

CELLMORE GROUP is a Singapore-based fishery group whose main business involves rearing, value adding and marketing of seafood. The Group has spent the last few years developing its vertically integrated business offerings which encompasses all aspects of the supply and value chain, incorporating every process from 'Hatch to Dispatch'. Committed to provide the highest quality products to our customers, the Group is adapting to the GMP, HACCP and FSSC 22000 Food Safety System Management in our production process. In addition, our products are also HALAL certified.
