

## EGGA ASSEMBLY 2013 – DRESDEN: PROVISIONAL PROGRAMME

Tuesday 11 June

08.00	REGISTRATION AND COFFEE/EXHIBITION	
09.00	Welcome  Opening Remarks	H Goetz, President - Industrieverband Feuerverzinken eV  A Zedet, EGGA President
<b>SESSION 1 – Focus on Germany</b> <i>Chairman: P Niederstein</i>		
09.15	Galvanizing Industry in Germany	G Deimel, Industrieverband Feuerverzinken eV (Germany)
09.45	Steel Construction in Germany	B Hauke, Bauforumstahl (Germany)
10.15	Customer Communication – Galvanizers Going Web 3.0	H Glinde Industrieverband Feuerverzinken eV (Germany)
10.45	COFFEE and EXHIBITION	
<b>SESSION 2 – Technology for Galvanizing Applications</b> <i>Chairman: L Pernice</i>		
11.15	Galvanizing of Highway and Railway Bridge Constructions for Dynamic Loads	F Simonsen, Technische Universität Darmstadt – Materialprüfungsanstalt Darmstadt [MPA] (Germany)
11.45	Corrosion Performance – Real Performance Evaluations in Infrastructure Applications	A Hirn, Nordic Galvanizers (Sweden)
12.00	Corrosion Performance – Accelerated Testing versus Exposure Testing for Comparisons with Competing Coatings	M Cook, EGGA / L Sjögren, KIMAB (Sweden)
12.15	Corrosion Resistance of Batch and Continuous Galvanized Highway Safety Barriers - 10 year Monitoring Program Experiences	Dipl Math-Techn M Schröder, Bundesanstalt für Straßenwesen [BAST] (Germany)
12.45	LUNCH and EXHIBITION	
<b>SESSION 3 – Galvanizing in Architecture and Construction</b> <i>Chairman: H Glinde</i>		
14.00	Galvanized Steel in Modern Architectural Facade Construction	Prof Hachul, Fachhochschule Dortmund (Germany)
14.45	Innovative Gluing Methods for Joining Batch Galvanized Steel	Prof M Feldmann, RWTH Aachen (Germany)
15.15	A New Life for Batch Galvanizing for Wire and Mesh Products	<i>Speaker to be confirmed</i>
15.35	Galvanizing in Construction in France	J da Silva, Galvazinc Association (France)

15.50	COFFEE and EXHIBITION
<b>SESSION 4 – EGGA ACTIVITIES AND AGM</b> <i>Chairman: A Zedet</i>	
16.15	The European Market Picture – EGGA Statistical Report for 2012  Presentation and Discussion of EGGA Progress Reports and Project Briefings: <ul style="list-style-type: none"> <li>• Standards Affecting Galvanized Products.</li> <li>• CE Marking of Steel Products and Fabrications.</li> <li>• Steel Foresight – Implications for Galvanizers.</li> <li>• Fire Protection of Steel Buildings.</li> <li>• Life Cycle Inventory and Sectoral Environmental Product Declaration.</li> </ul>
17.15	EGGA Annual General Meeting
17.30	Close of Sessions
