DRIVING INVENTION INTO PRACTICE...

www.smarthealthscience.com

CITIZEN-DRIVEN HEALTH

- The Young Foundation, inQube, Health & Local Authorities working in partnership
- Increase personal and community resilience, prevent or delay long-term conditions, hospital (re)admissions...
- Use social-media technologies on secure platform, low threshold of cost and access

youngfoundation.org/projects/citizen-driven-health/

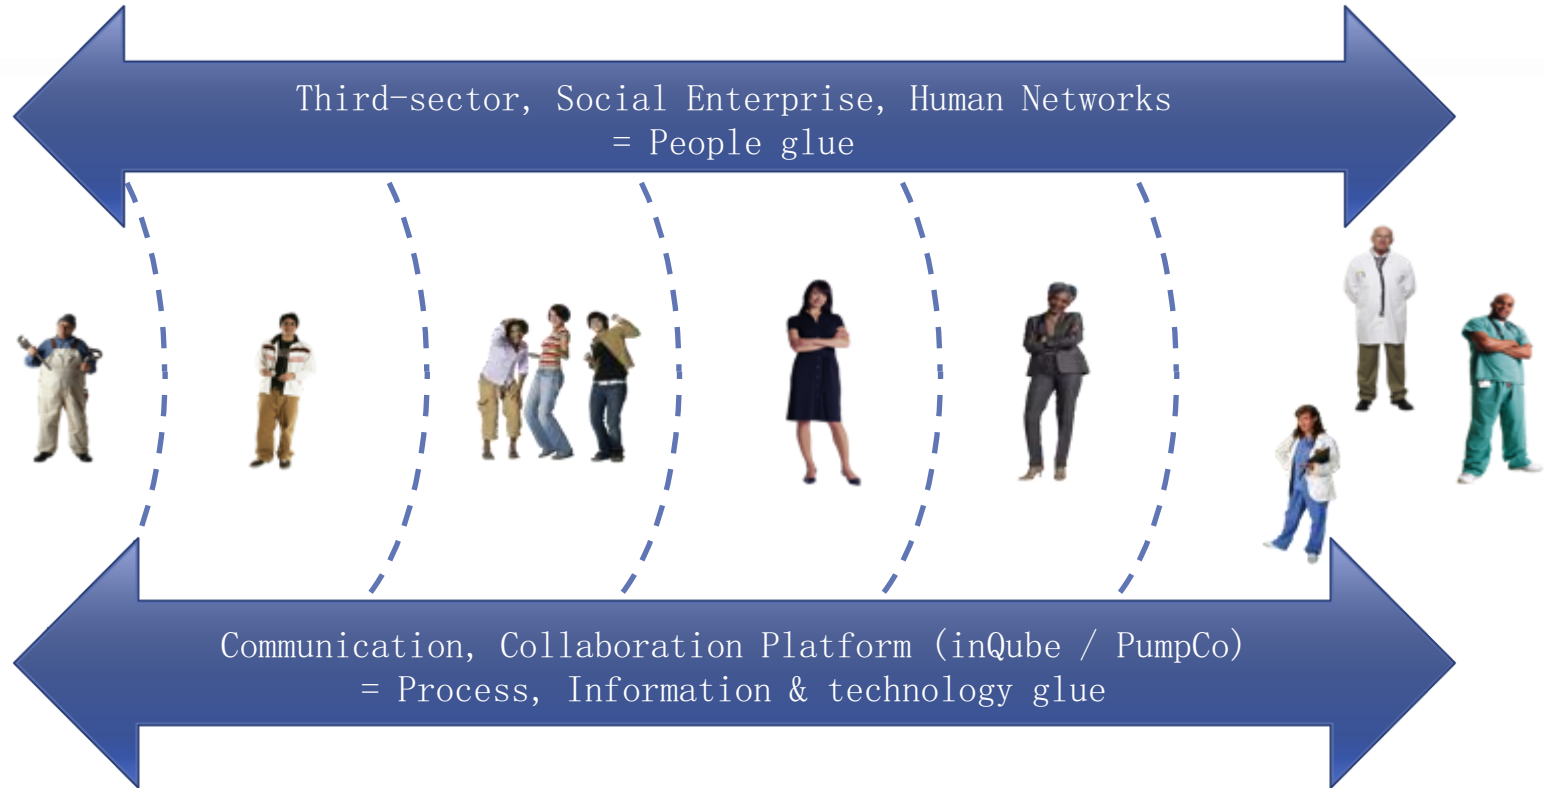

CITIZEN-DRIVEN HEALTH

- Bottom-up citizen-driven
- Wellness, resilience, health, care - asset-based
- Co-production in the community
- Third-sector coordination
- Work at speed, learn by doing
- People and technology working together

CITIZEN-DRIVEN HEALTH
