HELPFUL HINTS

SAVE MONEY

Order early to take advantage of advance order discount rates, place your order by February 11, 2019.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC's). Thank you for your cooperation.

REDUCING YOUR FOOTPRINT

Freeman actively engages in green practices within day-to-day operations and is committed to producing events in the most environmentally friendly way possible. Freeman has collaborated with a number of customers to make their events greener and is dedicated to broadening this effort.

Green Tips for Exhibitors

Interested in going Green and saving money with your exhibit booth? Follow these tips to assist you in making your sustainable booth strategies at least cost-neutral, and possibly cost-saving!

Supplies and Ordering

- · Order exhibit supplies early and utilize online ordering systems to eliminate paper waste.
- Consider renting a booth from Freeman or buying materials locally, preventing shipping cost and lowering emissions.
- Rent Freeman Classic Carpet which contains recycled content and is also recyclable.
- Provide giveaways made of recycled, responsibly grown natural fiber, nontoxic and biodegradable materials. Ensure
 giveaways are useful, not merely promotional in nature. Electronic Giveaways are smart and trendy, like a USB storage
 drive with your content already loaded.

Printing, Recycling and Waste Management

- Encourage less printing and provide more information digitally when it comes to booth literature, fulfilling requests via email and website referrals.
- If you need to print, use a local printer in the city where the show will be held and choose paper that contains at least 50% post-consumer recycled content.
- Ask Freeman about new paper-based signage materials that are comparably priced to plastic. There are good alternatives to foam core and PVC which are not as easily recyclable.
- Participate in the exhibit donation program by providing materials that are eligible for donation to local charities, such as pens, bags and notepads.

Shipping and Transportation

- If you must ship materials, planning out your booth in a timely way to meet shipping deadlines can also help maximize consolidation and cost-savings.
- Choose a SmartWay[™]-certified hauler at no additional cost to ensure your transportation company is practicing sustainable shipping.
- Set a goal to leave no trace behind by shipping out all booth properties and packing materials and donating extra giveaways thereby minimizing any waste for the show.
- If you are attending another trade show that many of your fellow exhibitors are also participating in, ask your General Service Contractor or Show Management to set up a caravan service to save on fuel emissions—and cost of transportation.

Personnel and Best Practices

- Take advantage of local or regional representatives to staff your booth, rather than bringing staff from far away offices, reducing travel cost.
- Bring Green as part of your company message providing recycling bins in your booth and information on what you have done to exhibit in a sustainable way.

These steps can help as we all strive to make smarter and more environmentally sound decisions. For more information on the Freeman Sustainability Initiative, contact goinggreen@freemanco.com.

PAYMENT & LABOR

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

The terms and conditions set forth below become a part of the Contract between FREEMAN and you, the EXHIBITOR. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- THE METHOD OF PAYMENT FORM IS SIGNED; OR
- AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH FREEMAN; OR
- · WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH FREEMAN.

DEFINITIONS

For purposes of this Contract, "FREEMAN" or "The Freeman Companies" means Freeman Expositions, Inc., Freeman Expositions, Ltd., Freeman Audio Visual, Inc., Exhibit Surveys, Inc., Freeman Exhibit, Freeman Transportation, FreemanXP, Inc., Stage Rigging, Inc., The Freeman Company, Freeman Electrical, Inc., Freeman Digital Ventures, Inc., and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited, to any subcontractors FREEMAN may appoint. The term "EXHIBITOR" means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors ("EAC").

PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. secure funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional charges as indicated on each order form. Payment for Audio Visual services and equipment is due in advance of move-in, unless otherwise agreed in writing with Freeman. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of FREEMAN except where specifically identified as a sale. All rentals (excluding Audio Visual equipment and computers) include delivery, installation, and removal from EXHIBITOR'S booth. Rental prices on Audio Visual equipment and computers do not include labor, delivery, electrical services or removal of the equipment from the booth. In case of cancellation of any orders or services by EXHIBITOR, a one-hour "per person, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If Prestige Carpet, Custom-Cut Carpet, Modular Rental Exhibits and any other custom-order items or services have already been provided at the time of cancellation, fees will remain at 100% of the original charge. Audio Visual orders cancelled within 7 days from the show opening date will be charged a one-day rental rate on equipment. On-site cancellation of Audio Visual services will result in a one-day rental charge of equipment and any applicable labor. If the Show or Event is canceled because of reasons beyond FREEMAN'S control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. FREEMAN will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR'S responsibility to advise the FREEMAN Service Center Representative of problems with any orders, and to check the EXHIBITOR'S invoice for accuracy prior to the close of the Show or Event. If EXHIBITOR is exempt from payment of sales tax, FREEMAN requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, FREEMAN requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show; terms will be net, due and payable in DALLAS, TEXAS upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepaid basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by FREEMAN shall be either applied to reduce the principal unpaid balance or refunded to the payer. If past due invoices or invoice balances are placed with a collection agency or attorney for collection or suit, EXHIBITOR agrees to pay all legal and collection costs. THESE PAYMENT TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. In the event of any dispute between the EXHIBITOR and FREEMAN relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to FREEMAN for its services, as an offset against the amount of any alleged loss or damage. Any claims against FREEMAN shall be considered a separate transaction, and shall be resolved on its own merits. FREEMAN reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR'S estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that FREEMAN may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges. If EXHIBITOR provides a credit card for payment and charges are rejected by the EXHIBITOR'S credit card company for any reason, FREEMAN hereby provides notice that it reserves the right, and EXHIBITOR authorizes FREEMAN, to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on the EXHIBITOR'S account. In the event that a THIRD PARTY orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last day of the show, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

ELECTRICAL

If FREEMAN provides electrical services, claims will not be considered, or adjustments made unless filed in writing, by EXHIBITOR, prior to the close of the event. FREEMAN is not responsible for any damage or loss caused by the loss of power beyond its control and EXHIBITOR agrees to hold FREEMAN, its officers, directors, employees and agents harmless from such power loss. IN NO EVENT SHALL FREEMAN BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE. EXHIBITOR shall indemnify and hold harmless FREEMAN, its officers, director, employees, and agents from and against any and all claims, liabilities, damages, fines, penalties or costs of whatsoever nature (including reasonable attorneys' fees) arising out of or in any way connected with EXHIBITOR'S actions or omissions under this Agreement. Please note that electrical services are NOT automatically included in Audio Visual rentals and must be ordered separately from the designated electrical provider.

LABOR UNDER THE SUPERVISION OF EXHIBITOR RESPONSIBILITIES

EXHIBITOR shall be responsible for the performance of labor provided under this option. It is the responsibility of EXHIBITOR to supervise labor secured through FREEMAN in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with FREEMAN'S Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations. If any labor secured through Freeman is conducting overhead work, the Exhibitor is responsible for ensuring that everyone in the area of overhead work is wearing a hard hat. If the Exhibitor does not have its own hard hats, Freeman can assist with obtaining them. It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

INDEMNIFICATION

EXHIBITOR agrees to indemnify, hold harmless, and defend FREEMAN from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to FREEMAN employees, and/or property damage arising out of work performed by labor provided by FREEMAN but supervised by EXHIBITOR. Further, the EXHIBITOR'S indemnification of FREEMAN includes any and all violations of Federal, State, County or Local ordinances, "Show Regulations and/or Rules" as published and/or set forth by Facility or Show Management, and/or directing labor provided by FREEMAN to work in a manner that violates any of the above rules, regulations, and/or ordinances.

IMPORTANT

PLEASE REFER TO FREEMAN'S "MATERIAL HANDLING TERMS & CONDITIONS" AS IT RELATES TO MATERIAL HANDLING SERVICES AND TO THE "SERVICE REQUEST & SHIPPING INSTRUCTIONS CONTRACT" AS IT RELATES TO TRANSPORTATION SERVICES. CONTRACT TERMS DEPEND ON THE NATURE OF SERVICES SECURED BY EXHIBITOR THROUGH FREEMAN. TERMS & CONDITIONS MAY VARY FOR EACH TYPE OF SERVICE ORDERED THROUGH FREEMAN.

Shipper shall deliver notice of claim for loss or damage by hand, U.S. mail, courier, facsimile, or electronic means to Sedgwick, PO Box 14151, Lexington, KY 40512-4151 as soon as loss or damage is discovered. The notice of claim shall invite a prompt joint survey of the damage, at a time and place to be agreed between the parties, and such survey shall go forward promptly. However, if in any case the property is received by the Consignee or the Consignee's agent without notice of loss or damage to property being served on Freeman within 5 business days of the receipt of the property, it is agreed between Freeman and Shipper that in that instance the presumption shall arise that the property was delivered in proper quantity and in good condition. Notice of concealed damage must be confirmed in writing or via email at exhibit.transportation@freeman.com within 5 business days of receipt of the property. If Carrier schedules an inspection, claimant must hold the shipping container, all packaging material and contents in the same condition as they were in when damage was discovered. Claims filed more than nine (9) months following the date on which the property was delivered or should have been delivered are agreed to be forever time barred.

For shipping containers designed for repeated use (tradeshow cases, totes, crates), Freeman shall have no liability for superficial damage to said containers in the form of scuffs, scratches, dents or dings. Freeman will only accept liability for "catastrophic" damage to these shipping containers (crushing, puncture, or complete destruction). Freeman's maximum liability in cases of "catastrophic" damage or total loss will be limited to a depreciated value of the container based on the time elapsed from the original purchase and the purchase price established on the provided original invoice. This maximum liability will be subject to all other applicable limits of liability such as repair costs.

- 11. CHOICE OF FORUM / ARBITRATION. THIS CONTRACT SHALL BE CONSTRUED UNDER THE LAWS OF THE STATE OF TEXAS WITHOUT GIVING EFFECT TO ITS CONFLICT OF LAWS RULES. EXCLUSIVE VENUE FOR ALL DISPUTES ARISING OUT OF CONTRACT, TORT, COMMON LAW OR RELATING TO THE ENFORCEMENT OR INTERPRETATION OF THIS CONTRACT SHALL RESIDE IN A COURT OF COMPETENT JURISDICTION IN DALLAS COUNTY, TEXAS. Notwithstanding anything herein to the contrary, any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be exclusively settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof.
- 12. MISCELLANEOUS. (a) Shipper warrants the accuracy of the weight and dimension data furnished in this Contract; (b) Shipper understands that once its property is shipped by Freeman pursuant to the instructions contained in this Contract, Shipper has no right to control the shipment, stop the shipment in transit, or divert or reschedule same. (c) Shipper agrees that this Contract may be provided to any third party, including common or contract carriers of cargo by air, water, rail, or road, for the purpose of confirming the right of Freeman to control the handling of the property and all matters related to payment for the shipment. Shipper agrees that all shipments are subject to correction and final charges determined by the actual or re-weighed weight of the shipment.
- 13. SMALL PACKAGE PROGRAM. If items shipped via Freeman's Small Packages program are lost, damaged or destroyed while in Freeman's possession, FREEMAN'S MAXIMUM LIABILITY SHALL BE \$100 per package UNLESS AT THE TIME OF SHIPMENT SHIPPER MAKES A DECLARATION OF VALUE IN THE SPACE DESIGNATED ON THE SHIPPING INSTRUCTIONS AND PAYS THE APPROPRIATE VALUATION CHARGE. If small packages are received by the Shipper and notice of loss or damage is not received by Freeman within 15 days of the delivery of the property, the parties agree that the presumption shall arise that the property was delivered in proper quantity and in good condition.

WHAT ARE FREIGHT SERVICES?

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts.
 Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in.
 Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading "prepaid."
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one "cwt." (one hundred weight). All shipments are subject to reweigh.
- On the Material Handling Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the rate for the freight category that best describes your shipment. There are four categories of freight:

Crated: material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling: material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.

FREIGHT SERVICES

Uncrated: material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting points.

Carpet and/or Pad Only: shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

- All inbound and outbound shipments are subject to overtime charges if the shipments are received, loaded or unloaded during the overtime hours specified on the Material Handling Order Form. This includes both warehouse and show site shipments.
- Add any late delivery or off-target charges listed on the Material Handling Order Form if the freight will be received after the deadlines listed on the Quick Facts.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handing Agreement and labels will be available for pick up at the Freeman Service Center.

- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information.
 Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman's carrier choice or delivered back to the warehouse at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage.
 This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

SPECIAL HANDLING DEFINITIONS

for frequently asked questions and material handling estimator tools, go to www.freeman.com

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver.

What is Ground Loading/Unloading?

Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.

What is Constricted Space Loading/Unloading?

Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full capacity of trailer – top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.

What is Designated Piece Loading/Unloading?

Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.

What are Stacked Shipments?

Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

What is Shipment Integrity?

Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

What is Alternate Delivery Location?

Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building, or to other buildings in the same facility.

What are Mixed Shipments?

Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. Freeman defines special handling for mixed loads as having less than 50% of the volume as uncrated.

What does it mean if I have "No Documentation"?

Shipments arrive from a small package carrier (including, among others, Federal Express, UPS & DHL) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

What is the difference between Crated and Uncrated Shipments?

Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting points.

What about carpet only shipments?

Shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Two overall considerations for submitting acceptable artwork involves proper resolution or size of the file to avoid poor quality images, and proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

•Logos should be vector and have outlined fonts(if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- · Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

• Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- · High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

NATIVE FILES:

- AI CLOUD (CC) file with Packaged supporting links and fonts. You may keep images linked but Packaging feature must be used.
- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- · EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:

- •High-res PDF-X/4 (preferred)
- Al with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:

- •Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK

•Files below 10 MB can be delivered via email. Larger files may be posted to Freeman's FTP site. You may get the password and other needed information from your Freeman service representative in order to post files. However, a hard copy proof and backup of the files on CD-Rom/DVD may be required to be sent via overnight delivery in addition to posting the electronic files. Please call (615) 884-5785 for assistance.

UNION JURISDICTIONS NASHVILLE, TN

To assist you in planning for your participation in this upcoming exposition, we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction of the various unions, we ask that you read the following:

EXHIBIT INSTALLATION AND DISMANTLING:

Currently we have an agreement with the Local Stagehand Union to provide labor for display installation and dismantling. Full time employees of the exhibiting companies may set their own exhibits without the assistance of this Union. Any labor services that may be required beyond what your regular full time employees can provide must be rendered by the Union or an Exhibitor Appointed Contractor. Labor can be ordered in advance by returning the Display Labor Form, or at show site from the Freeman Service Center.

MATERIAL HANDLING:

Exhibitors and full time employees of exhibiting companies may hand carry their own materials into the exhibit facility. However, the use or rental of dollies, flat trucks, pallet jacks or other mechanical equipment is not permitted. Freeman has the responsibility of receiving and handling all exhibit materials and crates, with the exception of items Exhibitors hand carry. Freeman will control access to the loading docks in order to provide for a safe and orderly move in/out. Unloading or reloading at the dock of any and all contracted carriers will be handled by Freeman.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense.

Fire Marshal regulations absolutely prohibit the storage of empty containers in the exhibit hall. Arrangements have been made with Freeman to store empty crates and containers. Please refer to the Material Handling section of this manual for information regarding the handling of empties, disposal of skids, etc.

GRATUITIES:

Tipping is expressly prohibited. This includes such practices as giving money, merchandise or other special consideration for services rendered. Please do not give breaks other than mid-morning and mid-afternoon, when the union has a scheduled 15 minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee should be reported immediately to the Exhibit Manager or a Freeman Supervisor.

SAFETY:

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Freeman cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order the appropriate labor on the Display Labor Form and the necessary ladders and tools will be provided.
