

Narcolepsy meeting: From basic science to clinical management Copenhagen - January 17, 2019

Symposium Advances in narcolepsy and other central hypersomnias

Venue: Hotel Phoenix, Bredgade 37, 1260 Copenhagen

Thursday 17th of January, 2019

- | | |
|-------------|--|
| 08:30-09:00 | Registration and coffee |
| 09:00-09:45 | Prof. Poul Jennum , <i>Rigshospitalet, University of Copenhagen</i>
Welcome. Introduction to narcolepsy, Clinical presentation and disease burden |
| 09:45-10:30 | Assoc. prof. Birgitte Kornum , <i>University of Copenhagen</i>
Molecular mechanism in narcolepsy |
| 10:30-10:45 | <i>Coffee</i> |
| 10:45-11:30 | Assistant prof. Fabio Pizza , <i>University of Bologna</i>
Neurophysiological markers in narcolepsy. What is the clinical use of PSG and MSLT for evaluation of central hypersomnias |
| 11:30-12:15 | Assoc. prof. Giuseppe Plazzi , <i>University of Bologna</i>
Narcolepsy in children |
| 12:15-13:00 | <i>Lunch</i> |
| 13:00-13:45 | Assist. prof. Elena Anthelmi , <i>University of Bologna</i>
Clinical presentation and video cases of narcolepsy and RBD |
| 13:45-14:30 | Assoc. prof. Julie AE Christensen , <i>Rigshospitalet, DTU</i>
Microsleep evaluation in narcolepsy. Uses of data-driven approaches |
| 14:30-14:45 | <i>Coffee</i> |
| 14:45-15:30 | Giuseppe Plazzi and Poul Jennum in common:
Management of narcolepsy, clinical cases |
| 15:30 | <i>End of symposium</i> |
