

2019 Clinical Skills Rotation Session Guidelines

Thank you for your interest in facilitating a Clinical Skills Rotation on Wednesday, 24 July 2019 at the Atlanta Marriott Marquis in Atlanta, Georgia, USA.

What are Clinical Skills Rotation Sessions?

- 1) Clinical Skills Rotation sessions are **25 minutes each**, with 5 minutes in between for participants to move to the next session. You will repeat the same session four times as part of one rotation. There will be two rotations. Therefore, you will facilitate your session four times, take a 30-minute break, and then facilitate your session again four more times. Each session you facilitate has a maximum of 30 participants. You must adhere to the **25-minute** session time limit. Rooms will be set in a circle.
- 2) Sessions are either Primary or Advanced.
- 3) Format of each Clinical Skills Rotation session:
 - a) **Participants must be actively engaged with hands-on practice opportunities for at least 20 minutes of the 25-minute session.**
 - b) PowerPoint and video may be used only to complement delegate interaction.
 - c) The brief, interactive format allows no time for extensive theory or background information to be presented. Facilitators are encouraged to provide background information in handouts that will be distributed to participants via the conference app or Connect community prior to the event. Before coming to the conference, facilitators should time the portion of their session that is lecture (i.e., not hands-on) to ensure that it lasts no more than 5 minutes total.
- 4) Activities may include:
 - a) Observing a brief role play as an introduction to practicing skills.
 - b) Reviewing case studies and problem solving as a group (e.g., differential diagnosis).
 - c) Observing demonstration of a skill and doing a return demonstration.
- 5) ILCA is unable to provide live models or supplies for Clinical Skills Rotation sessions. Facilitators may provide props, supplies, etc. to be used by the participants.

IMPORTANT DATES

31 October 2018: Deadline to submit session abstracts/submission site will close at 11:59 pm [US Eastern Time](#)

January 2019: Concurrent and Workshop session submitters will be notified by email of their presentation status

January 2019: Two weeks after notification, selected facilitators must confirm participation

January 2019: Submission site will reopen for accepted facilitators to review any edits to their information and suggest further changes.

5 June 2019: Deadline to submit PowerPoint for accreditation review (mandatory)

24 June 2019: Deadline to re-submit edited PowerPoints for accreditation review (mandatory if notified of accreditation compliance edits)

3 July 2019: Deadline to submit handouts for approval and inclusion for conference participants

GENERAL SUBMISSION INFORMATION AND GUIDELINES

- Abstract submitters are not required to be ILCA members.
- Abstracts will be accepted through the ILCA Abstract Submission Site until 31 October 2018.
- A maximum of two (2) total abstracts for conference presentations in any combination of presentation formats may be submitted per person.
- Abstracts must be submitted in English and are limited to 250 words.
- Submissions must be complete, conform to all guidelines, and be received by the deadline to be considered for acceptance.
- Originality, clarity, outcomes, interest to lactation professionals, and connection to the lactation field are important components of an abstract.
- Proofread your abstract carefully to avoid errors.
- All abstracts must incorporate content, language, and references that are diverse and inclusive, such as content that is relevant in a variety of work, cultural, and geographic settings; language that is inclusive of varying sexual orientations, gender identities/expressions, and family structures; and references from a variety of social groups and countries.
- Educational session submissions are reviewed by the Conference Program Task Force. All reviews are performed on anonymized abstracts.

FACILITATOR TERMS

- Submission of an abstract constitutes a commitment to present at the conference if accepted. Failure to register and present for the conference, if not justified, will jeopardize future acceptance of proposals.
- The facilitator agrees not to accept other speaking engagements in Atlanta or surrounding areas within 3 months before or after the conference if the topics presented at those engagements relate in any way to the abstract accepted for the ILCA Conference. If facilitators do have other engagements, they shall notify the Conference Manager (conference@ilca.org) who shall determine whether the abstract can be maintained as part of the conference program. Failure to notify ILCA will jeopardize future speaking opportunities with ILCA.
- Facilitators who were included in the original abstract submission will receive complimentary registration for the day(s) they speak. The submission of an abstract indicates that if the abstract is accepted the facilitator(s) will register to participate in the conference, noting presentation day(s) in order to receive a discounted rate.
- A laptop, LCD projector, screen, standing lectern, lectern microphone, and a wireless microphone will be provided for sessions. Requests for alternate audiovisual services will be considered but are not guaranteed.
- Session titles, objectives, facilitator biographies, and headshots may be included on the official conference app to which all registrants will have access, as well as on the ILCA website and in marketing materials.
- Facilitators are required to use the 2019 ILCA Conference PowerPoint template provided in 16:9 format to develop the presentation and to submit the PowerPoint file for their presentations by **Wednesday, 5 June 2019**. PowerPoint files are collected and reviewed in order to ensure compliance with accreditation criteria and remain the intellectual property of the facilitator. ILCA will not share this file with attendees nor will ILCA load the file for you in the session room. Plan to bring the PowerPoint file to the conference on a flash drive and load it on to the computer in your assigned presentation room prior to the session start time. Sessions that are Live Streamed or recorded with permission for future use may involve the sharing of PowerPoint files.
- In order for your content to be shared with attendees, it must be submitted as a handout, that follows the handout specifications listed below, by **Wednesday, 3 July 2019**.
- Facilitators authorize ILCA to use their name, likeness, photograph, and biographical data in connection with the use and promotion of any aspect of the conference including rebroadcast on a “virtual” basis.
- ILCA and the Facilitator **mutually agree that all parties shall be released from any and all liability** or damages hereunder if ILCA or the Facilitator is unable to fulfill the terms of this agreement due to force majeure, illness, or physical disability of the

Facilitator, acts or regulations of public authorities, labor difficulties, civil turbulence, strike, epidemic, flood, fire, interruption or delay of transportation, or any other cause beyond the control of the parties. **If, for any reason, the Facilitator is delayed or cannot appear, the Facilitator will promptly notify ILCA** to arrange a mutually agreeable change of date and/or a substitute Facilitator. Any benefits, deposits, and/or advance reimbursements under this agreement shall be transferred to substitute Facilitator, if applicable. Substitute Facilitators must provide the Conference Manager with all required facilitator documentation (e.g., biographical and disclosure information) prior to the conference. If a change of date or substitute Facilitator cannot be mutually agreed upon, ILCA and the Facilitator agree that this Agreement is cancelled and that the Facilitator shall refund any deposits and/or advance reimbursements received from ILCA.

SESSION REQUIREMENTS

- Learning objectives must be measurable and learner-centered, in terms that describe the behavior learners are expected to demonstrate at the end of the presentation. See the *Bloom's Taxonomy* list of verbs at the end of this document. Objectives not written in the correct format will be edited. Facilitators are required to include the edited objectives in their PowerPoint.
- All sessions must conform to the International Code of Marketing of Breast-milk Substitutes and subsequent World Health Assembly (WHA) Resolutions.
- Facilitators are required to disclose any real or apparent conflict(s) of interest (COI) that may have a direct bearing on the subject matter of the continuing education activity in written form, on a slide. This includes disclosures of any financial interest/arrangement or affiliation with any organizations that could be perceived as a conflict of interest in the context of the subject matter of their session. This disclosure of COI, or lack thereof, **MUST** appear after the title slide required for all sessions and **MUST** also be stated verbally, within the first five minutes of the session. **This is a requirement for approval of continuing education credit; failure to comply jeopardizes ILCA's ability to grant credit to conference delegates. Failure to comply with noncommercial requirements will result in sanctions regarding participation in future ILCA education events (e.g., conferences, webinars).**
- No commercial messages or logos of any kind are permitted in the educational session room. Facilitators may not promote, advertise, or distribute commercial materials in their session. For example, images of books or any publications that are for sale may not appear anywhere in conference materials. Slides will be reviewed for compliance prior to the conference. **This is a requirement for approval of continuing education credit; failure to comply jeopardizes ILCA's ability to grant credit to conference**

delegates. Failure to comply with noncommercial requirements will result in sanctions regarding participation in future ILCA education events (e.g., conferences, webinars).

HANDOUT SPECIFICATIONS

Handouts aid participants in following along with your presentation, especially those who are vision or hearing impaired or who speak English as a second language. They also provide the opportunity for attendees to reference the information noted. In order for materials you present to be shared with attendees, they must be submitted as handouts by **Wednesday, 3 July 2019**. Handouts may or may not be your PowerPoint presentation. It is recommended that every facilitator submit at least a list of references to be shared. Facilitators who do not provide handouts for their sessions typically receive lower ratings from attendees during conference evaluations.

- Submitting a handout constitutes your giving ILCA permission to share your intellectual property with conference attendees. If you would like to allow broader sharing of your handouts, please note your permission on your handout.
- Handouts must be PDF files formatted for optimal file download size. In order to optimize PowerPoint presentations with several slides per page go to *print*, select *print to PDF*, and select for more than one slide to appear per page (see example layout below). Changing the presentation to black and white also will help to optimize the file size.

Facilitators are responsible for ensuring that their submissions and presentations comply with all relevant guidelines. Contact conference staff, at speakers@ilca.org with any questions.
