

Self-assessment and Quality Improvement under the Common Inspection Framework (CIF) 2015 Workshop

Tuesday, 19 September 2017
Novotel Birmingham Centre, Birmingham

Agenda

9:30	Delegate Registration	<i>Refreshments area</i>
10:00	Welcome Introduction and Housekeeping	Carolyn Medlin <i>Fairfield Associates Limited</i>
10:15	Ofsted's CIF 2015 and inspection: mythbusting This session will allow delegates to explore features of the Common Inspection Framework 2015 that will improve further their understanding on how this is applied during inspection.	Ian Smith HMI <i>HMI Ofsted</i>
11:00	Mid-Morning Refreshments Break	<i>Refreshments area</i>
11:15	Developing self-assessment practice that leads to improvement This session will enable delegates to improve their self-assessment practice and quality improvement planning by learning from our inspection feedback.	Ian Smith HMI <i>HMI Ofsted</i>
12:30	Lunch & Networking	<i>Refreshments area</i>
13:15	Self-assessment report writing This is a practical session where participants need to bring with them a hard copy of their self-assessment report (SAR). It focuses on the five common pitfalls on writing SARs and finishes with the 'what to write' in your SAR to ensure it is judgement-rich, learner-centred, helps your organisation to learn and improve, and doesn't describe what you do.	Carolyn Medlin <i>Fairfield Associates Limited</i>
14:15	Preparing for short notice inspections This practical session focuses on developing a 48 hour inspection action plan as well as providing an example checklist of what is achievable even before the call.	
14:50	Q&A, Evaluation and Summary	
15:00	Close
