SPENDING REVIEW 2019

- 1-year settlement
- 10 items on AELP's 'shopping list'
- Value for money against a background of waste
- Programmes must lead to social mobility, progression & improved productivity

APPRENTICESHIPS AND EPA

- 'Hard choices' warning
- Minimum £1bn annual budget for non-levy apprenticeships
- AELP lobbying hard on EPA pressure points

DEVOLUTION, ADULT EDUCATION BUDGET AND NRS

- 'Call for devolved and national AEB to be 100% procured
- Reports of underspends and Treasury clawbacks very frustrating
- Young adults deserve funding entitlement for level 2 and 3
- No repeat of EPO waste for National Retraining Scheme

AELP STRONG FOR ITS MEMBERS

- Fairly representing large and smaller members through constitution
- 'Good to Great' support programme launched today
