Build your Toolkit

We work in an environment where we are challenged daily to seek new ways to maintain quality places and spaces and to provide access to services that build healthy communities.

This year we are going to give you a host of TOOLS to take back to your workplace to help you address the issues!

Over 50 industry presentations, in dedicated streams covering:

- Planning Spaces for Communities
- Integrating Nature and the Environment
- Health and Wellbeing
- Managing Parks and Assets
- Bean Counters and Governance
- Sustainable Sport
- Working with Elected Members and Politicians
- In 'person' Communications
- New Technology

HIGHLIGHTS - A fantastic line up of speakers - Your chance to join Kevin Lafferty, Mark McCrindle or David Engwitch for a 'Lunch and Learn' - 'Behind the Scenes' Adelaide Oval and a 'Parks in Practice' masterclass - A Local Government Great Debate - Over 40 exhibitors from across the industry - The Awards of Excellence gala dinner
