CONFERENCE VENUE
Novotel Sydney Manly Pacific
Novotel Sydney Manly Pacific is nestled perfectly to enjoy the very best of the Australian lifestyle. Located directly opposite Manly Beach and only 15 minutes from Sydney’s CBD by the Manly Fast Ferry or a leisurely 30 minutes via ferry.
Novotel Sydney Manly Pacific is one of Sydney’s leading beachside conference venues. The hotel features 213 guest rooms, including 72 refurbished ocean view rooms and suites; most with uninterrupted views from the Manly district to the ocean and beyond.
Travel time from Sydney Airport is approximately 40 minutes depending on traffic and costs approximately $100 by taxi. There are several Manly airport Shuttle Services that can be booked by phone or on-line.

DESTINATION
Situated seven miles north-east of Sydney on the lower Northern Beaches, Manly was named by Captain Arthur Phillip after his encounter with the confident and manly Aboriginal people of the Kay-ye-my clan who lived here. Surrounded on three sides by water, Manly is the perfect destination to enjoy both the harbour and the 18 ocean beaches, coves and inlets to swim, sail and surf. But as the locals know, Manly is more than Sydney’s premier beach resort. Come by sea or road and take some time to discover its rich heritage and culture, its great shopping, dining and family attractions - it’s well worth the trip.
The Organising Committee of the SPANZA 2013 ASM invites you to Sydney, to take part in a challenging and compelling scientific program in the beautiful seaside resort of Manly. Themed around the theatrical and dramatic aspects of our work, the conference will explore similarities between our daily work environment and that of a stage production. Reminding us that from the very earliest days of anaesthesia in the Boston Ether dome to the most innovative use of simulation training, the operating theatre is exactly that- a theatre!

Our two invited speakers, David Polaner from Denver, USA and Jenny Thomas from Cape Town, South Africa, will ensure that the scientific presentations include diverse perspectives. Both these speakers and a variety of internationally recognised presenters will challenge delegates to question the way we practice and how we see ourselves as paediatric anaesthetists. Programme sessions will explore the various roles played by the paediatric anaesthetist, peri-operative physician, pharmacologist, physiologist, proceduralist, trauma specialist, pain specialist and researcher.

This meeting provides a wonderful opportunity for you and your guests to explore the entertainment districts of the city and to take advantage of Sydney’s theatre and performing arts spring season. From the opera and ballet to live theatre, musicals and comedy clubs, a ferry ride across the harbour will get you there. Or if you prefer, relax and enjoy Sydney’s classic Manly beach, ocean views and iconic streetscapes. Take in an early morning harbour swim or try the surf. The conference hotel is nestled perfectly on a peninsula between the Pacific Ocean and Sydney harbour, surrounded by exceptional restaurants.

The social programme will have something for everybody and the conference dinner has been planned to make your visit to Sydney as memorable as any ‘grand opening night’.

Do register early (early bird by August 26) to ensure your place at this entertaining, thought-provoking and confronting conference.
David M. Polaner, MD, FAAP is Professor of Anesthesiology and Pediatrics at the University of Colorado School of Medicine and the Children's Hospital Colorado, where he is Director of Transplant Anesthesia and former Chief of the Acute Pain Service. David received his undergraduate education at Yeshiva University and his MD from Mt. Sinai School of Medicine, both in New York. He trained in pediatrics at Albert Einstein College of Medicine and Seattle Children's Hospital and in anesthesiology at University of Washington. Following a fellowship in pediatric anesthesia and critical care at Seattle Children’s, he was a research fellow in Warren Zapol’s laboratory at the Massachusetts General Hospital. He was appointed to the faculty of Harvard Medical School and subsequently became Director of Pediatric Critical Care at Tufts University School of Medicine and the Floating Hospital for Children in Boston before moving to Denver in 2000.

David's research and clinical interests are wide-ranging and include regional anesthetics in children, the pediatric airway, propofol infusion syndrome, anesthesia informatics, transplant anesthesia and high altitude medicine and physiology.

He is the co-founder of the Pediatric Regional Anesthesia Network (PRAN), co-director of the 7th International Symposium on the Pediatric Airway and is Section Editor for correspondence and case reports for the journal Pediatric Anesthesia.

Jenny Thomas is the Principal Specialist and Head of Paediatric Anaesthesia at the Red Cross War Memorial Children's Hospital in Cape Town, South Africa. The Red Cross Hospital is the only dedicated children's hospital on the African continent and is affiliated with the University of Cape Town. It provides anaesthesia services for all the major surgical disciplines including cardiac surgery, liver transplantation and conjoint twin separation.

Jenny has spent more than 20 years in the field of paediatric anaesthesia, mostly at Red Cross War Memorial Children's Hospital. As Associate Professor in paediatric anaesthesia, Jenny is the first female professor in the UCT Department of Anaesthesia. Jenny has a special interest in pain management and procedural sedation, burns anaesthesia and pain and cardiothoracic anaesthesia. Her department takes responsibility for a large and varied neonatal and general surgical caseload. Over her career, Jenny has gained un-paralled experience in the management of conjoined twins and has written extensively about this. Teaching and training at all levels is also one of Jenny’s passions and this allows her department to take a leading role in professional development and workforce training for the whole of the African continent. Jenny maintains her research interests in paediatric pain management with collaborations with Professor Dick Tibboel and Dr Monique Van Dijk of the Sophia Children’s Hospital and the Erasmus University, Rotterdam.

She has recently been involved in setting up a paediatric trauma centre and has had significant input into the design and planning of clinical infrastructure and operating theatres within her institution.

Karen Waters is Head of the Respiratory Support Service (Sleep Medicine) at the Children’s Hospital at Westmead. Dr Waters has undertaken research in this area for over 20 years, as she undertook a PhD on Sleep Breathing abnormalities in children during her specialist training in Respiratory and Sleep Medicine. Dr Waters has combined Clinical Medicine and Medical Research, including basic (laboratory-based) and clinical aspects of Research throughout her career. She has held NHMRC grants, and is currently Principal investigator on an RCT to evaluate IQ outcomes after adenotonsillectomy.

Les White was appointed as the inaugural NSW Chief Paediatrician in September 2010. Since November 2012 he has also held the role of Director, Paediatric Healthcare, NSW Kids & Families. He was Executive Director of Sydney Children’s Hospital (1995–2010), President of Children’s Hospitals Australasia (1999-2004), Convenor of the Greater Eastern and Southern NSW Child Health Network (2001-2010) and the John Beveridge Professor of Paediatrics (2005-2010). He was awarded a Doctorate of Science for research contributions related to childhood cancer and holds a Master of Health Administration. In 2007 he received an Order of Australia award for service to medicine, medical administration and the community in the field of paediatrics.
Since 2004, SPANZA has sponsored an anaesthetist with a strong interest in paediatric anaesthesia from a lesser developed country to attend the annual scientific SPANZA meeting. The sponsorship provides for airfares, accommodation and registration.

To date, SPANZA has sponsored anaesthetists from Uganda, Mongolia, Thailand, Bhutan, Fiji, the Solomon Islands and India.

Applications (including a current Curriculum Vitae and the name of 2 referees) should be made to:

To arrive no later than Sunday 30 June 2013
We are currently calling for abstracts to be submitted. If you have a topic of interest, research data, audit or case series that you would like to present, please follow the guidelines detailed below. Selected authors will be asked to present their work in one of three formats.

All submitted abstracts are subject to review by the Organising Committee. Selected abstracts will be assigned to an oral free paper presentation, to the Research Open Forum session or to a poster display.

Types of Presentations

Poster display
Poster presentations of original research, audit or case series are welcomed and will be displayed in the Ballroom terrace for the duration of the meeting. All submitted abstracts will be considered for poster presentation. The presenting author will be allocated a lunchtime during which he/she should attend the poster and be available to field questions from delegates.

Oral presentation of your poster
Up to 8 posters will be selected for presentation to the Research open forum session. Authors of these selected posters will be notified prior to the meeting and be allocated three minutes to present their work. Five minutes will be allocated for panel discussion and questions.

Oral free paper presentation
Up to 4 abstracts will be considered for presentation as oral free papers within the main body of the scientific programme. Nine minutes will be allocated to each paper with time for brief questions. If selected for oral free paper presentation, authors will not be expected to prepare a poster.

An invitation to submit a case report
Valuable lessons can be learned by discussing unusual or eventful cases. You are invited to submit a brief report on interesting and/or controversial cases for discussion in any of three open forums. Cases can be presented in the Pain open forum, Cardiac open forum or Day stay anaesthesia forum. Brief (2-minute) case presentations will be followed by panel discussion and open debate.

All case reports will be reviewed by the organising committee and convenors of the various forums. The convenors will then contact selected authors with presentation details.

Submission Details

Authors should submit abstracts and case reports online, as early as possible, but no later than Sunday, 28th July 2013.

You will receive an automatic acknowledgement of the receipt of your abstract and you will be notified by email by the end of August on the success of your submission and the required format.

The Organising Committee reserves the right to contact authors, if required to clarify the nature of intended presentations prior to making decisions regarding their acceptance.

Registration

All presenters must register to attend the Meeting and are responsible for their own travel, accommodation and registration expenses.

A condition of acceptance is that at least one author is available to present at the Meeting.

Format for Abstracts

The following format must be followed for all abstracts:

Title - 12 point, bold typeface, Arial font, left aligned
Leave one blank line (12 point)
Authors – 10 point, Arial font, Surname, First name, Presenting Author to be bold
Affiliations numbered in superscript
Leave one blank line (12 point)
Affiliations – 10 point, Arial font, Italics, Affiliation, City, Country
Leave one blank line (12 point)
Abstract Text – 10 point, Arial font, left aligned, single spacing
Conflict of interest statement - 8 point, Arial font, left aligned, single spacing

Maximum of 400 words

Please note the following:

• Do not insert any tables or figures.
• Do not include titles or degrees.
• Check spelling and grammar. Submitted material will be published in the Meeting Handbook – the abstract should, therefore, contain no errors.
• Standard scientific abbreviations may be used – non-standard abbreviations should be included in parenthesis after the first use of the full word.
• Do not indent paragraphs.
• Name the file with the first 8 characters from the surname of the first author (for example: wolf.doc).
• Present sufficient data to support conclusions – it is unsatisfactory to use statements such as “data will be presented” or “results will be discussed”.

Presentation at the Meeting

Posters should be displayed on the poster boards on the Ballroom terrace before lunchtime on Friday 18th. Board allocations will be sent to you before the meeting.

If selected for presentation at the research open forum, authors should deliver an electronic version of their poster (maximum 5 slides) to the technician no later than 8.00am on Friday 18th.

Oral free paper presentations are required no later than 8.00am on the morning of the presentation, and should be delivered to the technician in the main hall.

Selected case reports will be presented orally in open forums at the discretion of the chairperson.

Further detailed instructions will be sent to authors of accepted papers.

Important Dates

Closing date for submission of Abstract Sunday 28th July 2013
Acceptance, allocation or rejection will be advised by the end of August 2013

c {5}
THURSDAY 17 OCTOBER

1300  PAIN OPEN FORUM - Room: Grand Ballroom (Clarendon/Norfolk)
Chair: George Chalkiadis
Panel: John Collins, Laura Burgoyne, David Polaner, Jane Thomas, Andy Liley
All delegates are invited to attend this open forum that will cover issues relevant to paediatric acute and complex pain management. In the first part of this session controversial and difficult issues in paediatric pain management will be discussed by a panel of experts using a series of cases. Delegates are invited to submit case reports for discussion to the chairman. This year, the forum will progress the idea and logistics of an Australia and New Zealand collaborative acute pain audit.

1500  AFTERNOON TEA

1530  CARDIAC OPEN FORUM - Room: Grand Ballroom (Clarendon/Norfolk)
Chair: Ian McKenzie
Guest: Jenny Thomas
All delegates are invited to attend this cardiac open forum. Ian McKenzie will chair the session which will run as a problem-based learning discussion. One of our invited speakers, Prof Jenny Thomas will add to the combined experience of all session participants. This session will be an excellent opportunity to discuss many aspects of paediatric cardiac anaesthesia. Delegates are invited to submit case reports for discussion to the chairman.

1730  Close
1830  Welcome Reception, The Manly Wine Suites

FRIDAY 18 OCTOBER

0815  Welcome
David Baines

OVERTURE
Chair: Patrick Farrell
0820  Magnesium for everything
Hugh Douglas
0840  Blood products and coagulopathies: What’s new?
James Houghton
0900  The potassium trap
Jenny Thomas
0920  Congenital diaphragmatic hernia
Sarah Johnston
0940  The difficult paediatric airway
Britta von Ungern - Sternberg
1000  MORNING TEA

SETTING THE STAGE
Chair: Greg Maloney
1030  Issues and challenges of paediatric anaesthesia in Bangladesh representing one South Asian country
Abul Kalam Azaad
1050  The theatre of the future
Ruth Matters
1115  Promises and pitfalls: Ergonomics and electronic anesthesia information systems
David Polaner
1145  Future of medication management: the curtain finally rises
Chris Johnson
1210  Panel discussion
1230  LUNCH - POSTER VIEWING

PROPS
Chair: Elsa Taylor
1320  Free Papers
1320  Salbutamol in ventilated patients: does it get to where we want it?
Britta von Ungern-Sternberg
1332  The GAS study: success rates practicalities and complications of spinal anaesthesia for neonates and infants
Geoff Frawley
1345  Keeping your finger on the pulse: cardiovascular monitoring in 2013
Justin Skowno
1410  Opioid hazards: When props fail
Greta Palmer
1435  Non-invasive ventilation: Prop, tool or toy
Niall Wilton

1500  AFTERNOON TEA

RESEARCH OPEN FORUM
Room: Grand Ballroom (Clarendon/Norfolk)
Chair: Andrew Davidson Co-chair: Justin Skowno
Panel: Britta von Ungern - Sternberg, David Polaner, David Costi
All delegates are invited to join this research open forum. It will run concurrently with workshops and PBLDs. A selection of poster presenters will discuss their posters before an expert panel. Delegates will also have an opportunity to comment and to raise pertinent questions. The session will also be used to discuss two collaborative project proposals. These proposals will be ‘workshopped’ with a view to generating a truly collaborative project under the auspices of SPANZA.

CONCURRENT WORKSHOPS
• Improve your practical teaching skills
• Central venous access
• Coping with difficult paediatric anaesthetic problems in the developing world
• PBLDs

### DILEMMAS IN DAY STAY - AN OPEN FORUM

**Room: Grand Ballroom (Clarendon/Norfolk)**

**Chair: Anna Englin and Val Taylor**

Panel: David Linscott, Phil Stephens, Jenny Thomas, Susan Hale

This year, SPANZA will host a special open forum on anaesthesia for day stay surgery. Topics and issues of interest to all paediatric anaesthetists will be discussed by an expert panel using case-based problems. This session will explore how to maximise the potential of the day stay suite.

### CONCURRENT WORKSHOPS

- Paediatric resuscitation up-date
- Central venous access
- Regional anaesthesia
- PBLDs

### Regional anaesthesia

**Cost:** $100  
*Philip Wolstencroft, James Houghton, David Murrell, Sarah Johnston, David Sandeman, Geoff Frawley*

This workshop will include 6 stations with 15 minutes allotted per station. There will be three master classes and three hands on ultrasound guided regional anaesthesia stations. The master classes will include “Paediatric epidural trouble shooting” by David Murrell, “Neonatal subarachnoid block” by Geoff Frawley and “Ultrasound guided dorsal penile nerve block” by David Sandeman. The Ultrasound regional anaesthesia stations will be lead by Philip Wolstencroft (upper limb), James Houghton (lower limb) and Sarah Johnston (abdominal blocks).

### Paediatric resuscitation up-date

**Cost:** $50  
*Stuart Ross, Andrea Santoro, Ian Sherratt, Jenny Upton*

This is a hands on up-to-date workshop designed to provide you with advanced resuscitation skills in the management of neonatal and paediatric emergencies through the use of practical scenarios and the latest APLS guidelines.

### Coping with difficult paediatric anaesthetic problems in the developing world

**Cost:** $25  
*Prof Albert Shun, Dr Wangari Nyaga, Dr Michael Cooper, Dr Lindsay McBride and Dr Andrew Weatherall*

This workshop will feature a variety of discussions from presenters with expertise in different parts of the developing world on coping with difficult paediatric anaesthetic challenges where isolation and sparsely equipped environments are the norm. The facilitators will present their viewpoints followed by an interactive discussion.

### Improve your practical teaching skills

**Cost:** $50  
*Alison Carlyle, Mark Priestley*

This interactive workshop focuses on effective ways of teaching key paediatric topics in the theatre environment, addresses the challenge of aligning trainee learning aspirations with your teaching goals and includes the practical implementation of the new trainee assessment tools with clinical examples.

### Central venous access

**Cost:** $100  
*Ian Smith*

This session explores the provision of a gold standard vascular access service using an expert panel, discussion and practical demonstrations.

### Problem based learning discussions (PBLDs)

**Cost:** $55.00 per two hour session. Each session will be strictly limited to a maximum of 60 participants (6 x 10 people). Participants may register for both sessions in order to get the full range of cases.

These 3x40minute small-group, case-based, active learning sessions use specific case scenarios to address a selection of anaesthesia topics. The format involves a faculty facilitator (+/-assistant facilitator) and up to 10 participants per session. In each two hour session, participants will be exposed to a range of three cases with progressive complexity throughout each case. Advanced airway and pain management techniques will be included. The PBLD sessions are scheduled for Friday afternoon and will be repeated on Saturday afternoon.
REGISTRATION

Each person attending the Conference needs to complete his or her own registration form with payment. You can also register online at www.spanza.org.au/conference.

A letter of confirmation will then be forwarded by email. Please ensure you read all information in this brochure carefully before answering the questions on the registration form.

INCLUSIONS FOR REGISTERED PERSONS

Members, Non Members, Registrars, Technician’s and Honorary Members

➢ Attendance at Sessions
➢ All Official Documentation
➢ Morning & Afternoon Tea & Lunch as scheduled in program
➢ Conference Dinner
➢ Welcome Reception
➢ Entrance to exhibition

Day Delegates

All entitlements for day of attendance only

➢ Attendance at Sessions
➢ All Official Documentation
➢ Morning & Afternoon Tea & Lunch as scheduled in program
➢ Entrance to exhibition

Retired Member

➢ Attendance at Sessions
➢ All Official Documentation
➢ Morning & Afternoon Tea & Lunch as scheduled in program
➢ Welcome Reception
➢ Entrance to exhibition

Accompanying Person

➢ Welcome Reception
➢ Conference Dinner

PAYMENT OF FEES

All prices are quoted in Australian dollars. Payment of fees must accompany all registrations and may be made by cheque or credit card (MasterCard or Visa only). Cheques should be made payable to SPANZA Conference and drawn on an Australian bank.

GST

ABN: 44 639 760 994

You will be sent a tax invoice once your registration has been received. Please refer to the accommodation section for tax invoices relating to accommodation bookings.

CANCELLATIONS AND REFUNDS (REGISTRATION)

Cancellations must be notified in writing to the Secretariat.

Cancellations received:

• Before 2 August 2013 will incur a A$150.00 cancellation fee.
• Before 13 September will receive a 50% refund of fees paid.
• After 13 September there will be no refund.

INSURANCE

The Conference organising committee strongly recommends that you take out insurance for your travel and attendance at the Conference. The Conference cannot accept any responsibility for participants failing to arrange their own insurance.

EXHIBITION AND SPONSORSHIP

A trade display will be held during the Conference. A list of participating companies will be provided at the Conference. Companies are also invited to take up Conference sponsorship. For more information on exhibition and sponsorship opportunities, contact the Secretariat on telephone +61 2 4973 6573, fax +61 2 4973 6609 or email: spanzaconf@willorganise.com.au

WHAT TO WEAR

Sessions – Neat Casual
Welcome Reception & Conference Dinner – Smart Casual
Novotel Sydney Manly Pacific  
55 North Steyne St  
Manly NSW 2095  
Standard Room $259.00  
Ocean View Room $369.00  
For any alternative accommodation options, including budget accommodation and family rooms, please contact the Secretariat directly on telephone +61 2 4973 6573 or email spanzaconf@willorganise.com.au.

Deposit  
Hotel accommodation bookings must be accompanied by a first night’s deposit or credit card guarantee in order to secure your reservation. Your deposit (or credit card number) will be passed on to the hotel and you must settle the balance of your account on check out. The hotel holds your credit card as a guarantee only and by providing the card number, you are also providing authorisation for the hotel to charge this card if you fail to arrive at the hotel on the date indicated. Your credit card will not be charged until you approve the account and check out (or fail to arrive).

How to Book  
Please complete the accommodation section of the registration form. The secretariat will then book your room and send confirmation of reservation. Any change to a reservation must be notified to the Secretariat and not directly to the hotel.

Check in and check out  
Hotel check in time is 1400 hours. If you are to arrive before this time, it is probable that you will not be able to gain access to your room. To guarantee a room to be available for an early arrival, you will need to pre-register and pay for your room for the night before. If required please indicate on your registration form. Hotel check out time is 1100 hours. Many hotels do offer late check outs when asked. If you require a late checkout please indicate on your registration form. Please note however, this is subject to availability of the Hotel. Please indicate on your registration form or notify the secretariat in writing if you will arrive at your hotel after 1800 hours. Failure to do so may result in your room being released.
SOCIAL PROGRAM

WELCOME RECEPTION

Thursday 17 October
1830 - 2030

Venue: The Manly Wine Suites
Partner tickets: $95 per person
Dress: Smart Casual

As a welcome to the SPANZA Conference, before the sessions commence on the Friday, enjoy some drinks and canapes whilst catching up with colleagues.

CONFERENCE DINNER

Saturday 19 October
1830 - 2300

Venue: The International School of Management (ICMS)
Partner tickets: $130 per person
Dress: Smart Casual

With sweeping views over the Pacific Ocean and North Head reserve in beautiful Manly, the ICSM historic estate provides the perfect backdrop for the Conference dinner. Enjoy a sumptuous three course meal followed by dancing and local entertainment.
The information below will be reproduced in the delegate list at the Conference and be used for all mailings. Please complete the form and submit to the Conference Secretariat via fax; +61 2 4973 6609 or email; spanzaconf@willorganise.com.au. An emailed confirmation will be sent to you within one week of submission.
