

I will help you pass your licensing exam...
What am I?

Hint: I'm typically from California and it would take 1,051,818,240
of me laid end to end to circle the equator.

Scan this QR code to find out the answer, or visit our booth: #31

"The test was TORTURE!!!! I can honestly say I would not have passed without your class." – Karla P., New York, NY
