Reframing the Power Limiting Assumptions

Jodi Ecker Detjen, Professor of Management, Suffolk University

Kelly Watson, Managing Partner, Orange Grove Consulting

Defines the fundamental, career-limiting assumptions about ideal womanhood that restrict women from reaching their potential. Using a framework, cases, and reflection, participants learn to identify these assumptions to determine how they are affecting their decision making process. Participants learn how to reframe the assumptions affecting them to open up possibilities and creatively solve problems.

10:15 am - 10:30 am

Live, Work & Play Giveaway

10:30 am - 12:00 pm	<p>15 minute break & on time return giveaway, not to be missed!</p> <p>Making Your Needs Equal</p> <p>Participants learn to how to make their needs and wants equally important to others. They learn to step back from socialized responses towards self-sacrifice and see how advocating for themselves improves outcomes for everyone. Participants learn and practice the “I am important” model for accomplishing this while using scripting and role-plays to understand the nuance.</p>
12:00 pm - 1:15 pm	<p>Luncheon (Keynote to be Announced)</p>
1:15 pm - 2:15 pm	<p>Panel Discussion</p> <p>Tiffany Hu, Director of Women Initiatives, National Association of Asian American Professionals (NAAAP)</p> <p>Christopher Roussin, Director of Academics & Research, Simulator Program, Boston Children's Hospital</p> <p>Lee Filipe, Deputy Director, Information Technology, Massachusetts Port Authority</p> <p>During this interactive panel, hear real stories of personal challenge and visualize the possibilities in action.
