

ACOG
District II

**FINAL
PROGRAM**

2017

**UPSTATE
MEETING**

APRIL 28 + 29

**Turning Stone Resort & Casino
Verona, NY**

Jointly Provided by The American College
of Obstetricians and Gynecologists

WELCOME

Dear Colleague,

It is with great pleasure that I welcome you back to upstate New York! I am truly looking forward to two days of educational programming, networking with colleagues, and reconnecting with friends at the Turning Stone Resort & Casino. You will find this is an exciting venue for you and your families with an array of amenities, including spa and fitness facilities, nightlife, golf and world-class gaming.

District II strives to raise the bar in program and service offerings and deliver recognizable value to all meeting attendees. This engaging program will provide you with a foundation of knowledge, techniques, and best practices to help you succeed in the ever-changing field of obstetrics and gynecology. I am grateful to the District II Program Planning Committee for revitalizing the upstate meeting based on member request and need, and for developing a program featuring high caliber faculty. Our Scientific Program Co-Chairs, David L. Gandell, MD, FACOG and Robert K. Silverman, MD, FACOG, are to be commended for their academic guidance and leadership.

We have a remarkable line up of distinguished faculty who will present scientific innovations and clinical updates over the next two days. The leaders are respected experts in our field, and I hope that you will join me in welcoming them to the District II Annual Upstate Meeting. In addition we are pleased to bring our Iffath Abbasi Hoskins, MD Junior Fellow Research Day program to this year's meeting.

Please take advantage of the opportunity to visit our exhibitors who continue to support District II, meet familiar faces, and make new connections at the welcome reception Friday evening. And, most of all, enjoy yourself. ACOG District II leadership and staff are available to speak with you throughout the meeting. As always, we are here to support and assist you in your practice.

Before closing, I'd like to thank each of you for attending. You have the vision and the experience to blaze the trail for the next generation of leaders and help us shape the future of our specialty. I thank you for choosing to participate in the District II Annual Upstate Meeting and hope that you will find the experience rewarding.

Sincerely,

Nicholas Kulbida, MD, FACOG
Chair, ACOG District II

New this year at the Upstate Meeting — Iffath Abbasi Hoskins, MD Junior Fellow Research Day

Be sure you are part of this year's Iffath Abbasi Hoskins, MD Junior Fellow Research Day Contests on Saturday where District Junior Fellows showcase their research to meeting attendees. Contest prizes include \$1,000 to the Martin Stone, MD Poster Session winner (generously donated by Eva Chalas, MD) and a \$1,000 travel stipend to the Iffath Abbasi Hoskins, MD Oral Presentation winner to attend the 2018 Austin, TX Annual Meeting. All contest winners will be announced at the conclusion of the oral presentations – 3:00 pm

The Iffath Abbasi Hoskins, MD Junior Fellow Research Day Program is made possible by the generous support and sponsorship of Iffath Abbasi Hoskins, MD, FACOG, and ACOG District II Junior Fellow Advisor.

End your day encouraging our resident oral presenters. All contest winners will be announced at the presentations' conclusion!

3:00 pm

MEETING ADJOURNS

INTERACT, EXPLORE, NETWORK

EXHIBIT HALL

The exhibit hall is a bustling one-stop shop to relax, network, test new products and find the tools and resources you need to stay ahead of the curve. Grab a cup of coffee with colleagues and faculty and interact with industry representatives who generously support District II.

EDUCATIONAL SYMPOSIA

While you are at the Upstate Meeting you will have the opportunity to hear from leaders of industry talk in depth about important developments in the areas of OB/GYN through educational symposia sessions. This FREE session offers lunch and takes place during lunch hours so you don't have to miss any lectures on the official agenda!

FREE WI-FI

ACOG District II is pleased to provide you with FREE Wi-Fi Internet service throughout the meeting spaces where the lectures and the exhibit hall will be located. Please keep in mind that wireless internet access and connectivity for large download can vary in meeting spaces, so you may wish to download the PDF syllabus from the ACOG District II website to your tablet in advance.

WELCOME RECEPTION

End day one by catching up with your colleagues from around the state, ACOG leadership and faculty at our Annual Welcome Reception. Enjoy great food and drinks while renewing connections and making new ones. Attendees look forward to this relaxing event each year.

INTERACT AND STAY CONNECTED!

CONTINUING MEDICAL EDUCATION CREDITS

ANNUAL DISTRICT II MEETING ACCME ACCREDITATION

ACCME ACCREDITATION

The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDIT(S)[™]

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 10 **AMA PRA Category 1 Credits[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COLLEGE COGNATE CREDIT(S)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 10 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows **AMA PRA Category 1 Credits[™]** to be equivalent to College Cognate Credits.

DISCLOSURE OF FACULTY AND INDUSTRY RELATIONSHIPS

In accordance with College policy, all faculty and planning committee members have signed a conflict of interest statement in which they have

disclosed any significant financial interests or other relationships with industry relative to topics they will discuss at this program. At the beginning of the program, faculty members are expected to disclose any such information to participants. Such disclosure allows you to evaluate better the objectivity of the information presented in lectures. Please report on your evaluation form any undisclosed conflict of interest you perceive.

RECORDING DURING SCIENTIFIC PRESENTATIONS

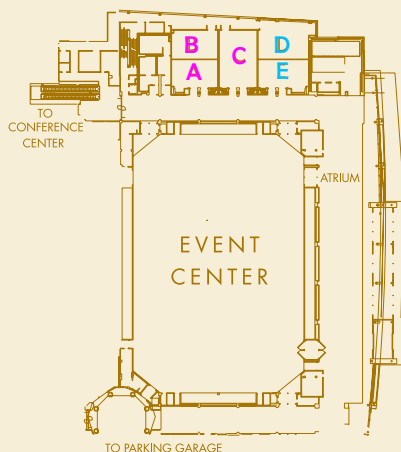

Audio recording, video recording, and photographic reproductions of material presented at scientific presentations are strictly prohibited for anyone other than those authorized by ACOG District II. Attendees are not permitted to bring audio, video, or photographic equipment into sessions.

EVALUATIONS

As the accredited provider, the College is required to evaluate each activity it jointly sponsors. Evaluation of the scientific sessions is essential in planning for future programs. Your thoughtful feedback will help identify topics and speakers of greatest interest, and overall meeting quality. Please complete the evaluation form via the Survey Monkey link available at the registration table, during intermissions and on the District II website.
