

President's Message

Greg Meinhardt - 2018-2019 IIATC
Chapter President

Hello to the IIA Twin Cities Chapter! Our third Board and Officers meeting of the Chapter year was March 7, the day before International Women's Day. It was a great opportunity to reflect on the great gender diversity we have within our chapter leadership - 33% of our Board of Governors, and over half of our Committee Chairs and Vice Presidents are women.

One of the key topics for the Q3 meeting will focus on IIATC succession planning, which is led by the Nominating Committee. The Board is tasked to approve the full slate of Governors and Officers that will be put in front of the broader chapter for election as part of the annual voting process, which leads up to the annual meeting - more on that below.
