# **‘Australia’s digital future for business’**

**Friday 17 July 2015**

**Mark Jackson| Deputy Registrar**

**Australian Business Register | AUSkey | Standard Business Reporting**

**It's all about improving  
business productivity and  
efficiency**

**Working digitally will produce  
productivity gains for everyone**

**All governments see a move to  
the digital world as a key way of  
achieving these outcomes**

**So how does  
government help  
move the economy  
towards digital?**

# What we need

# **Government has developed:**

**1. ABN**

**2. AUSkey**

**3. SBR**

**4. ARD**

**Here's how it works .....**

# **Video – How SBR works**

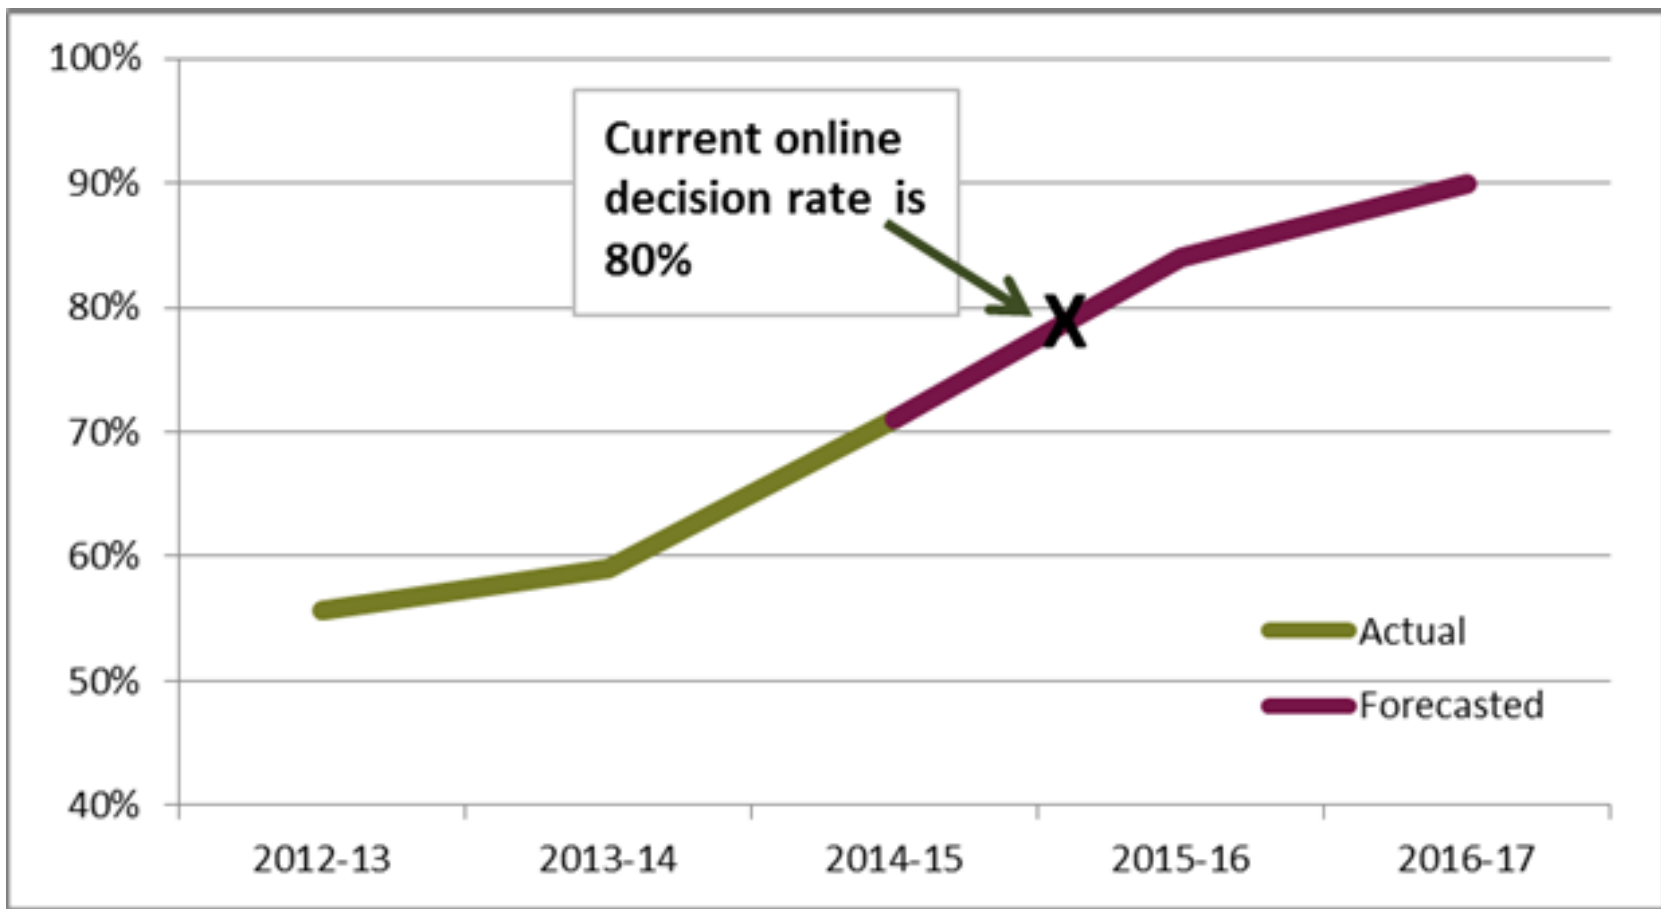

# **What needs to happen?**

# We need everyone playing

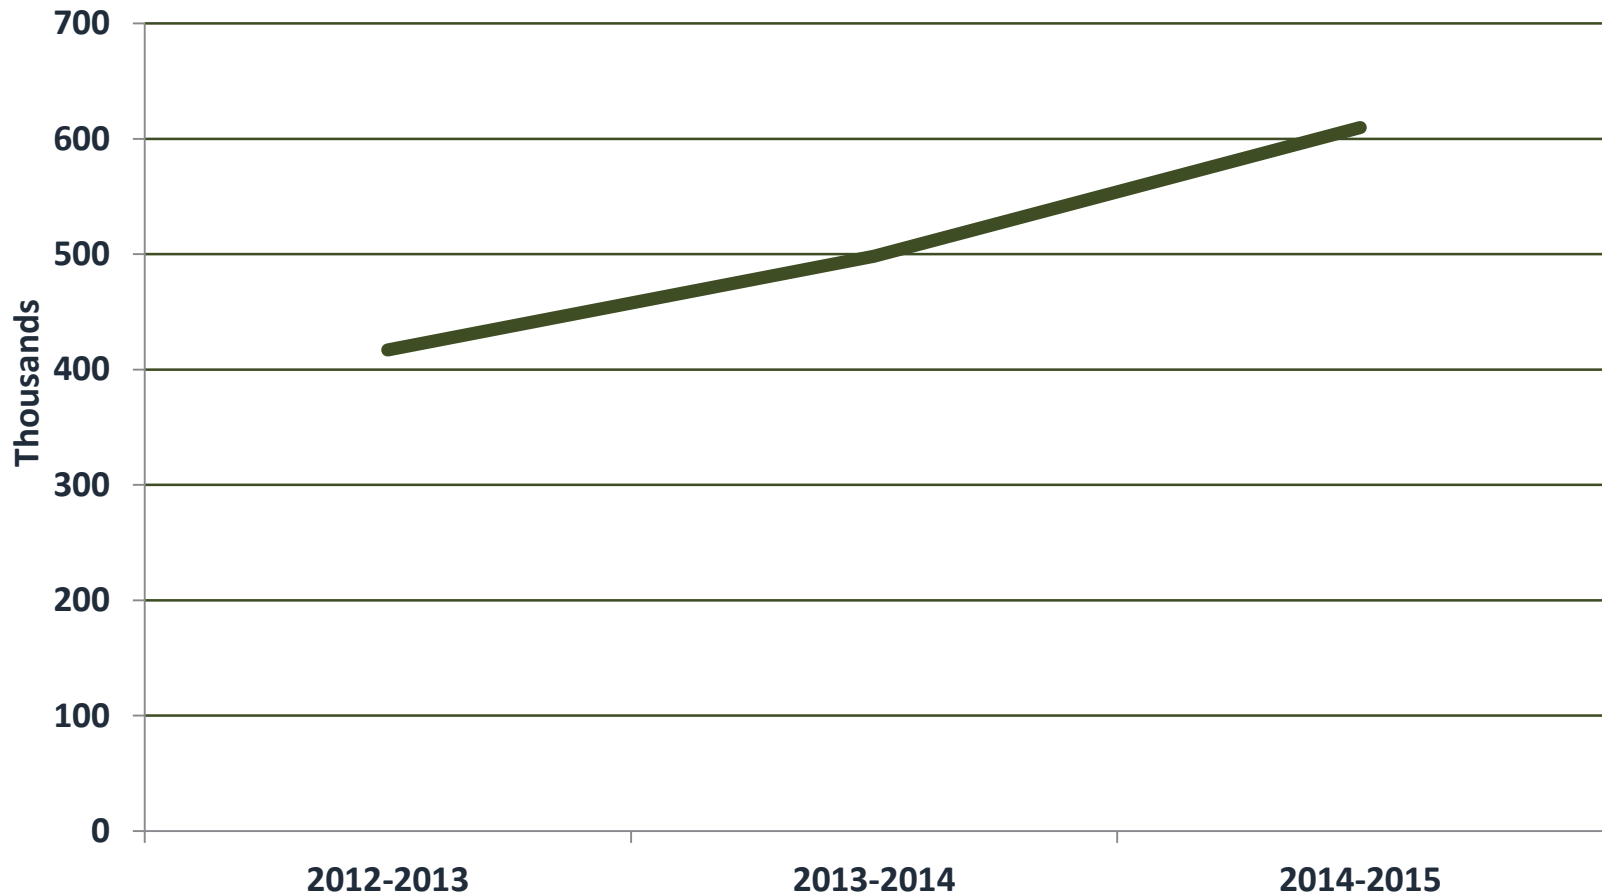

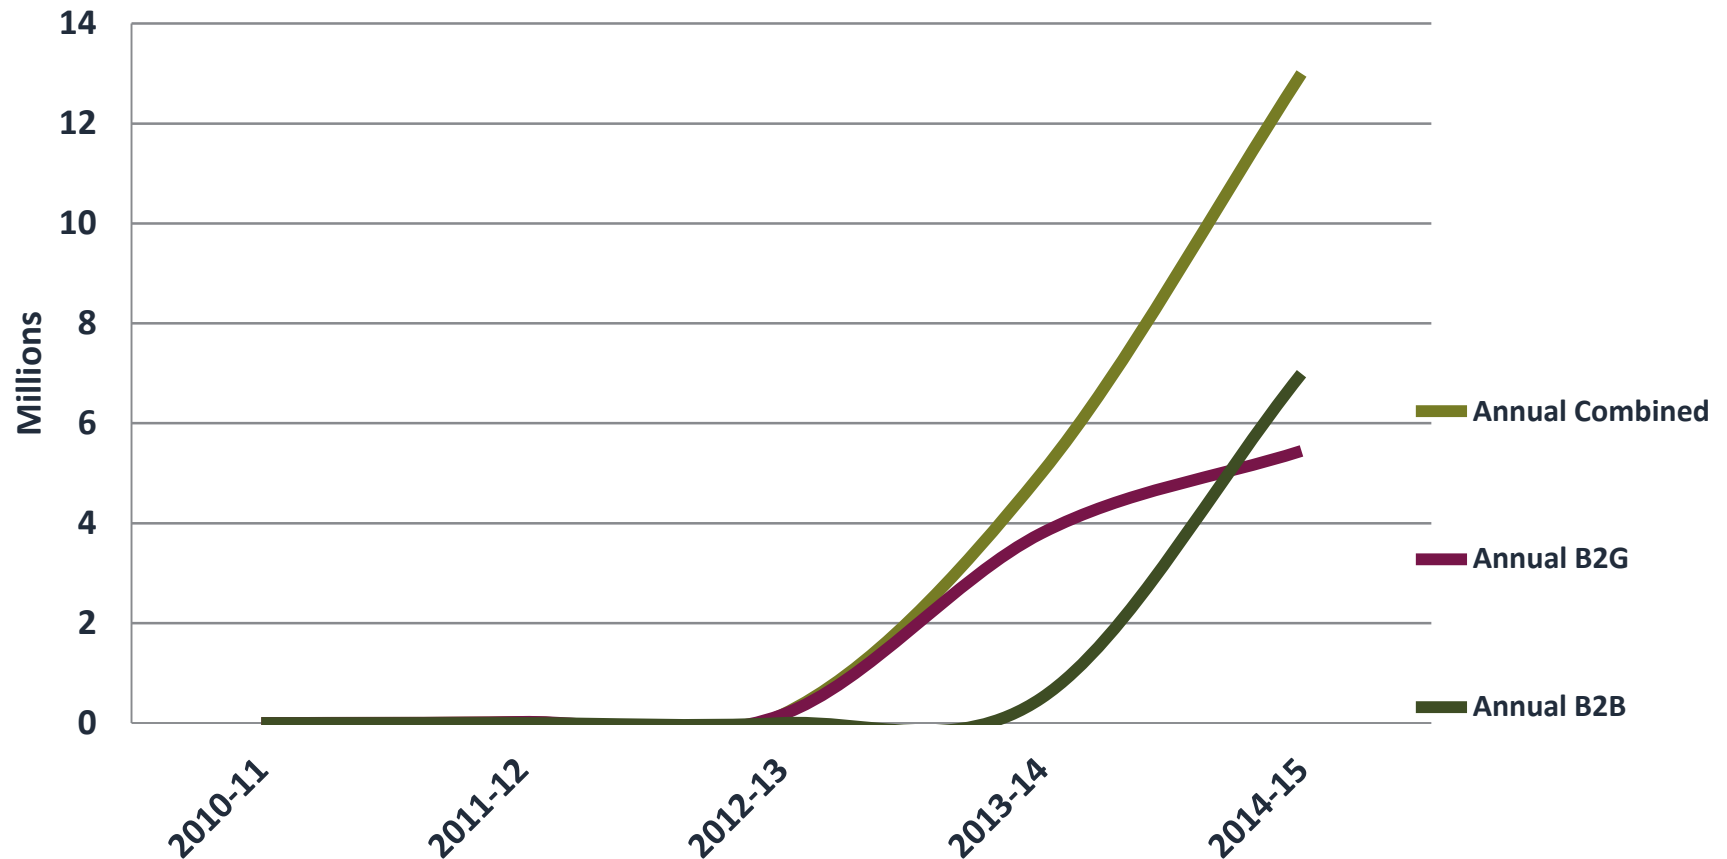

# Australian Business Number (ABN)

# Number of businesses with AUSkey

# SBR – number of transactions

**Where to from here**

***Transform the way  
you do business***

***Thank you***
