Driving Directions

131 East 28th Avenue

San Mateo, CA 94403

No Left Turns For Entering/Exiting Campus

As a condition of Nueva's approval to operate at Bay Meadows, the City of San Mateo has stipulated specific requirements for driving to, on, through, and out of campus. *Specifically, there are no left-hand turns into or out of campus. In addition, there are one-way circulation patterns for entering and exiting campus.* The maps and directions attached here were created to guide you to/from campus in accordance with the city's requirements and ensure the safest, easiest, and fastest access to our campus.

GoogleMaps

When using navigation services, such as GoogleMaps, be sure to identify "The Nueva School *Bay Meadows Campus*" as your destination, and not the Hillsborough campus.

Parking

Faculty, staff, and visitors to the Bay Meadows campus should park only in Nueva's onsite underground parking structure. Nueva has agreed not to use the limited street parking in the surrounding neighborhood meant for Park users and other residential guest parking.

For special events, we will make overflow parking available at the San Mateo County Event Center parking lot next door. We will always notify you and provide directions as applicable.

Thank You

Thank you for your understanding and cooperation. If you have any questions, please email transportation@nuevaschool.org or call the Nueva Upper School main line at (650) 235-7100
