FOAMS[®] 2017

15th International Conference on Advances in Foam Materials & Technology

CONFERENCE, TUTORIAL & EXHIBITION
OCTOBER 9-12 - BAYREUTH, GERMANY

Leading researchers from industry and academia
will present on the following topics:

Advances in Foam Materials
Advances in Foam Processing
Advances in Foam Applications
Micro/Nanocellular Foams & Future
Trends

Sustainable & Biofoams
Crosslinked Foams
Mechanical Properties & Cell Structures
Observations, Analysis & Modelling

Just Announced!

Plant Tour to Neue Materialien Bayreuth GmbH

Tuesday, 10 October, immediately following the morning tutorial

**History of Bavarian Beer Brewing With Additional
Good Flavored Foaming Experiment in the Glass**

Tuesday, 10 October, 6 PM
