The Academy of Management (AOM) is the leading professional association for scholars dedicated to creating and disseminating knowledge about management and organizations. Representing approximately 19,000 members in 119 countries, AOM members are scholars at colleges, universities and research institutions, as well as practitioners with scholarly interests from business, government, and not-for-profit organizations. Founded in 1936, the Academy of Management is the oldest and largest scholarly management association in the world. Visit AOM online at <http://aom.org>.

Additional badges may be purchased for \$50.00 USD each (max 5 additional badges per booth). Exhibitor registration will be onsite at the Hynes Convention Center at the

PLEASE NOTE: Exhibitor representatives, including authors and guests invited by exhibitors, will NOT be permitted to enter the Exhibits Area without a proper exhibitor badge. You may use your allotted complimentary badges to register any authors or guests visiting your booth. If you do not make the necessary provisions for invited authors and guests, they will be required to pay and register in order to enter the exhibits area.

Exhibitor personnel are welcome to attend all Academy functions as a "regular" attendee except in cases where there are additional charges assessed to our members, e.g. professional development workshops requiring additional paid registration. Exhibitor registration does not grant access to any member-only benefits, including papers post conference and login access to the online program. In order to have access to papers you must register as a regular conference attendee. To protect exhibitor samples, no one is allowed into the Exhibits Area when it is not open and no one is permitted into the area without a badge. The Technology Centers inside the exhibit hall will be open during exhibit hours only.

Out & About Exhibitor Tables:

This is a great opportunity for you to reach hundreds of attendees that may not have the time to visit the exhibit hall. One 6-foot skirted table will be placed in one of the Technology Centers in your choice of meeting venue where the sessions are taking place (Sheraton, Hilton, Park Plaza, Marriott or Westin). The table will be available to you for use Saturday-Monday, during exhibit hours. The table must be manned by a member of your organization at all times and no items should be left at the table while it is not manned. The Out & About table can be purchased at the same time as your booth/s. For more information on the Technology Centers go to [page 10](#).

How to Obtain Exhibit Space

Assignment Process for Exhibit Space:

The online system is open. All exhibitors were notified in September 2018. If you have not already purchased your booth, please [click here](#) to enter the system. **The system is real time and will be on a first-come, first-served basis.** ****Please note that the booth/s chosen by the exhibiting company during the booth selection process are not guaranteed until payment is received in full whether payment is made by check or credit card.**

Additional Information

The cost of each booth includes **five** complimentary conference exhibitor badges, general illumination, one booth identification sign with the exhibitor's name on it, 8-feet high drapery at the back of the booth, and 3-feet high draped side dividers. Booth fees also include a listing as an exhibitor in the Annual meeting materials circulated to the Academy members attending the event, if reserved before the deadline. ([See "Important Dates" page 8](#)).

Exhibit Hall Colors:

Blue and white drape

Carpet:

The exhibit hall is NOT carpeted - AOM requires all exhibitors to carpet their booths/display

Official Academy Exposition Services Contractor:

The official show decorator is GES, www.ges.com/US/home. Booth space does not include carpet, tables, chairs or other equipment, nor does it include electricity, labor or other services. All utilities (including internet and electrical outlets) must also be pre-ordered from the appropriate vendors. Order forms for all such materials and services will be included in the service kit supplied by the official show decorator. Information regarding rental and service orders with descriptions and rates for all items will be made available to every confirmed exhibitor by the official show decorator at least 60 days prior to the meeting or upon receipt of a booth confirmation from our exhibit management system. The service kit will be available online through Espresso which is the GES online ordering system. AOM will also provide a link from the Exhibit Management System and a hard copy can be printed off from the GES website. Shipping information will also be included in the service kit.

Hotel Accommodations:

Exhibitors are responsible for making their reservations through the Academy of Management Housing Bureau. Exhibitors are urged to make hotel reservations as early as possible. The Housing Bureau website will be open at the end of February. An email will be sent to all Exhibitors & Sponsors at that time with links to the Exhibitor & Sponsor room reservation system.

Housing Advisory

Experient is the only official housing bureau for the 2019 AOM Annual Meeting. Any other company or travel agency contacting you is not affiliated with AOM. In some cases these companies claim to have hotel rooms at discounted rates, but when you arrive on-site the hotel does not have your reservation. As always, AOM secures a housing block providing discounted and convenient hotel accommodations for the Annual Meeting.

Annual Meeting Exhibitor & Attendee Communities:

Please take advantage of the Annual Meeting **Exhibitors Community** at Connect@AOM! This new online collaborative platform dramatically improves the networking tools available to AOM Exhibitors to connect and collaborate not only with each other but with AOM members and conference attendees as well. The **Exhibitor Community** is a place where you can extend your reach within the AOM community and share what your organization has to offer.

Key Community Platform Features**Library:**

Those contacts will receive an email from Megan Johnson (May) with further instructions on how to access and utilize the platform as well as a link to invite additional booth personnel to join.

*AOM will be sending two emails to **all registered attendees** on behalf of exhibitors. The first one will go out in **June** and the second will go out in **July**. The purpose of these emails is to create awareness and excitement about the exhibit hall and the Exhibitor Community. Please do your part and share!

The Annual Meeting **Attendee Community and the Exhibitor Community** will also be used to highlight one exhibitor every day leading up to the start of the meeting. The posts will be created by the AOM. We will use whatever company description and logo you entered into the booth sales system so make sure that information is up to date. We will also hyperlink the logo to the website you provided in the sales system.
