At Indian Treat we believe in growing naturally. Our ethics of excellence are inspired by mother earth.

For more than five decades we are bringing a true happiness & joy on the faces of millions of our consumers worldwide by bringing high quality food to global palate.

Indian Treat is synonymous with the true taste of India in 5 continents of the world including Asia, Europe, North America, Africa & Australia

This is an ISO 22000, BRC and HACCP certified leading manufacturer of the Purest and Best Quality of Processed Food.

Indian Treat has long been recognized as leading foodstuff exporter with corporate office in Mumbai-India. With extensive industry knowledge and wide range of products it continues with its vision of being the premier provider of rice and other food products.

The foundation of Indian Treat was laid in 1960 by Shri. B.L. Aggarwal. He started with small shelling unit, which was then converted into a modern rice mill with the efforts of the next generation. In 1992, this rice mill was upgraded to a world-class fully automated rice production unit. Year 2000 onwards, Indian Treat was launched by the third generation of the family and there on it took the business to global stage with exports to all across globe.

Today, our Units are spread over 40 acres with storage capacity of over 150000mt with production capacity of 1200mt, we have become one of the premium manufacturers and exporters of Basmati rice and other food products.

Due to our immense experience and expertise in the industry, we are able to source products from the best of places in India. Our quality and experienced workforce works hard to provide our consumers with the best quality products.

Introduction To Frozen Food Range

After having a significant hold in the US market as rice suppliers for many years, we would like to introduce our most extensive range of frozen food products and the highest level of customer service from the best frozen food suppliers in the US. As a frozen food wholesaler that takes great pride in the products that we provide, you can rest assured that every item you order will be of the highest quality and will guarantee satisfaction every time.

Everything You Need From a Frozen Food Wholesaler

As a caterer you will know that there are countless benefits to buying frozen products, and especially including year round availability and long term menu planning. That's why you need a frozen supplier with the best choice, realistic minimum order values and flexible ordering and payment methods to ensure that your kitchen can run to the best of its ability. Not only are we expert frozen suppliers but we also provide a terrific range of other frozen food such as desserts and dairy products.

- **Savoury**
Samosas, spring rolls, patties are the few amongst the vast range we have to offer.
- **Base curries**
Makhani, korma, tikka sauces etc.
- **Indian breads**
Naan, poori, bathuras etc. to name a few.
- **Sweets/Desserts**
Gulab jamun, rasmali, barfi are the few mouth watering names from are enormous range of desserts.
- **Ice creams**
Our unique ethnic range of ice creams is something to look forward too like motichoor ice cream, maghai pan ice cream, gulkand ice cream etc.

Our dedicated team of catering enthusiasts know exactly what goes into every single one of our products. Whether it's raw frozen produce or a product which has been pre-prepared to the highest standard saving the caterer time and effort in onsite preparation, you will find the same exacting standards in all of our foods.
