

Auction Donations

The IFMA Education Foundation holds its Annual Auction during IFMA's Presidents Conference. We ask your help in providing donations for the Silent Auction in order for this to be as successful as possible. This is the Foundation's largest fundraiser and a substantial amount of funds are raised through this auction.

Please help by making a donation and show your support of the next generation of foodservice leaders!

All donations need to be accompanied by a completed In-Kind Donation Form (included) and must be submitted with the item(s) by **October 2, 2017**. This event will not be successful without your help. Thank you for your willingness to get involved and help make a difference!
