What do our customers say?

What are users saying?

THE COMMUNITY

“It’s helping to bring our WBL community together online”

HAIR DRESSING

“It’s great because I can speak to my tutor after working in the salon as it’s really busy during the day”

TEACHER:LEARNERS

“I can easily contact my learners quickly to notify them of a change in time & location”

COLLEGE LEARNERS

“We like to use the app if our teachers give us a reason to use it...”

Other examples

Strategies to support learners who are young carers, bringing them together and having a platform to connect those who would not traditionally cross paths
