Student Summit is the perfect place to interview multiple students over a three day period. Having a table on the show floor gets your name out there and gives students an opportunity to interact with you and learn more about your company.

**Space is limited and will be sold on a first come, first served basis.*

Package includes:

- One interview booth inside the interview rooms provided (includes one table and three chairs)
- One six foot table on the show floor, which will be open during the Networking Reception/Career Fair on Saturday evening from 5:00pm – 7:00pm, as well as coffee breaks and meals on Sunday.

Are you sending more than two representatives from your company? Extra exhibitors representing the same company can register online for a \$150 additional fee. Any number of exhibitors may be present at each table on the show floor during Saturday evening's Career Fair and Sunday coffee and meal breaks. All meals are included in \$150 fee.

Extra Interview Booths

Expand your reach and conduct multiple interviews at the same time. Each extra interview booth allows for students to be interviewed simultaneously, instantly increasing the number of students each company gets to interact with.
