

FIRST ANNUAL INTERNATIONAL CLINICAL RISK MANAGEMENT SUMMIT

ENERGIZE • ENGAGE • EDUCATE

12-13 MAY 2017 | BAB AL QASR HOTEL, ABU DHABI, UAE

Welcome to the First Annual Clinical Risk Management Summit 2017!

Dear Colleagues,

It is my pleasure to invite you to attend The First Annual International Clinical Risk Management Summit in Abu Dhabi, UAE. The theme is Energize. Engage. Educate.

The meeting offers an unparalleled opportunity to network with and learn from the preeminent leaders in clinical risk management.

This annual event features many opportunities to network with colleagues from around the world in an exciting environment. The scope and quality of the exchange make the sessions markedly valuable. This event features two days of the best cutting-edge clinical risk management strategies, tools and innovations. It will be a valuable and important platform for inspiring international and interdisciplinary

exchange at the forefront of Clinical Risk Management. Attendees can expect to hear case studies regarding the implementation of clinical RM tools. The conference will feature didactic lectures, case studies, and interactive activities.

For these reasons and many more, I hope you'll join me in Abu Dhabi this May.

Sincerely yours,

Samer Ellahham, MD, CPHQ, CMQ, EFQM, FACC
Chairman
