

13th Annual Energy/Facilities Connections Conference

AGENDA PREVIEW

Date: May 2-4, 2017

Location: Enzian Inn, Leavenworth, WA

Register Online at www.energy.wsu.edu/efc

The EFC planning team is dedicated to bringing you the most polished and topic-relevant training possible. To accomplish this, our policy is to work closely with the selected speakers all the way up to the week of the event. For this reason, the agenda is subject to evolve as we massage and rework it to best meet attendee needs. That being said, we understand the challenge of making your business case to attend training conferences to decision makers. This agenda preview is one tool to help you in that effort. We would also like to invite you to have them read the *Making Your Case to Attend* page on the conference website (www.energy.wsu.edu/efc). For questions or feedback on any of the topics listed, please contact us at 360-956-2057 or e-mail plantops@energy.wsu.edu.
