

Funding H₂O

O & M = Operations & Maintenance
SRF = State Revolving Funds

Solutions for permitting, going beyond concrete, etc.

Green Print

- St. Louis - worked w/ developers, need partners to bridge financing, folks investing in the equity side

Navigating Financing Resource

- Andy Kricum - peer to peer learning network experience navigating all finance mechanisms

Paper Survey

- Survey of state/utility perspective on finance (who uses SRFs / who doesn't)

•
How are projects selected - using SRFs or EIB?

- Baltimore: had pre-selected projects; used multiple sources of funding... SRF + private investors
metric = measuring plant survival

Funding O&M

Hazard Mitigation Assistance Funding from FEMA?

Ronald Schmidt

- how do you show benefits cost analysis for GSI projects?
 - much show environmental benefits over 0.75 BCA ratio
 - must be driven through hazard risk reduction benefits.... then add in "other" benefits
- trying to get more proof of concept for these tools

Other ways to generate funding?

Trust for Public Land

- run Voter Driven Ballot Initiative \Rightarrow did 25 in 2018, most passed generate @ \$20M ^{per} 20 yrs....
- (eg. Tucson, City of Denver)
- opportunities @ the municipal, city + state level;
- partner also w/ The Nature Conservancy

Sample

- Los Angeles New Bond to fund SWF

Rose Jordan

- Public, Private, Partnerships
