

NEUROSCIENCE & SPINE NETWORKING MEETING

Tuesday, June 11, 2013 • 8:00 am – 3:00 pm
Ritz-Carlton Buckhead • Atlanta, GA

AGENDA

TUESDAY, JUNE 11, 2013

- 7:00 am – 8:00 am **Breakfast**
- 8:00 am – 9:00 am **Introductions and Roundtable**
Brief introduction of MedAxiom and the cardiology network and objective to create a network of neurosciences and spine. The roundtable will continue with going around the room, introducing participants, program and role. The approach to this will be dependent on the number of programs represented.
- 9:00 am – 10:00 am **Who's in the Room**
We will conduct a brief survey of each of the registrants to get some basic data on the programs that will be presented in aggregate.
- 10:00 am – Noon **Physician Alignment**
Lessons from cardiology, white boarding of issues and discussions.
- Noon – 1:00 pm **Lunch**
- 1:00 pm – 2:00 pm **Comprehensive SPINE Program**
SPEAKER TBD
Reimbursement, development of conservative (medical) therapy to support surgical program, etc. (30 min of presentation, 30 min of discussion).
- 2:00 pm – 3:00 pm **Comprehensive STROKE Center**
SPEAKER TBD
What are the issues, who's involved, how create collaborative model, etc.
- 4:00 pm – 5:00 pm **What Data Drives Performance?**
In cardiology we have many registries including surgical registries that drive quality performance and some that drive operations. We need metrics, trending and benchmarking data in neurosciences and spine. What clinical, financial and experience data do we need to drive performance in neurosciences and spine.
- 5:00 pm – 5:30 pm **Wrap up**
Planning for future steps & moving forward.
