Key Aspects of NAAA's Model

- The development of relationships between NAAA, the peer support worker, clients and service
- Peer Support service delivery being regular within the designated clinics
- Services are delivered by people who identify as peers
- The model is focused on assessment and the patient journey
- Our tools and kits are self-determined

Key Aspects of NAAA's Model

GUIDELINES FOR RUNNING HEP C SUPPORT GROUPS

"LIVING WITH HEP C CAN BE A LOT EASIER WHEN YOU SHARE THE LOAD WITH A LIVERMATE."
