District II
Annual
Meeting

Grand Hyatt - NYC

WELCOME

Dear Colleague,

It is with great pleasure that I welcome each of you to the **District II Annual Meeting**. Our meeting is more than a clinical program. It is a time to network with expert faculty, meet new colleagues, mentor Junior Fellows, learn what District II is doing for you and how you can become engaged, and adopt new

strategies on how to better care for yourself and your patients. During the meeting, I plan to:

- Congratulate our Junior Fellows on their research and recognize mentors within the District
- Connect with YOU, our members. Find me—I'll be wearing a button!
- Attend our named lectures including the **Dr. Martin Stone lecture** given by **Dr. Deborah Goldfrank**; the **Dr. Richard H. Schwarz Memorial lecture** given by **Dr. Ronald Gibbs**, and the **Dr. Iffath Abbasi Hoskins lecture**, given by **Glenn Dopf, Esq.**
- Attend the welcome reception to mingle with fellow colleagues and faculty

Our Scientific Program Co-Chairs, **Dr. Lorelei L. Thornburg** and **Dr. Erika Banks** are to be commended for their academic guidance, leadership and commitment to an excellent program featuring critically acclaimed faculty from across the country.

I am looking forward to our new **two-days, two-ways** interactive meeting format. Attendees will experience concurrent sessions; learn through interactive, engaging debates, panels and discussions; and connect with faculty through targeted networking opportunities. Our Adopt a Junior Fellow Initiative will continue, with Junior Fellow research contests and round table discussions. Please join us in these exciting activities!

Please take time to visit the bustling exhibit hall and stop by the **Hands-on Training section**. Learning about the latest products and services available for our profession is an important part of staying informed and ahead of the curve. A special recognition to our exhibitors who continue to support District II.

Finally, I'd like to thank each of you for attending and bringing your energy and expertise to our meeting. Thank you for joining us back in New York City!

Sincerely,

IFFATH ABBASI HOSKINS, MD, FACOG
Chair, ACOG District II

PROGRAM COMMITTEE

▶ **Lorelei L. Thornburg, MD, FACOG**

James R. Woods, Jr. Professor of OB/GYN
Associate Professor of OB/GYN

**INDUSTRY LUNCH SYMPOSIA — SEE PG. 16
FOR OPTIONS**

1:30 pm – 4:30 pm

PHYSICIAN WELLNESS WORKSHOP

Ballroom V

Facilitator: Lawrence C. Tsen, MD

The practice of medicine can be an all-consuming endeavor. This level of devotion frequently comes at great cost, including difficult interactions at work and home, depression, and career burnout. Sometimes the lessons we learn outside of medicine can provide an objective way to examine if our lives match our priorities.

In this workshop, we'll undertake 5 exercises to re-examine and revitalize our Wellness Mindset!

1:30 pm – 2:15 pm

**IFFATH ABBASI HOSKINS, MD LECTURE
HOW TO AVOID A MEDICAL
MALPRACTICE LAWSUIT**

Glenn W. Dopf, Esq.
Attorney at Law
DOPF, P.C.
New York, NY

2:15 pm – 3:00 pm

**BEYOND BRCA — HEREDITARY CANCER RISK
ASSESSMENT – 2018**

Rinki Agarwal, MD, FACOG
Assistant Professor of OB/GYN
Medical Director of Gynecology Oncology
SUNY Upstate University Hospital
Syracuse, NY

New York Presbyterian/Columbia
University Medical Center
New York, NY

5:00 pm **CONCLUSION OF MEETING**

CONTINUING MEDICAL EDUCATION CREDITS

ANNUAL DISTRICT II MEETING ACCME ACCREDITATION

ACCME ACCREDITATION

The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDIT(S)[™]

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 13 AMA PRA Category 1 Credits.[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COLLEGE COGNATE CREDIT(S)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 13 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows AMA PRA Category 1 Credits[™] to be equivalent to College Cognate Credits.

The following is a daily breakdown of credits awarded each day of the program:

Friday, October 19 = 7 credits

Saturday, October 20 = 6 credits

EVALUATIONS

As the accredited provider, the College is required to evaluate each activity it jointly sponsors. Evaluation of the scientific sessions is essential in planning for future programs. Your thoughtful feedback will help identify topics and speakers of greatest interest, and overall meeting quality. Please complete the evaluation form via the Survey Monkey link available in the app, during intermissions and on the District II website.

DISCLOSURE OF FACULTY AND INDUSTRY RELATIONSHIPS

In accordance with College policy, all faculty and planning committee members have signed a conflict of interest statement in which they have disclosed any significant financial interests or other relationships with industry relative to topics they will discuss at this program. At the beginning of the program, faculty members are expected to disclose any such information to participants. Such disclosure allows you to evaluate better the objectivity of the information presented in lectures. Please report on your evaluation form any undisclosed conflict of interest you perceive.

POLLING APP

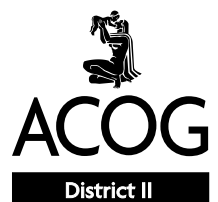

Interactivity between presenters and attendees will be enhanced with the use of polling capability in our new meetings app. Download the app to participate. Audience response not only creates a fun and stimulating learning environment, but it can increase knowledge retention and confirm understanding of key points.

RECORDING DURING SCIENTIFIC PRESENTATIONS

Audio recording, video recording, and photographic reproductions of material presented at scientific presentations are strictly prohibited for anyone other than those authorized by ACOG District II. Attendees are not permitted to bring audio, video, or photographic equipment into sessions.

CME CERTIFICATION INSTRUCTIONS

To obtain your CME Certification you must fill out the Final Evaluation Survey in the meeting app or link that will be emailed to you concluding the meeting. Once the evaluation is completed the certificates will appear where you can save, email, print, etc. The forms must be sent into the ACOG National office.

 **NewYork-Presbyterian**

New York's top-ranked hospital 18 years in a row

 **NewYork-Presbyterian**

New York's #1 hospital is raising the bar for high-risk pregnancy care.

We provide expert care for babies and women at all stages of pregnancy, diagnosing and treating a variety of fetal conditions and combating maternal mortality and morbidity with one of the largest maternal-fetal medicine programs in the country.

In utero, Celeste's boys developed rare twin-to-twin transfusion syndrome. With only a 30% chance of a successful outcome, we performed fetoscopic laser photocoagulation and delivered two healthy babies to a healthy mom.

New York's top-ranked hospital 18 years in a row
