FAQ

What will happen if I am over the weight/height limit?

Unfortunately if you do not meet our weight requirements you will not be able to participate in our sessions. We highly recommend ensuring you are within the weight limit before arriving at the centre to avoid disappointment.

If I am under 19 can I bring a letter of consent from my parent or guardian?

Unfortunately, we cannot accept letters of consent, we need a parent or guardian present at the time of presentation to sign the waiver.

Can I wear a GoPro camera?

Unfortunately, as a safety precaution, we do not permit any participants to wear helmet or chest mounted cameras whilst riding, in case the camera detaches from a helmet and causes harm to a participant, staff member or spectator.

Do I need to bring my gift certificate or Groupon code to check in?

You will need to bring your gift certificate or groupon code to check in, if the booking was made using this.

Can I bring my family and friends to watch?
