XXIV European Congress of Perinatal Medicine

Florence, June 4th - 7th, 2014

Palazzo dei Congressi

Preliminary Program
June 4th, 2014

**13.00-16.00 - HALL 1**

*Perinatal Training Course 1 - Obstetrical Skills training (shoulder dystocia, forceps, ventouse, breech)*

Scientific Coordinator: T. Draycott, United Kingdom - C. Winter, United Kingdom

**13.00-16.00 - HALL 2**

*Perinatal Training Course 2 - Ventilatory support strategies: update*

Scientific Coordinator: E. Shinwell, Israel

- **13.00-13.45** Overview of attempts to prevent BPD  
  Speaker: E. Shinwell, Israel

- **13.45-14.30** Minimally-Invasive Surfactant Therapy (MIST)  
  Speaker: P. Dargaville, Australia

- **14.30-15.15** Avoiding Mechanical Ventilation  
  Speaker: W. Göpel, Germany

- **15.15-16.00** High-Flow Nasal Cannula vs. NCPAP vs. NSIMV  
  Speaker: A. Kugelman, Israel
13.00-16.00 – HALL 3

**Perinatal Training Course 3 - Brain cooling**

*Chairperson: T. Austin, United Kingdom*

13.00-13.35 Cooling from bench to bedside.
*Speaker: D. Azzopardi, United Kingdom*

13.35-14.10 How to treat neonatal seizures
*Speaker: E. Saliba, France*

14.10-14.45 Electrophysiological brain monitoring
*Speaker: L. Hellstrom Westas, Sweden*

14.45-15.20 Cooling and outcome
*Speaker: N. Marlow, United Kingdom*

15.20-16.00 Developing a neuroprotection network
*Speaker: T. Austin, United Kingdom*

---

13.00-16.00 – HALL 4

**Perinatal Training Course 4 - Intrapartum Fetal Monitoring**

*Scientific Coordinators: I. Amer-Wåhlin, Sweden - D. Ayres-de-Campos, Portugal*

13.00-13.40 The preterm fetus- Antepartum fetal monitoring with or without ruptured membranes
*Speaker: K. Marsal, Sweden*

13.40-14.20 Physiology behind CTG patterns in preterm fetuses
*Speaker: E. Chandraharan, United Kingdom*

14.20-15.00 Nordic prospective multicenter study: STAN prem
*Speaker: I. Amer-Wåhlin, Sweden*

15.00-16.00 Interactive discussion of cases
13.00-16.00 - HALL 5
Perinatal Training Course 5 - How to manage fetal and neonatal pain and suffering.
Chairperson: D. Haumont, Belgium

Speaker: A. Mikhailov, Russia

Procedural pain and oxidative stress in the newborn
Speaker: G. Buonocore, Italy

Sensorial saturation for newborns and fetal opioids management
Speaker: C. Bellieni, Italy

Pain control during invasive procedure in newborn
Speaker: P. Lago, Italy

13.00-16.00 - HALL 6
Perinatal Training Course 6 - How to critically appraise perinatal studies and guidelines
Scientific Coordinator: Z. Alfirevic, United Kingdom

How to interpret Cochrane review
Speaker: Z. Alfirevic, United Kingdom

13.00-16.00 - HALL 7
Perinatal Training Course 7 - First trimester screening
Scientific Coordinator: K. Nicolaides, United Kingdom

LO FA DA SOLO
13.00-16.00 - HALL 8
Perinatal Training Course 9 - Individualized neonatal nutrition
Chair: G. Moro, Italy

13.00-13.45 Breast milk in preterm infants
Speaker: S. Arslanoglu, Turkey

13.45-14.30 Colostrum: does it matter in preterm infants?
Speaker: M. Tackoen, Belgium

14.30-15.15 Nutrition and infections
Speaker: P. Manzoni, Italy

15.15-16.00 The Evidence base for neonatal nutrition
Speaker: N. Modi, United Kingdom

13.00-16.00 - HALL 9
Perinatal Training Course 10 - Applied anatomy for obstetricians: from theory to practice
Chairperson: J. M. Palacios-Jaraquemada, Argentina

13.00-13.45 Anatomy of the vascular control to the pelvis
Speaker: J. M. Palacios-Jaraquemada, Argentina

13.45-14.30 Easy anatomical steps to identify and to dissect the pelvic ureter
Speaker: J. M. Palacios-Jaraquemada, Argentina

14.30-15.15 Uterine hemostasis in relation with the anatomical irrigation areas
Speaker: J. M. Palacios-Jaraquemada, Argentina

15.15-16.00 Abdominal access to pelvisubperitoneal spaces (abdominal extension of vaginal tears)
Speaker: J. M. Palacios-Jaraquemada, Argentina
16.00-18.00 - HALL 8

The Voice of National Societies
Meeting of EAPM Board and National Societies (By invitation only)
Theme: Perinatal Mortality
Chairpersons: G.H.A. Visser, The Netherlands - E. Mason, WHO Switzerland

18.00-19.30 - Plenary Hall

Opening Ceremony
Chairperson: G.H.A. Visser, The Netherlands - G. Donzelli, Italy

18.00-18.10 Welcome of the EAPM President
Speaker: G.H.A. Visser, The Netherlands

18.10-18.20 Welcome of the ECPM President
Speaker: G. Donzelli, Italy

18.20-18.50 “Birth through thrust”
Speaker: S. Adzick, USA

18.50-19.00 Maternità Awards
June 5th, 2014

08.00-09.00 - HALL 1
Oral Communication - 1 (6 oral for 10 minutes each)

08.00-09.00 - HALL 5
Oral Communication - 2 (6 oral for 10 minutes each)

08.00-09.00 - HALL 3
Oral Communication - 3 (6 oral for 10 minutes each)

08.00-09.00 - HALL 4
Oral Communication - 4 (6 oral for 10 minutes each)

09.00-09.30  Plenary Hall
“Buon giorno” Lecture
Honoring the stories of illness
Speaker: R. Charon, USA

Introduced by G. Donzelli, Italy
09.30-11.00 - Plenary Hall

Plenary Session 1 - Prematurity: latest news, part 1
Chairpersons: G.H.A. Visser, The Netherlands - U. Simeoni, France

09.30-09.45 Progestogens for the prevention of preterm birth
   Speaker: R. Romero, USA

09.45-10.00 Cervical pessary, progesterone and/or cerclage for prevention of preterm birth
   Speaker: Z. Alfirevic, United Kingdom

10.00-10.15 Lessons from the EXPRESS Study
   Speakers: K. Marsal, Sweden

10.15-10.30 Moving away from traditional neonatal care
   Speaker: D. Haumont, Belgium

10.30-11.00 Discussion

11.00-11.30 Coffee Break & Poster Walk
11.30-13.00 - HALL 1
Parallel Session 1 - Abnormal placentation
Chairperson: T. Somville, Germany

11.30-11.40 Introduction: Video on placenta previa percreta
11.40-11.55 Abnormal placentation in the scarred uterus: risk for obstetricians
  Speaker: J.M. Palacios-Jaraquemada, Argentina
11.55-12.10 Management of abnormal placentation (accreta, percreta, increta)
  Speaker: C. Hubinont, Belgium
12.10-12.25 Management of massive PPH
  Speaker: S. Arulkumaran, United Kingdom
12.25-12.40 Morbidly adherent placenta
  Speaker: G. Calì, Italy
12.40-13.00 General discussion

11.30-13.00 - PLENARY HALL
Parallel Session 2 - Perinatal Nutrition
Chairperson:

11.30-11.45 Nutritional programming of adult disease
  Speaker: M. Hanson, United Kingdom
11.45-12.00 Maternal nutrition in pregnancy and lactation
  Speaker: I. Cetin, Italy
12.00-12.15 Nutrigenomics applicability in neonatal medicine
  Speaker: H.G. Joost, Germany (Riccardo d'Avanzo)
12.15-12.30 Neonatal nutrition and adult metabolic outcome
  Speaker: N. Modi, United Kingdom
12.30-13.00  General discussion

11.30-13.00 - HALL 3
Parallel Session 3 - Perinatal Lung
Chiarperson:

11.30-11.45  Lung development  
Speaker: L. Zimmermann, The Netherlands

11.45-12.00  Lung protective strategies  
Speaker: A. Van Kaam, The Netherlands

12.00-12.15  Oxygen use in the delivery room in preterm infants: updated information.  
Speaker: O.D. Saugstad, Norway

12.15-12.30  Respiratory distress syndrome: is it an inflammatory disease?  
Speaker: C.P. Speer, Germany

12.30-13.00  General discussion

11.30-13.00 - HALL 4
Parallel Session 4 - Perinatal Neuroscience
Chiarperson:

11.30-11.45  The use of in-utero MRI to supplement ultrasounds in the foetus at high risk of brain or spinal abnormalities  
Speaker: P. Griffiths, United Kingdom

11.45-12.00  MRI of connectivity and function of the fetal brain  
Speaker: D. Prayer, Austria

12.00-12.15  The preterm brain with minor or no lesions and abnormal development  
Speaker: P. Huppi, Switzerland
12.15-12.30 From germinal matrix to cerebellar haemorrhage in VLBW newborn infants
Speaker: L. Ramenghi, Italy

12.30-12.45 Cooling and or pharmacological brain protection?
Speakers: D. Azzopardi, United Kingdom

12.45-13.00 General discussion

**11.30-13.00 - HALL 5**
Parallel session 5 - Viral infection in pregnancy CMV - workshop
Chairperson: K. Friese, Germany - G. Nigro, Italy

11.30-11.45 Overview on viral infections in pregnancy
Speaker: G. Nigro, Italy

11.45-12.00 Parvovirus B19
Speaker: W. Koch, United States of America

12.00-12.15 Herpes Simplex Virus and Varicella Zoster Virus
Speaker: A. Gershon, United States of America

12.15-12.30 Hyperimmunoglobulin for prevention of congenital CMV disease
Speaker: S. Adler, United States of America

12.30-12.45 Biotest Study No. 963 *
Speaker: K. Friese, Germany

12.40-13.00 Discussion

* Lecture supported by an unrestricted educational grant of Biotest

**13.00-14.00 Lunch Break / Luncheon Symposium**
14.00-15.00  **PLENARY HALL**

"Buon pomeriggio” Lectures

15.00-16.30 HALL 2
Parallel Session 7 - Fetal therapy
Chairperson: L. Cabero Roura, Spain

15.00-15.15 Fetal alloimmune thrombocytopenia
Speaker: D. Oepkes, The Netherlands

15.15-15.30 Management of fetal hydrops
Speaker: Y. Ville, France

15.30-15.45 Management of fetal cardiac abnormalities
Speaker: J. Carvalho, United Kingdom

15.45-16.00 The PLUTO study (2 years on): does prenatal intervention improve the long term outcome in babies with congenital bladder neck obstruction?
Speaker: K. Morris, United Kingdom

16.00-16.15 The role of LCPufa in pregnancy: an update
Speaker: L. Cabero Roura, Spain

16.15-16.30 Discussion

15.00-16.30 HALL 3
Parallel Session 8 - Ventilatory Support
Chairperson:

15.00-15.15 Surfactant replacement therapy in developing countries
Speaker: R.K. Pejaver, India

15.15-15.30 Update on surfactant administration techniques
Speaker: L. Zimmerman, The Netherlands

15.30-15.45 Inhaled steroids and preventions of BPD: the neurosis trial
Speaker: C. Poets, The Netherlands
15.45-16.00 Evaluating the fetus at risk for cardiopulmonary compromise  
Speaker: M. Vento, Spain

16.00-16.15 The point on non invasive neonatal ventilation  
Speaker: F. Mosca, Italy

16.15-16.30 Discussion

15.00-16.30 HALL 4  
**Parallel Session 9 - Transmissible peripartum infections**  
**Chairpersons:** G.C. Di Renzo, Italy - X. Carbonell Estrany, Spain

15.00-15.15 The laboratory - old and new tools to detect GBS  
Speaker: P. Melin, Belgium

15.15-15.30 New technologies: should we screen at 35-37 weeks or diagnose intrapartum  
Speaker: M. Hod, Israel

15.30-15.45 Lessons learned from a case of maternal septic shock  
Speaker: S. Arulkumaran, United Kingdom

15.45-16.00 The recommendations of the Consensus Conference on “Strategies for GBS screening, prevention and treatment in the perinatal period”  
Speaker: G.C. Di Renzo, Italy

16.00-16.30 Discussion

15.00-16.30 HALL 5  
**Parallel Session 10 - South East European Society of Perinatal Medicine (SEESPM)**  
**Chairpersons:** S. Beksac, Turkey - A. Athanassiadis, Greece

16.30-17.00 Tea Break / Poster
17.00 - 17.30 Plenary Room

“Buona sera” Lecture

Non-invasive prenatal testing (including treatment of Down syndrome)
Speaker: D. Bianchi, USA

Introduced by T. Bui, Sweden

17.30-18.30 - HALL 1
Oral Communication - 5 (6 oral for 10 minutes each)

17.30-18.30 - HALL 5
Oral Communication - 6 (6 oral for 10 minutes each)

17.30-18.30 - HALL 3
Oral Communication - 7 (6 oral for 10 minutes each)

17.30-18.30 - HALL 4
Oral Communication - 8 (6 oral for 10 minutes each)
June 6th, 2014

08.00-09.00 - HALL 1
Oral Communication - 9 (6 oral for 10 minutes each)

08.00-09.00 - HALL 5
Oral Communication - 10 (6 oral for 10 minutes each)

08.00-09.00 - HALL 3
Oral Communication - 11 (6 oral for 10 minutes each)

08.00-09.00 - HALL 4
Oral Communication - 12 (6 oral for 10 minutes each)

09.00-09.30 - Plenary Room
“Buon giorno” Lecture

Abnormal fetal growth
Speaker: I. Cetin, Italy

Introduced by A. Antsaklis, Greece
09.30-11.00 - Plenary Hall

Plenary Session 2 - Fetal Growth Restriction

Chairs: M. Hanson, United Kingdom - B. Sun, China

09.30-09.45 Differences between the early and late IUGR
   Speaker: G.H.A. Visser, The Netherlands

09.45-10.00 The management of significant selective intrauterine growth restriction in monochorionic twins
   Speaker: E. Gratacos, Spain

10.00-10.15 The early IUGR: when to deliver
   Speaker: C. Lees, United Kingdom

10.15-10.30 The optimal strategy in the management of late onset fetal growth restriction
   Speaker: S. Scherjon, The Netherlands

10.30-11.00 General discussion

11.00-11.30 Coffee Break & Poster Walk
11.30-13.00 - HALL 1
Parallel Session 11 - ‘Doctors and Midwives: care or cure’
Chairperson:

11.30-11.45 What do we need more during labour, cure or care
Speaker: M. Guana, Italy

11.45-12.15 Debate: should we use electronic monitoring in all women during labour?
CON: Norwegian midwife
PRO: D. Ayres-de-Campos, Portugal

12.15-12.30 The importance of collaboration between midwives and obstetricians
Speaker: I. Amer-Wåhlin, Sweden

12.30-13.00 General discussion

11.30-13.00 - HALL 2
Parallel Session 12 - Epigenetic perinatology: in memory of David Barker
Chairperson:

11.30-12.00 Epigenetics: new concepts of old phenomena in perinatology
Speaker: M. Hanson, United Kingdom

12.00-12.15 Early Origins of Adult Diseases: a holistic approach
Speaker: U. Simeoni, France

12.15-12.30 Birth-Weight and Gender Adult Autoimmune Diseases
Speaker: G. Donzelli, Italy

12.30-12.45 Homozygote twins as model for epigenetic studies
Speaker: T. Spector, United Kingdom

12.45-13.00 General discussion
**11.30-13.00 - HALL 3**

*Parallel Session 13 - Autoimmune diseases in perinatology*

*Chairperson: G. Breborowicz, Poland*

11.30-11.45  Autoimmunity & recurrent abortions  
*Speaker: H. Carp, Israel*

11.45-12.00  Connective tissue diseases and pregnancy outcomes  
*Speaker: M. Mosca, Italy*

12.00-12.15  Fetal & Neonatal autoimmune disease  
*Speaker: E. Gambineri, Italy*

12.15-12.30  Which tests & which management to improve results  
*Speaker: L. Regan, United Kingdom*

12.30-13.00  General discussion

**11.30-13.00 - HALL 4**

*Parallel Session 14 - Diabesity*

*Chairpersons: A. Dijgaard, Denmark - H. Yang, China*

11.30-11.45  Antenatal interventions during pregnancy: are there perinatal advantages?  
*Speaker: F. McAuliffe, Ireland*

11.45-12.00  Obesity or gestational diabetes: which is the biggest problem  
*Speaker: Y. Yogev, Israel*

12.00-12.15  Which criteria to use to diagnose GDM  
*Speaker: M. Hod, Israel*

12.15-12.30  Timing of delivery  
*Speaker: S. Alberico, Italy*
12.30-13.00 General discussion

**11.30-13.00 - HALL 5**

*Parallel Session 15 - WAPM Session*

*Chairpersons: A. Antsaklis, Greece - M. Stanojevic, Croatia*

**13.00-14.00 Lunch Break/Luncheon Symposium**

**13.00-14.00 HALL 5**

*EAPM General Assembly*

*Chairperson: G.H.A. Visser, The Netherlands*

**14.00-15.00 PLENARY HALL**

*“Buon pomeriggio” Lectures*

14.00-14.30 Fetal Surgery  
*Speaker: J. Deprest, Belgium*

14.30-15.00 Diabetes and Pregnancy: unfinished story  
*Speaker: G.H.A. Visser, The Netherlands*

*Introduced by J.C. Nijhuis, The Netherlands*

**15.00-16.30 - HALL 1**

*Parallel Session 16 - Intrapartum Fetal Monitoring*

*Chairpersons: T. Todros, Italy - I. Amer-Wåhlin, Sweden*

15.00-15.15 Technical advances in intrapartum fetal monitoring  
*Speaker: D. Ayres-de-Campos, Portugal*

15.15-15.30 Adverse outcomes related to intrapartum fetal monitoring  
*Speaker: B. Markovic Yli, Norway*
15.30-15.45  Training in intrapartum monitoring: getting to the European level  
**Speaker:** A. Ugwumadu, **United Kingdom**

15.45-16.00  Improving labour ward safety by simulation-based training in obstetrical emergencies  
**Speaker:** C. Vayssiere, **France**

16.00-16.30  General discussion

**15.00-16.30 - HALL 2**

*Parallel Session 17 - Cesarean section: techniques and pitfalls*

*Chairpersons: M. Stark, Germany - J. Palacios-Jaraquemada, Argentina*

15.00-15.15  Role of dynamic real time fetal MRI in delivery planning  
**Speaker:** T. Feygin, **USA**

15.15-15.30  Caesarean section rates - how to make international comparison?  
**Speaker:** M. Robson, **United Kingdom**

15.30-15.45  Intrapartum sonography and caesarean section  
**Speaker:** A. Malvasi & G.C. Di Renzo, **Italy**

15.45-16.00  *Techniques: (Coronis trial)*  
**Speaker:** P. Brocklehurst, **United Kingdom**

16.00-16.15  Failure of progress during labour; uterine EMG recordings  
**Speaker:** B. Jacod, **The Netherlands**

16.15-16.30  General discussion
15.00-16.30 - HALL 3
Parallel Session 18 - The East meet the West
Chairpersons: A. Mikhailov, Russia - F. Stamatian, Romania

15.00-15.15 Influence of maternal nutrition in pregnancy
Speaker: A. Athanasiadis, Greece

15.15-15.30 Perinatal outcome when the mother is over 45
Speaker: N. Radunovic, Serbia

15.30-15.45 Pregnancy after organ transplantation
Speaker: M. Wielgos, Poland

15.45-16.00 Assisted Reproductive Technologies and pregnancy outcome in cancer patients
Speaker: A. Kalugina, Russia

16.00-16.15 Reorganization of perinatal care in the Russian Federation
Speaker: D. Ivanov, Russia

16.15-16.30 General discussion
15.00-16.30 - HALL 4

Parallel Session 19 - Ethics

Chiarpersons:

15.00-15.15 Ethics, deontology, laws & reproduction  
**Speaker:** G. Baldini, Italy

15.15-15.30 The professional responsibility model of perinatal ethics  
**Speaker:** F. Chervenak, USA

15.30-15.45 Periviable babies around the world:  
Where are we now and what the future may hold  
**Speaker:** M.S. Pignotti, Italy

15.45-16.00 End of life decisions: where we are?  
**Speaker:** A.A.E. Verhagen, The Netherlands

16.00-16.30 General discussion

15.00-16.30 - HALL 5

Parallel Session 20 - European Board & College Obstetrics and Gynaecology (EBCOG)

**Chairperson:** C. Benedetto, Italy - A. Cameron, United Kingdom

16.30-17.00 Tea Break & Poster Walk
17.00 - 17.30 Plenary Hall
“Buona sera” Lecture”

Women empowerment in perinatal care
Speaker: F. Bustreo, WHO Switzerland

Introduced by D. Haumont, Belgium

17.30-18.30 - HALL 1
Oral Communication - 13 (6 oral for 10 minutes each)

17.30-18.30 - HALL 5
Oral Communication - 14 (6 oral for 10 minutes each)

17.30-18.30 - HALL 3
Oral Communication - 15 (6 oral for 10 minutes each)

17.30-18.30 - HALL 4
Oral Communication - 16 (6 oral for 10 minutes each)
June 7th, 2014

08.00-09.00 - HALL 1
Oral Communication - 17 (6 oral for 10 minutes each)

08.00-09.00 - HALL 5
Oral Communication - 18 (6 oral for 10 minutes each)

08.00-09.00 - HALL 3
Oral Communication - 19 (6 oral for 10 minutes each)

08.00-09.00 - HALL 4
Oral Communication - 20 (6 oral for 10 minutes each)

09.00 - 09.30 - Plenary Hall
“Buon giorno” Lecture

A new approach for the identification of the patient at risk for fetal death (stillbirth) in the 3rd trimester
Speaker: R. Romero, USA

Introduced by C.P. Speer, Germany
09.30-10.30 - HALL 1
Parallel Session 21 - Screening and prevention strategies
Chairperson:

09.30-09.45  NIPT: The NEXT study
Speaker: T. Musci, USA

09.45-10.00  How to prevent hypertension and preeclampsia
Speaker: H. Valensise, Italy

10.00-10.15  How to prevent chronic lung disease
Speaker: V. Carnielli, Italy

10.15-10.30  How to prevent early and late IUGR
Speaker: L. Poon, United Kingdom

09.30-10.30 - HALL 2
Parallel Session 22 - Quality improvement and perinatal networks
Chairperson: G. Monni, Italy

09.30-09.45  Updates on perinatal diagnosis
Speaker: M. Evans, United States of America

09.45-10.00  International networks
Speaker: D. Haumont, Belgium

10.00-10.15  The voice of the parents
Speaker: S. Mader, Germany SPOSTARE come da ppunti

10.15-10.30  Metabolomics in Neonatology: lights and shadows
Speaker: V. Fanos, Italy
09.30-10.30 - HALL 3
Parallel Session 23 - Hot topics
Chairperson:

09.30-09.45 Probiotics in perinatal medicine
Speaker: K. Costeloe, United Kingdom

09.45-10.00 Mg SO4 from tocolysis to fetal and neonatal brain protection
Speaker: R. Vladareanu, Romania

10.00-10.15 Maternal and neonatal outcome after liver transplantation
Speaker: G. Donzelli, Italy

10.15-10.30 An update on Stillbirth management
Speaker: F. Facchinetti, Italy

09.30-10.30 - HALL 4
Parallel Session 24 - Prematurity, part 2
Chairperson: C.P. Speer, Germany

09.30-09.45 PPROM and Preterm labour identification: the challenge
Speaker: G.C. Di Renzo, Italy

09.45-10.00 Preterm delivery and risk factors in reproductive life
