. Describe and analyze current research on techniques and applications for balance assessment

Accreditation Statement
