

AND

SUTHERLAND

Our attorneys work with broker-dealers, investment advisers and issuers on distribution and product design issues, including disclosure, compensation, trading, business expansion, net capital, customer protection, compliance, licensing and registration.

We can also help you stay current with Dodd-Frank compliance issues, handle internal reviews, and respond to regulatory exams and investigations. Sign up for Dodd-Frank legal alerts and other materials at www.regulatoryreformtaskforce.com.

For more information about Sutherland's Financial Services practice, please contact us.
