RE: New Charities Registration Number  
CH2192700

Dear Sir/Madame:

This letter serves to confirm our receipt of your initial registration application packet and to issue your organization a charitable registration number. Pursuant to the Charitable Registration and Investigation Act, N.J.S.A. 45:17A-18 et seq., you may assume that your Charitable Registration application has been accepted within ten (10) business days of this letter. Therefore, within ten (10) business days of the date of this notice, you may refer to the above charitable registration number and proceed as an organization registered to solicit funds in this state.

Please note that your registration application packet is still under review. If your application is found to be incomplete, you will be notified and a prompt remedy to the deficiency is expected. If your organization does not take steps to remedy the deficiency in a timely manner, your Charitable Registration number will be revoked and it will be unlawful for your organization to solicit funds.

Your organization must renew its Charitable Registration annually. All renewal registrations are due six (6) months after your organization's fiscal year end. A renewal registration form will be sent to you. If you do not receive an application for renewal, you must call and request one before your organization's deadline. Please keep this letter in your permanent files to easily access your organization's Charitable Registration information in the future.

Thank you for your attention.

Sincerely,

Sandra Smith
