# THE ADEL CORP WAY

We are a Canadian company with 30 years in retail business as manufacturer, vendor and consultant of private label, foodservice and branded projects. Working with well-known multinational companies and regional market leaders, we have years of experience in developing, manufacturing and exporting products to the Canada and Latin America markets to provide private label and branded products to retailers.

From tackling food retail demands to reaching important sales milestones, Adel Corp has experience guiding clients on the path of success. As a professional private label developer and manufacturer and international trade corporation, our professional team guarantees great results. We are fueled by our commitment to excellence and go the extra mile to make sure clients are fully satisfied with every product developed.
