MISSION

ABOUT THE 2018 EVENING OF TRIBUTE

The Navy SEAL Foundation provides a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate, and provide critical support to the Naval Special Warfare (NSW) community during times of illness, injury or loss. We strengthen the force and family and provide a level of security that enables warriors to focus solely on their missions. Created by former SEALs, Eric Frohardt and Sean Haberberger, the Evening of Tribute is Denver's most anticipated event in Colorado, with its focus on honoring and supporting the SEAL community. To date, the Evening of Tribute has raised over \$1.8 million to support the NSW community through the Navy SEAL Foundation.

COMMITMENT TO NAVAL SPECIAL WARFARE AND ITS FAMILIES

The Navy SEAL Foundation provides immediate and ongoing support and assistance to the Naval Special Warfare community and its families.

Since the attacks of Sept. 11, 2001, there has been an unprecedented demand for our Special Operations Forces. Never before has so much been asked of so few, from so many, for so long. Established in 2000 to serve U.S. Navy SEALs, Special Warfare Combatant-craft Crewmen, Naval Special Warfare support personnel and their families, the Navy SEAL Foundation's programs are focused on the preservation of the Naval Special Warfare force and their families. We provide a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate families and provide critical support during times of illness, injury, loss and transition.

Like the community we serve, the Navy SEAL Foundation is a solid and high performing organization committed to excellence. The Navy SEAL Foundation has received our 6th consecutive 4-star rating from Charity Navigator. We are one of only 59 charities of more than 8,500 to have earned a perfect score of 100 for our financial health, accountability and transparency, which puts us in the top 0.6% of the rated charities. Ninety-four cents of every dollar donated goes directly to programs or is retained for future mission use.

THANK YOU

Thanks to you, the Navy SEAL Foundation is the support team that helps inject resiliency, stability and certainty for the Naval Special Warfare (NSW) Community through a stable portfolio of programs.

HERE ARE SOME EXAMPLES OF WHAT YOU MADE POSSIBLE IN 2017

We were able to provide over **\$13 MILLION** in critical support of the NSW community, including:

\$4.4 MILLION

in Warrior & Family
Support Services

\$2 MILLION

invested in Education
and Empowerment

~\$1 MILLION

in Transition Assistance to support the
250 SEALs annually who transition
from military service to civilian life

To address the mounting cumulative physical and mental challenges our warriors and their families face, we hosted our **Second Annual Whole Warrior Health Collective Impact Forum**, an event designed to improve the provision of health services to military personnel and their families in the fields of: Neuroscience, Neuroplasticity and Neural Integration, Optimizing Sleep to Perform, Recover and Thrive, Chronic Pain and the Management of Complex and Chronic Pain, and How to Turn Stress into an Advantage. Over 700 participants and care providers were educated in the newest treatment techniques, and we'll see this impact in the quality of medical care a service member or veteran receives.

Because of your support, the Foundation was able to expand its Signature Programs to NSW Commands in remote locations in addition to major areas. In 2017 Germany and Stennis experienced their first **'Princess and her Frog'** event and **'Breakfast with Santa'** was also expanded. These events provide NSW Families the ability to reconnect in a secure environment as well as create memories to keep with them when they are separated by deployment for great lengths of time.

IN 2017 THE NAVY SEAL FOUNDATION INVESTED \$5.2 MILLION
IN A COMPREHENSIVE PORTFOLIO OF SUPPORT TO:

107

SURVIVING
CHILDREN

200

SURVIVING
PARENTS

91

SURVIVING
SPOUSES, FIANCÉES &
SIGNIFICANT OTHERS

100

SURVIVING
SIBLINGS

TO HELP THEM OVERCOME GRIEF AND AN ARRAY OF
CHALLENGES THAT LIE AHEAD.

“ QUOTES OF GRATITUDE ”

“...my gratitude was not just in-passing-politeness, but a real appreciation to have people like you all not only in my life, but committing themselves to helping all those I care about and that I have worked for, with, and been charged with the care of--service members and families alike. I am afraid to think of where my life may (or may not) be without having you guys getting in there and doing what you do.”

NSW Service Member (Ret.) who
attended the 2017 Impact Forum

“Words cannot express the gratitude I have for the experience shared at the Sibling Wellness Weekend 2017. Thank you for inviting me to be a part of this. After all these years of a gaping hole in my heart, I finally am starting to see it is ok to feel how I do. I lost my brother and gained a family of brothers and sisters who understand the loss. The weekend was one of much self-reflection, fellowship, and fun, too. Thank you again.”
