

ADDITIVES & COLORS Conference Middle East

Latest Advancements and Opportunities
in Additives, Colors and Stabilizer Performance
أحدث التطورات و الفرص في مجال اداء المواد المضافة، الماسترباتش، والمثبتة البلاستيكية

April 18-19, 2018 | The Westin Bahrain City Centre | Manama, Bahrain

SPE's 1st Middle East Conference on Additives, Colors & Stabilizers in the city of Manama in the Kingdom of Bahrain

This inaugural conference is the regional event to learn about the latest state-of-the-art developments and opportunities in plastics additives, pigments & dyes and masterbatches as well as stabilizers for increased performance and productivity.

Participants are also expected to be exposed to and interact with the entire regional and international industry value chain; from raw material and equipment suppliers to OEM's (original equipment manufacturers).

The SPE Additives & Color Middle East Conference invites the submission of paper abstracts for presentation on topics related to the latest innovation, technologies and best practices for improved performance, manufacturing productivity and quality as they relate to:

- Additives
- Colors and Masterbatch
- Stabilizers

Conference Focus:

- Better understanding of OEM's expectations on additives, color & masterbatches and stabilizers
- Presenting the latest product innovations and market trends
- Sharing knowledge on best practices related to additives, color, masterbatches and stabilizers for best performance.

Who Should Attend:

- OEM (Original Equipment Manufacturers), Designers & Specifiers
- Converters
- Masterbatch & Compound Producers
- Polymer, Additives & Pigment/Dye Producers
- Equipment & Instrument Producers
- Chemical Distributors
- Research & Development Centers

Why Attend:

Attending this conference allows you to gain from the latest advancements in the world of additives, colors and stabilizers.

In addition to the technical speakers and presentations, we also offer the opportunity for companies to present their goods and services by means of table-top displays.

Registration Fees

SPE Member: \$450

Non Member: \$550

(Non member fee includes 1 yr. SPE membership)

Fees include coffee breaks, lunches and networking cocktail reception.

Bahrain

The Kingdom of Bahrain is a fascinating country rich in culture and history. Manama, capital of the island, is a major financial center with a thriving economy and is just a one-hour's drive from the Kingdom of Saudi Arabia's eastern province, one of the major plastics manufacturing hubs in the region.

The narrow rows of stalls at the Bab el-Bahrain souk are famous for their vast array of perfumes, spices and gold.

The country boasts its own Formula 1 Grand Prix, a growing art and foodie scene and all the hallmarks of a wealthy, modern Arabian style.

The Westin Bahrain City Centre

Ideally located in the heart of Manama, The Westin Bahrain City Centre is the first-ever Westin Hotel to grace the island. Thoughtfully devised with a host of novel and innovative facilities, guests are afforded the opportunity to sample the unique Westin feel-good promise when staying for business or leisure. The Westin is attached to City Centre Bahrain, the nation's most popular retail and leisure destination.

Organized By:

The **Society of Plastics Engineers (SPE)** is home to nearly 20,000 plastic professionals in more than 84 countries around the world. SPE is the "go to" resource for plastics technical information. Access to an online technical library, training and educational services, references to expert services/consultancies and new opportunities through the career center, are just some of the many benefits of SPE membership.
