Our website and iOS apps use best-in-class technology for intuitive browsing and bidding. Nonprofits receive dedicated landing pages to showcase their auction lots and mission.

High-Value Bidder Network

Tap into the largest community of affluent, socially conscious bidders on the planet. Our bidders represent the top 1% of households worldwide.

Maximum Value for Every Item

Expose your auction to fans and philanthropists globally to boost bidding. The average lot sells for \$2,500 at Charitybuzz.

Raise \$50,000+ Every Year

From small schools to international NGOs, nonprofits of all types trust us to deliver results. The average organization raises \$50,000+ with us every year.

What Our Clients Say

Charitybuzz has enabled the RFK Center to find new money from new donors, a rare feat in today's challenging nonprofit marketplace.
John Zurick, RFK Center for Justice & Human Rights

Charitybuzz has been terrific in helping us raise money for our capital campaign from outside our parent community. We've run 30 or more auctions [lots] through the site and raised close to \$100,000!
Jeremy Liew, Presidio Knolls School

Charitybuzz has taken our silent auction to a much higher level! Rather than huddling over clipboards at an event, they reach an international bidding base and have helped us raise at least five times as much money for our donations.
Holly Carter, BYkids
