## HOSPITALITY POS SYSTEM

### ELEGANT, USER FRIENDLY POS SYSTEM

We have been providing some of the best POS systems for small businesses since 2003. Our systems are suitable for table dining, takeaway and home delivery with powerful customer management and sales & stock reporting tools. Our POS software works on traditional touchscreen POS terminals, tablet PCs, iPads and iPhones.

- 01 OPTIMUS POS system 15"
- 02 VARIPOS POS system 15"
- 03 Customer pricing display 9.7"
- 04 Customer pricing display 9.7"
- 05 Kitchen display system KDS

### PAPER FREE BETTER COMMUNICATION

#### → SWITCH DOCKET PRINTER TO TOUCH SCREEN MONITORS

We know how busy it can get in the kitchen. Our Kitchen Display System (KDS) helps you eliminate paper dockets in the kitchen, order will pop up in the kitchen screen after ordering while completed items can be removed easily on the display.

KDS also features times tracker and various colour-coded for the order that helps staff managing incoming and outgoing orders more effectively.
