

# WOMEN IN PUBLIC SECTOR SUMMIT 2017

Auckland Leadership Pathways

## 2 NOVEMBER 2017 SKYCITY, AUCKLAND

The very popular Women in Public Sector Summit is coming to Auckland for the first time!

Supported by Auckland Council and central government, and honouring the diversity in the Auckland public sector, the summit will support women on their leadership journey in Auckland.

Please join us to hear from a diverse and exciting line up of (mainly) women leaders sharing their experiences across themes of context, confidence and influence.

You will have opportunities to engage with senior women leaders and network across the wide Auckland public sector.

If you are:

- ready for your first people or thought leader role
- looking for career progression in the public sector
- a champion or business role supporting diversity and inclusion in the public sector
- keen to connect with the wider Auckland public sector community

This summit is for you!
