
Ben T. Robinson

Owner/President, Sentry One LLC

Ben T. Robinson is the Owner/President of Sentry One LLC. Sentry One is an aerospace industry consulting company specializing in a wide spectrum of expertise from military command and control operations to the growth and sustainment of American aerospace through future investments in workforce and business development and leadership. Sentry One LLC has aerospace clients in Oklahoma, Kansas and Texas. Through his Sentry One LLC, Ben is an Executive-in-Residence with Oklahoma Career Technology Center. In addition, Ben teaches aerospace courses for Oklahoma State University as an adjunct professor.

Prior to his current positions, Ben was a Boeing Executive and Director of Boeing Aerospace Operations, Oklahoma City, Oklahoma Boeing Site. Ben was responsible for supporting the programs and functions assigned to the Oklahoma City site. This support covers over 2100 employees in 70 locations worldwide.

Ben retired from active duty with the U.S. Air Force as a Brigadier General in 2002. His nearly 34 years of active duty service includes combat operations in both the U.S. Air Force and the U.S. Army. Ben commanded two flying wings, two flying groups and a space center. He was a Director on the Air Staff in Washington DC and the Vice Commander of 8th Air Force. He held a command pilot rating with nearly 5,000 flying hours and over 250 combat missions.

In 2010, Ben was presented with the first Life Time Achievement Award by the Oklahoma Aerospace Alliance for his contributions to the sustainment and growth of the Oklahoma Aerospace Industry.

Ben earned his bachelor's degree in Industrial Management from Eastern New Mexico University and a master's degree in Industrial Management from Central Michigan University. In addition, he completed a one year course of study with MIT as an International Relations Fellow.

Ben is a member of the Board of Trustees of Deaconess Hospital, the Board of Directors for Atec Inc., the Governor's Science and Technology Council, the Governor's Teacher Effective and Leadership Council, the Board of Advisors of the Advanced Science and Technology Education Center, the Board of Advisors of the Oklahoma Aerospace Alliance, the Board of Directors for Trinity School and on numerous advisory boards for Project Lead The Way Pre-engineering Academies across Oklahoma.

Ben and his wife Linda reside in Oklahoma City, Oklahoma. They are active members of the Crossings Christian Church. They have four children and nine grand children.
