

TORONTO, ON April 8, 2015 - RTDNA Canada, The Association of Electronic Journalists, is pleased to recognize excellence in electronic journalism in the Central Region.

RTDNA Canada Awards honour the best programs, stations and news gathering organizations in radio, television and digital. “These awards are named after pioneers and innovators of our industry, and some of them were the founders of our association more than fifty years ago,” said RTDNA Canada President Ian Koenigsfest. “We’re pleased to continue celebrating excellence in electronic and digital journalism. Our founders would be proud of the quality of award winning local news coverage today.”
