

# MBA Fundamentals for Tech Executives

**May 8 – 11, 2017    Boston, Massachusetts**

**REGISTER TODAY!**

**Special Offer: Save \$500!**

Your experience will include:

**4 DAYS OF INTENSIVE LEARNING**

Access to an online resource portal and a full curriculum will be provided – all designed to give you a solid grounding in business principles.

**11 DIFFERENT TOPICS**

Running the gamut of traditional MBA disciplines: Strategy, Accounting, Finance, Organizational Behavior, Marketing, Innovation, Supply Chain Operations, and more.

**7 HIGHLY RESPECTED PROFESSORS**

Including former CIOs and analysts, consultants, accountants and operations management professionals who have worked with a range of Fortune 500 companies. You will have access to all of them.

**25+ NEW CONTACTS FROM AROUND THE GLOBE, WITH AMPLE NETWORKING TIME**

Building your network is essential to your success as a leader. You will meet and work closely with other attendees, learn from their experiences, and create lasting bonds.

**24 HOURS OF DEDICATED CLASSES, CASE STUDIES AND GROUP WORK**

Specifically tailored to you – a current, aspiring technology leader who wants to reach their full career potential.

**UNLIMITED POTENTIAL**

Attend MBA Fundamentals for Tech Executives – the knowledge and skills you develop will deliver immediately. Make this strategic investment in yourself, your career, and your future.

**Check with your HR department on tuition reimbursement offers.**
