eSeating

pro

no nonsense way to plan seating charts

etouches

Seating assignment and room layout can be a complicated process, so use eSeating. The online seating arrangement tool to design table charts for rooms of any size. Drag-and-drop or self-seating is available - It's that easy!

event dinner? be in control of seating rules

create table plans,
design rules,
assign seats

key features

- Complete online room layout and seating arrangement
- Drag-and-drop attendees to exactly where they desire
- Allow attendees to seat themselves
- Flexibility of room size, layout and seating arrangements
- Search feature to locate attendees individually by name or company
- Limit access to certain tables with category restriction
- Ability to sell tables to exhibitors
- Integrated with eReg for table reporting

ideal for

- Deciding location of room elements
- Managing multiple seating charts
- Selling tickets to self-seating events
- Quick table or seat changes
- Defined seating rules
- Streamlining seating placement online

eSeating simplifies room & seating plans:

- Did a high profile attendee register last minute for your event?
  You can make quick seat changes to accommodate him or her
- Want to offer your attendees the chance to pick their own seats?
  They can find their ideal seat by locating attendees by name or company
- Going crazy planning your dinner room layout with spreadsheets?
  eSeating brings the whole process online with drag-and-drop design
- Need better organization when seating your attendee types?
  Color code your tables by delegates, speakers, sponsors, and staff
