

AV Supply Group

AV Supply Group is an Australasian owned company specialising in the supply and distribution of audio visual accessory products into the Australasian market. AV Supply is proud to be a leading local distributor of a number of world leading audiovisual and information technology brands.

Our innovative products, sold principally under the AVS, Aurora, Bell'O, Chief, Da-lite, Elite Screens, Nexus21, Salamander, Sanus, Simple Control, Sonorous and Thor brand names, are sold through numerous channels, including consumer electronics retailers, Pro AV dealers, regional home theater dealers, trade wholesalers and original equipment manufacturers.

Values

Integrity, Honesty, straightforwardness, personal respect for employees, customers, and suppliers

Customer Responsiveness

Simply be the easiest partner to deal with for our customers

Innovation

In products, customer service, and in our internal processes

Passionate Contribution & Empowerment

Recognizing that everyone's contribution makes a difference

Continuous Improvement

As a habit, not an initiative -- always focused on improving quality

Purpose

To provide unmatched attention to our customers known and anticipated needs through:

- Product innovation
- Superior customer service
- Creative solutions to unique customer challenges

Mission

Dramatically Enhancing Your Experience with Technology
