

Opening doors to business and life

ASSA ABLOY

ASSA ABLOY Entrance Systems

The global leader in
door opening solutions

ASSA ABLOY Entrance Systems is the world's most comprehensive supplier of entrance automation solutions and maintenance services. We take a holistic approach to the flow of people and goods, creating solutions with the best possible balance of cost, quality and lifetime performance.

At our disposal is a strong portfolio of well-established ASSA ABLOY brands. These have been the market leaders in their fields for decades, which means all have a strong history of proven solutions and extraordinary service expertise. Today they are gathered under a single roof, where they now form a complete offering for the front, back and interior of your building.

At the core of our company lies a broad and deep experience, with a wealth of expertise and providing a strong history of proven product, service and maintenance solutions for all kinds of automatic entrances across the globe since 1962.
